Blue & Gold Triangle

LAMBDA KAPPA SIGMA -- INTERNATIONAL PROFESSIONAL FRATERNITY FOR WOMEN IN PHARMACY

1976-77 Grand Council and Honorary Advisors. Back row (1 to r) Shirley McCloskey, Grand Vice-President; Pamela Ehlers, Grand Editor; Denise Ducharme, Eastern Regional Supervisor (Province I); Adele Lowe, Member-At-Large; Vicki Bean, Western Regional Supervisor; Pattie Kienle, Eastern Regional Supervisor (Province II); Avis Ericson, Grand Secretary. Seated (1 to r) Julia Pishalski, Honorary Advisor; Judy Paul, Midwestern Regional Supervisor; Marilyn Haberle, Grand President; Judy Riffée, Southern Regional Supervisor; Mary Grear, Grand Treasurer.

Meet your Grand Council

MARILYN HABERLE, Grand President, is serving her second term in this capacity. She is a native of Indiana and a graduate of Purdue University.

She was initiated into Alpha Epsilon Chapter in 1962 where she acted as fraternity advisor until she moved to St. Louis, Missouri. In St. Louis, she became affiliated with Alpha Zeta Chapter and again assumed the duties of fraternity advisor.

Marilyn was the main force behind helping Alpha Zeta host a successful 1972 Biennial Convention in St. Louis. She also helped organize Alpha Zeta alumnae Chapter which was installed at the convention. Marilyn is a staff pharmacist at Missouri Baptist Hospital. She worked very hard and many hours to establish the unit dose system at the hospital which is located right on the floor with the patients. She is in charge of the entire system. Marilyn's husband, Dr. Joe Haberle, is head of the Pharmacy department at the St. Louis College of Pharmacy and is presently serving as Alpha Zeta's faculty advisor.

Marilyn has attended many National Conventions and regional meetings. She served as Southern Regional Supervisor during the 1972-74 Biennium. She also served as Chairman of the Award of Merit Committee this same Biennium.

SHIRLEY McCLOSKEY, Grand Vice-President, Fargo, North Dakota, is an alumnae of Alpha Xi Chapter. She served as Western Regional Supervisor during the 1970-72 Biennium and Grand Treasurer for two consecutive Bienniums 1972-74 and 1974-76. During Shirley's term as

Grand Treasurer, the books and accounts were completely revised. We now are able to set up a budget and see just where our monies are going. She held several offices in Alpha Xi collegiate and was president of Alpha Xi Alumnae when it was chartered in October, 1970. In college she was active also in Rho Chi, SAPHa, and Phi Kappa Phi for which she was Vice President. Shirley is a recipient of a Cora E. Craven educational grant and received the Ethel J. Heath Key at graduation from the University of the Pacific magna cum laude.

Shirley is the Supervisor for clinical pharmacy services at the Neuropsychiatric Institute in Fargo, North Dakota. She is an adjunct professor and pharmaceutical preceptor for the North Dakota University. She is currently participant in three investigative new drugs and co-author of one of them.

AVA ERICSON, Grand Secretary, is from Bethany Beach, Sawyer, Michigan, but is now residing in Waltham, Massachusetts. Avis pledge Alpha Iota at Ferris in 1969 after transferring into pharmacy from Mathematics and Chemistry majors at Lake Michigan College and Andrew's University. She graduated in 1971 with a B.S. in pharmacy from Ferris State College, Big Rapids, Michigan.

While at Ferris she served as the Lambda Kappa Sigma delegate to the campus' Panhellenic Association for two years and as that organization's delegate to Student Government on the campus. While a member of Student APhA, she served as Secretary of the Ferris organization. She

worked on numerous committees for these organizations and the school of pharmacy. Upon graduation she received the award as Outstanding Graduating Senior Woman for the college.

Entered the University of Kentucky, Pharm. D. program in 1971; completed in Dec. 1973. While at UK she affiliated with the Alpha Nu chapter and has served as that chapter's fraternity advisor. Work on the Pharm. D. degree included such things as: working with a clinic for unwed teenage pregnant women doing drug history documentation and counseling—this led to the publication of the paper "The Pharmacist in an Obstetrical Service" (AJHP 30:702-4, August 1973) and numerous speeches before various groups on the techniques and information gained. Also, an article published in Contemporary OB/GYN, "The Clinical Pharmacist in Obstetrics" (Vol. 4, pg. 4-55 July 1974) describes her work with the clinic and UK OB/GYN Department as the first pharmacist hired by an OB/GYN unit for such purposes. Other work included: Pharmacist and Consultant for the Bluegrass Regional Birth Planning Council; teaching assistant for Pathology; work as the Obstetric area pharmacist; Clinical Instructor for the undergraduate pharmacy clerkship in obstetrics; member of the SAPHa National Subcommittee on Community Health; Chief Pharm. D. student and representative to various UK Pharm. D. Committees. In 1971 she also received the Cora E. Craven Educational Grant.

Upon graduation from UK, she accepted the position as Assistant

[Continued on page 2]

Retrospective look at 24th convention

by Marilyn Haberle,
Grand President

The 24th Biennial Convention of Lambda Kappa Sigma Fraternity at the University of Toledo will long be remembered by all of us who attended. The hostess chapters, Alpha Iota, Alpha Mu and Omicron Chapters, did a marvelous job of setting the scene for a very productive week that was interspersed with enough diversions to keep us all entertained and relaxed so that the business could be accomplished while we were having an enjoyable week renewing old friendships and making new ones. As we were leaving, people were already looking forward to regional meetings and the next convention in Albany, New York, so that they could be together again. This makes all the work involved in producing such a meeting worthwhile. Thanks again to all of those who worked so tirelessly and reminded us of our desire of sisterhood. Work done for those we love and admire with unselfish effort is truly beautiful to behold.

The intelligence and the awareness of our membership was also on display during the meetings. Our business was lengthy and very important to our future growth and development. All of the sessions did credit to our loyalty to our profession and to our Fraternity. Those of you who were not privileged to attend this convention because of other commitments will find it beneficial to read the minutes from the Grand Council sessions as well as those from the general sessions because important decisions were reached that will be tested during the next two years. We will be finding out who we are and what we represent. We will all be challenged with input into our growth and development. Grand Council will not be making all of the decisions. Each chapter with their regional supervisor will be deciding on how certain funds will be spent on their behalf. Chapters can no longer sit back and criticize. They must take an active part in making decisions that will most benefit their chapter and their region and then the whole fraternity.

The transfer of a substantial sum of money to the Lambda Kappa Sigma Educational Trust from the general fund will enable this trust to start working. The first substantial gift was made by one of our charter members, Mary Livingston. We are all grateful to Mary for her faith in our profession and in our fraternity. Our stand on current matters is reflected in our professional resolutions and each of us should be aware of our responsibility to these resolutions. They were not made lightly and they will be determining our thinking during the next two years.

For the present, we have maintained our identity as a professional fraternity for women in pharmacy. Events during the next two years will undoubtedly test

our position. We will be called upon to defend our position and our basic rights. This will not be an easy biennium, but it should be a biennium that will test our talents and abilities. If we continue to display the same qualities that prevailed during the meeting in Toledo, we should have a productive biennium that will give new meaning to our sisterhood.

How to handle TITLE IX

★★★

POLICY STATEMENT OF LAMBDA KAPPA SIGMA FRATERNITY

Some Lambda Kappa Sigma Chapters are receiving orders from campus administrators to delete all reference to sex limitations for membership or leave campus. This is in accord with recent legislation, Title IX of the Education Act as amended.

ONLY if your chapter is given the ultimatum should you discuss this. But if you are faced with expulsion from the campus, here are the immediate steps to take:

1. DO NOT ATTEMPT TO HANDLE THIS PROBLEM YOURSELF.

2. NOTIFY THE GRAND PRESIDENT IMMEDIATELY.

3. REFUSE TO AGREE TO ANYTHING VERBALLY OR WRITTEN UNTIL FURTHER NOTICE.

4. Your only statement should be to this effect: "We are an international organization and cannot make this decision as a local chapter. Our Grand President and the officers of the Professional Panhellenic Association have been informed and we must be allowed time to hear from them."

5. KEEP IN TOUCH — by phone if necessary with your Grand President. She will have additional and current information.

We hope that you are not faced with this problem and urge you not to initiate any discussion on it. However, forewarned is forearmed and we will do all we can should the necessity arise.

Adopted at the Twenty-fourth Biennial Convention
Lambda Kappa Sigma International Professional Fraternity for Women in Pharmacy
July 26-29, 1976
Toledo, Ohio

Grand Council

[Continued from page 1]

Professor of Clinical Pharmacy at UK College of Pharmacy and continued to work in the Obstetrics and Gynecology area. Six months later, she accepted the position of Assistant Professor of Obstetrics and Gynecology with the UK College of Medicine and became the first pharmacist ever hired by the UK College of Medicine. Here her work expanded to include not only the teaching of pharmacy students, but also medical students and OB/GYN Residents about drug use in pregnancy. She joined the International Childbirth Education Association and was elected to their Board of Consultants. She also joined the Board of Consultants for the American Foundation for Maternal and Child Health and currently is chairperson for ICEA's Medication Study Committee. While in Lexington, she also served on the professional advisory board for the Lexington Assn. for Parent Education (a branch of ICEA) and wrote a bimonthly column for their newsletter. She has also contributed to ICEA's publications on the use of medications during labor and birth and during pregnancy. As medication study chairperson, she compiled a booklet on "Medications Used During Labor and Birth, A Resource Guide for Childbirth Educators." She attends and is speaker at many programs which deal with drug teratology, medication use during pregnancy, drug use during labor and birth and in the early newborn period, drug use and learning disability, contraception, feminine hygiene, the gynecologic patient, women in pharmacy, and the team approach to patient care. She recently developed and has participated in the Lederle Continuing Program—Understanding Common Gynecological Problems which has been presented in several cities across the nation.

As of January 1st, 1976, she is Assistant Professor of Clinical Pharmacy at Mass. College of Pharmacy and Assistant Director for Clinical Pharmacy Services at Boston Hospital for Women. She teaches an OB/GYN clerkship for undergraduate pharmacy students and co-ordinates the clinical and research efforts of the BHW pharmacy department and among other duties. She is now affiliated with the Alpha Alumnae chapter in Boston and the Alpha collegiate chapter at Mass. College of Pharmacy.

MARY GREAR, Grand Treasurer, graduated from the St. Louis College of Pharmacy in 1972. She works in both community and hospital pharmacies. She and Sam, her husband, who is also a pharmacist, live in Morton, Illinois. During the 1972-74 biennium she served as the Southern Regional Supervisor. Mary is active in the APhA, Illinois Pharmaceutical Association and the Central Illinois Pharmaceutical Association. She has served as the secretary of the local association for the past two years. In 1975, Mary received the Ed Barcus Memorial Award from the IPHA for outstanding service and leadership in pharmacy and the community. This award is given to a pharmacist who has been out of school for less than five years. In 1975 she also received an Outstanding Volunteer Service Award from the Illinois Heart Association and was listed as one of the "Outstanding Young Women of America." In addition to her pharmaceutical activities Mary is an active member of the Morton Historical Society, Morton Junior Womens Club and is serving as secretary of the Peoria-Tazewell County Heart Association.

PAMELA EHLERS, Grand Editor, of Red Bud, Illinois, is an Alpha Zeta Alumnae. She was initiated into Lambda Kappa Sigma by Alpha Zeta Collegiate

Chapter in 1965. She has served her collegiate chapter as treasurer for two years and also as president. Following graduation in 1969 from St. Louis College of Pharmacy, Pam began full time relief work at Shield's Rexall Drug in New Baden, J. & C. Rexall Drug in Freeburg, and Keil Rexall Drug in Red Bud (her father's store). Also the summer following graduation, she was fortunate to take part in the IPSF Student Exchange Program, and work in an Apotheke in Germany for six weeks. At present she is working full time at J & C Rexall Drug and Keil Rexall Drug and is Pharmacy Consultant for the new Red Bud Nursing Home.

Pam has attended many Regional, as well as National Conventions, as a chapter delegate. She was one of the founding members of the Alpha Zeta Alumnae Chapter in St. Louis, which was installed at the 1972 National Convention held in St. Louis. She served as chapter Secretary-Treasurer.

Pam is an active member in APhA, IPHA and Madison-St. Clair Counties Professional Pharmacist Association, in which she served as Treasurer from 1970-1972. She has also served on the Board of Directors of the St. Louis College of Pharmacy Alumni Association and has held numerous offices in the association.

At the National Convention of 1972 held in St. Louis, Pam was elected Grand Editor and is now serving her third term.

ADELE LOWE, Member-At-Large, Grand President (1970-1974), 2nd Vice-President (1948-50), 4th Vice-President (1950-54), Southern Regional Supervisor (1958-60), Midwestern Regional Supervisor (1966-68), Grand Vice-President (1968-70); was graduated from the Indianapolis College of Pharmacy (now Butler University) with the degree of B. Sc. in Pharmacy. While in college, she was secretary of her class for 3 years and vice-president for one year. Adele was initiated into Lambda Kappa Sigma through Phi Collegiate Chapter and is a charter member of both Phi Collegiate and Phi Alumnae Chapters. As a collegiate member she served in several offices; and as a member of the alumnae chapter she again served in many offices, including that of the First President of the newly-founded chapter. On the local level Adele continues to be very active; she serves as the Fraternity Advisor to Phi Chapter, she was on the coordinating committees for the 1955, 1963 and 1973 Midwestern Regional Meetings and on the committee to celebrate the 25th anniversary of Phi Alumnae Chapter. She is known for her hospitality as she welcomes any sister visiting the Indianapolis area into her home for a good Italian dinner and an over-night visit. On the national level, Adele's outstanding contributions to the fraternity include; during her term as Grand Vice-President she launched the Stray Lamb Program - through it communication was renewed with LKS women who have not associated with a chapter and have not heard from LKS for many years, she wrote and introduced the "A-Lamb-Nae News," and composed the ceremony for installation of an alumnae chapter; during her tenure as Grand President the first 50 Year Membership Certificates were issued and the Dr. B. Olive Cole Graduate Educational Grant was initiated. She represented LKS at the commemorative ceremonies for the First Day of Issue of the Pharmacy Stamp in November, 1972, and she was one of two LKS official representatives to the 1973 national Professional Panhellenic Ass'n Convention.

Adele has attended every convention since 1940, except two; and she has served in the capacities of Convention Chairman for

the 1950 national convention and on the coordinating committee for the 1968 national convention.

Adele was recently chosen as the subject for a local newspaper article on Women in Pharmacy which was responsible for stimulating a great deal of interest among young women to consider pharmacy as a profession for women.

Adele is also a member of the Women's Organization of the National Ass'n. of Retail Druggists and the Broad-Ripple Business & Professional Women's Organization in which she served in the capacity of President.

She is included in the book "Indiana Lives" which commemorates the 150th Anniversary of the State of Indiana. She was selected to appear in the 3rd edition of "Who's Who of American Women" and continues to be listed. Adele is currently retired, not by choice, but by the demand of her doctor. However, she still remains very active and devoted to the sorority.

DENISE DUCHARME, Eastern Regional Supervisor of Province I, graduated from Massachusetts College of Pharmacy in 1974. Denise was initiated into Lambda Kappa Sigma in 1970 by Alpha Collegiate Chapter. As a collegiate member she held the office of Treasurer, 1971 to 1973, and President, 1973 to 1974, during which time Alpha hosted the Eastern Regional in 1973.

Presently Denise is practicing as a community pharmacist in the family store in Dracut and enjoying it. She belongs to Massachusetts College of Pharmacy Alumni Association, Boston Druggist Association, and also the Massachusetts State Pharmaceutical Association. She usually represents the family store at the Lowell Pharmaceutical Association meetings.

In cooperation with the Dracut School system last year, Denise gave a series of talks to kindergarten, first and second graders in all the schools in town to acquaint them with a pharmacist, what they do and to discuss the danger of improper use of medicine. Last year she also assisted the collegiate chapter at Massachusetts College of Pharmacy in a question and answer period for the Senior Citizens in Dracut concerning their medication and any questions that they might have about it.

Denise tries to keep in contact with the collegiates as much as possible and served as the liaison between the collegiates and alumnae last year. In her "spare time", Denise plays in a rock band.

PATRICIA ANN CLANCY KIENLE, Eastern Regional Supervisor of Province II, graduated from Philadelphia College of Pharmacy and Science in 1975. In March of 1971, Patti was initiated into Eta Collegiate Chapter. While a collegiate she held several offices in her chapter; Historian, 1971-1972; Treasurer, 1972-1973; Pledgemistress, 1974-1974; President, 1974-1975. Patti received the Cora Graven Educational Grant in 1972-73. She was also very active in other organizations at college. Patti represented Lambda Kappa Sigma in 1973 at the IPSF Congress in Paris and served as US Liaison Secretary from 1973-1975. She was named to Who's Who Among Students of American Universities and Colleges.

At the present, Patti is employed at Mercy Hospital, Wilkes Barre, Pennsylvania, as Pharmacy Manager. She belongs to APhA, ASHP, Pennsylvania Pharmaceutical Association, New Jersey Pharmaceutical Association, Northeastern Pennsylvania Society of Hospital Pharmacists, and Lackawanna County Pharmaceutical Society (Continuing Education Chairman). She is registered in both Pennsylvania and New

Jersey. She is on the Board of Directors of the Northeastern Pennsylvania Chapter of the Juvenile Diabetes Foundation.

Presently, Patti is serving as Secretary of Eta Alumnae Chapter. She has attended three regional meetings, 1971 thru 1975 and three Biennial Conventions, 1972 thru 1976. In 1976 she served on the Professional Brochure Committee for Lambda Kappa Sigma.

Midwestern Regional Supervisor, **JUDITH GEROMETTA PAUL** is a 1968 graduate of Wayne State University, Detroit, Michigan. It was there that she was initiated into Omicron Chapter and held offices of Vice-President and President. She was also a representative on the Wayne State University College of Pharmacy Student Advisory Board.

Judy served part of her internship in community pharmacy and part at Children's Hospital of Michigan. After graduation, she was acting-Director of Pharmacy at Children's Hospital while awaiting the birth of her first child. In "temporary retirement" she practices in community pharmacies on an "on-call" basis.

In Omicron Alumnae Chapter, she has served as Vice-President, is the outgoing President, and will start her service as Treasurer for the next biennium this fall.

In the community, Judy has been active for the past six years in Girl Scouts as leader, troop consultant, and neighborhood chairman, and is currently the District Secretary for the Sustaining Membership Enrollment Drive, and Troop Organizer for the New Baltimore area.

Most of Judy's time is spent with the activities of her very active children, Cindy, age 7, Bert-5, Christopher-3, Monica-2 and Beth-10 months.

Returning to the south as Southern Regional Supervisor is **JUDY RIFFEE**. Judy was first elected to Grand Council in 1968 as Southern Regional Supervisor, but since that time her travels have taken her elsewhere in the country, and now she finds herself back in the south again.

Judy is a 1967 graduate of West Virginia University School of Pharmacy where she was Chapter President of Alpha Omicron Collegiate, a recipient of the Ethel J. Heath Scholarship Key, a recipient of the Lilly Achievement Award, and a graduate with high honors.

When she was elected to Grand Council in 1968, she and her husband Bill, a classmate in pharmacy school, were living in Virginia Beach, Virginia while Bill did his hitch in the military. Judy was the first civilian woman pharmacist ever employed by the U. S. Naval Hospital, Portsmouth, Virginia. Her primary responsibilities were in the area of out-patient dispensing at this 2000 bed hospital, and the last year of her employment there, she was the pharmacist-in-charge of the Pediatric Pharmacy.

In 1970, Judy was elected Grand Treasurer of LKS. Bill had entered Ohio State University as a graduate student in pharmacology, and they were now living in Columbus, Ohio. From 1970-1975 Judy was employed by the Ohio State University Hospitals as a clinical pharmacist. This very unique experience called for being the pharmacist-in-charge at one time or another of all of the clinical areas as well as the central areas of the pharmacy, which included a traditional dispensing area for both inpatient and outpatient dispensing, a unit dose dispensing area which prepared all individual doses of drugs administered to inpatients, a sterile products area which prepared large volumes of sterile products either for dispensing directly or for use in admixture preparation, and an I.V. admixture area which was responsible for monitoring and preparation of all admixture

I.V.'s administered in the 1600 bed hospital. As a clinical pharmacist at Ohio State, she was an extension of a most unique system of drug dispensing and administration. The entire system of drug distribution, from the original ordering of a drug to the administration of the drug to the patient, was the total responsibility of the pharmacy. All registered pharmacists were thoroughly trained in drug administration by a staff of registered nurses. All drugs were then administered from the unit dose medication carts by the trained pharmacy technicians who were under the direct supervision of the clinical pharmacist in the area. During her last two years at Ohio State, she was the pharmacist-in-charge at Dodd Hall, a 72 bed hospital specializing in Physical Medicine and Rehabilitation. Here there was very much a team approach to patient care utilizing fully the talents and expertise of the physician, pharmacist, nurse, physical therapist, occupational therapist, and social worker. During these two years also, she was a member of the faculty of the Ohio State University College of Pharmacy, as a clinical instructor.

In 1972, their son, Evan was born amidst this busy schedule, and that year Judy was elected Midwestern Regional Supervisor, which office she held until 1976. Bill finished his Ph.D. degree in 1975, and accepted a very promising position as Assistant Professor of Pharmacology at the College of Pharmacy, the University of Texas, Austin, Texas. In the fall of 1976, Judy also joined the faculty as a clinical instructor and among other things is coordinating a course in Nonlegend Drugs (or OTC's).

They are expecting their second child in January 1977, and with luck the baby will even be born on Christmas break. Bill and Judy are active Lutherans and Democrats. Judy has been listed in Who's Who In American Women each year since 1972, and is a member of the Board of Directors of the University of Texas Newcomers. Her hobbies are antiques and gardening.

VICKI BEAN, Western Regional Supervisor, was born and raised in Southern California, and attended the University of Southern California where she received her Pharmacy degree this past June. She was initiated into LKS by Lambda Collegiate in 1973. As a collegiate member she served her chapter for two years as secretary and one year as president. She attended and helped Lambda chapter hostess the 1974 Convention in California by serving as food committee chairman. While in college, she was secretary-treasurer of her class in her third year. During her fourth year, she received the Faculty Service Award.

Vicki is a member of APhA, CPhA, the USC School of Pharmacy Alumni, SAPha, and the San Gabriel Valley Pharmaceutical Association.

During her internship she has worked in both retail and hospital settings. Presently, she is a full-time staff pharmacist for both in-patient and out-patient services at Hollywood Presbyterian Medical Center.

MARGIT HARRISON, Honorary Advisor, (1958-1978), 3rd Vice President (1947-48), 4th Vice-President (1948-50), Grand President (1950-52), Member-at-large (1952-54), Western Regional Supervisor (1954-56), Grand Vice-President (1956-58), for a period spanning 30 years Margit has been serving continuously in the capacity of a Grand Council officer. She was initiated into Lambda Kappa Sigma through Mu Chapter where she held the offices of historian, secretary and president. She received her B.Sc. Degree in Phar-

[Continued on page 5]

Our convention day by day

GRAND COUNCIL DAYS

Arriving Friday evening at Parks Tower on the campus of the University of Toledo we found several Grand Council members eager to catch up on all of the non-business conversation they had been holding especially for this time. A few of us had some trouble getting into this beautiful but well locked building which was to be our home for the next week.

Nostalgia hit us as we proceeded to live in our dormitory with all of the privacy of the old days. We could run about as we wished and dress as we desired.

Saturday morning we were loaded down with our collection of boxes, brown envelopes, scores, xerox copies of everything, gum, snacks, and almost anything you could think of to take to a meeting. We started down to business promptly after receiving our beautiful little dolls which were given to us by our Grand President as a token of her appreciation. What made these dolls more precious to us was that they were "hand made" by Marilyn.

We were bogged down for the next four hours with important issues to be taken care of at this convention. Between business however there were numerous snacks, cokes, and more fattening "no no's".

The weather was simply gorgeous and so accommodating for this time of year, so promptly at noon we gathered at the front of the building and spent our lunch break outside, picnic style munching on those good old McDonald

hamburgers.

Back to work for more long hours until dinner time was on our agenda. Breaking for dinner many of our conventioners as well as our Grand Council were transported by our hostesses to Tony Packo's Hungarian Restaurant. Just the smell of the food permeating the air in that place caused our gastric juices to remind us to eat again. The cabbage rolls, sausages, sauerkraut, etc. were a delight. Not only did we receive the complete menu of "goodies", but we were additionally treated to the Dixieland style of the "Cake Walkin'" Jazz Band. Absolutely great! Just about time we're absorbed in this, we were reminded by Marilyn that we had much more business back at the dorm to take care of. Reluctantly we left the "Tiffany Splendor" but we shall remember it with fondness.

Our work session that evening lasted until 3 A.M. Sunday. Early church and more work sessions preceded a lunch snack of peanut butter, cheese, crackers, fruit and anything else which filled the shelves of Adele's and Margit's room. The advantage to a complete larder is to live close enough to the convention site that it is easy to drive and transport all of the "necessities" for a well rounded convention week.

We wish to thank all of our little hostesses one and all for the gracious hospitality you extended to us. We shall always remember it with much fondness. You're the greatest!

Adele V. Lowe

Sisters of the Eastern Regions at the Convention.

Sisters of the Midwestern Region at the Convention.

Monday, July 26

CONVENTION MONDAY, JULY 26

Following the opening breakfast, the 24th Biennial Convention was called to order by Grand President, Marilyn Haberle. The members attending the convention were led in the fraternity prayer and the Pledge of Allegiance by Denise Schrickel, Chaplain. Debbie Teitlebaum accompanied the members for the singing of the Star Spangled Banner, O' Canada, and the fraternity song.

The Memorial Service was led by Marilyn Haberle and Denise Schrickel. Those sisters honored included: Sharon Lynn Whiffen (Alpha Omicron), Charlotte Bosch Scholleck (Epsilon), Mary Fields Dumez (Epsilon-Honorary), Anita Walker Johnson (Eta), Juliette K. Boileau (Eta), Helen Brownlie (Alpha Zeta and Phoenix) and Florence Anderson Lee (Zeta).

The Roll Call of the Grand Council and Official Delegates was conducted by Frances Curran Grand Secretary. Other members present introduced themselves.

Our honored guest, Mitsue Yasumura was introduced by Cisco Kahar. Mitsue was a representative from Kobe Women's College of Pharmacy in Kobe, Japan.

Grand Council reports followed. Marilyn Haberle presented her Grand President's report, stressing the meetings attended to fulfill our professional goals. Mary Wills, Grand Vice-President, spoke of the professional services offered by alumnae chapters during the biennium and the potentials and goals of our fraternity. Grand Secretary Frances Curran summarized her duties and accomplishments throughout

the two-year period. The Grand Treasurer, Shirley McClosky, reviewed her detailed and comprehensive report. Pamela Ehlers, Grand Editor, stressed the importance of adhering to Blue and Gold Triangle deadlines. Chapter reports should be more frequently submitted in order to fulfill obligations. Member-at-Large Adele Lowe spoke of the alumnae-at-large program and the meetings which she attended during the past biennium. Adele spoke of the space available in the National Interfraternity Council headquarters for our archives, and of the organization of FAIR (Fraternity Alliance for Inalienable Rights). Eastern Regional Supervisor, Province I, Elsie Galgani, spoke of her office. Although Eastern Regional Supervisor, Province II, Marian Ricardo, was unable to be present, she sent her report to the convention. Marian reviewed her duties during the biennium. Toni Farrell, Western Regional Supervisor, reviewed the work of her office. The Southern Regional Supervisor, reviewed the work of her office. The Southern Regional Supervisor, Mary Gear, gave her reports of the past two years. Several improvements were suggested.

Frances Curran explained the selection of Miss Personality.

The members then recessed for a delicious lunch, followed by the distribution of several door prizes.

The convention business resumed after the lunch break. Tellers were selected for the Convention. They were: Denise Ducharme, Cindy Little and Char Schlueter.

Judith Riffie, MidWestern Regional Supervisor, presented the

[Continued on page 4]

Sisters of the Southern Region at the Convention.

Sisters of the Western Region at the Convention.

Julia Pishalski, a Past Grand President, presents incumbent Grand President, Marilyn Haberle, with the Grand President's Gavel to serve her second term.

Barbara Cianfa, Beta Chapter, being crowned Miss Personality by retiring Penny Holl, Eta Chapter.

Convention

[Continued from page 3]

work of her office throughout the past biennium.

Collegiate Chapter reports were read by delegates from: Alpha, Beta, Chi, Eta, Lambda, Nu, Omicron, Pi, Tau, Upsilon, Alpha Alpha, Alpha Epsilon, Alpha Bamma, Alpha Kappa, Alpha Lambda, Alpha Mu, Alpha Nu, Alpha Xi, and Alpha Zeta Chapters.

Mary Wills then presented the first of many "Bicentennial Minutes" concerning the American fraternity system and its 200th birthday.

Alumnae reports were read by delegates from: Alpha, Chi, Eta, Omicron, Phi, Tau, Alpha Gamma, Alpha Xi and Alpha Zeta alumnae chapters.

The Committee Reports were reviewed and presented, some in recommendation form. Some reports were deferred to a later time.

The Nominations Committee was completed with the election of Barbara Cianfa from the Eastern Region, joining Chairperson Judy Riffie, MidWestern Region (Grand President's Selection) and Margit Harrison, Western Region (Grand Council's selection).

A discussion of Title IX followed. Five of our chapters have been challenged by their campus administration concerning the continuance of a single-sex professional fraternity. A recent "Federal Register" entry apparently indicated that though no court cases may be entered during this federal legislative session, there is the possibility of governmental interference with single-sex professional fraternity activities. Discussion followed concerning paths that we may take to remain active and strong.

A buffet dinner was served in the evening. After this we moved to another area to participate in a "Forum on Women." The opening discussion was led by Avis Ericson, with other comments by Margit Harrison, Gloria Doughty, Cheryl Whiting and co-ordinator Mary Grear. Members then arranged themselves into small discussion groups. After we discussed the pertinent topics, the group leaders summarized the individual talks.

The evening ended back at the dorm, with many of the sisters sharing each other's ideas.

Eta Alumnae

NOTICE TO CONTRIBUTORS

All manuscripts [chapter reports, articles, notices, announcements, other material] submitted to the Editor should be ready for publication, typewritten, double spaced on good quality paper 8½ x 11" and 1" margins. All pages should be numbered consecutively. Each manuscript should be identified with the author's name and chapter. Photographs may be color or black and white whichever are lighter and clearer. They should be protected from bending and possible damage in the mails; do not roll photographs. Do not write on the back of photographs; identify individuals in the photographs on a separate sheet of paper.

Tuesday of our convention week was sponsored by the sisters of Omicron chapter. It began early with a delicious breakfast in the Student Union Cafeteria. At nine o'clock we boarded the buses for the ride to Dearborn, Michigan. The collegiates and the alums rode on separate buses so that we could put our travel time to good use by discussing some of our common problems. On the collegiate bus Shirley McCloskey spent some time discussing problems with the treasury such as the ordering of jewelry and how to handle mistakes with our jewelry orders.

We arrived at Greenfield Village about 10:30. After entering the village we were left on our own to explore the many shops and historic buildings, such as Henry Ford's birthplace, his first workshop, the homes of the Wright Brothers and Thomas Edison. Many of us enjoyed riding the big carousel and stopping at the old-fashioned ice cream parlor for refreshments. We also found that the ride on the Suannee Riverboat around the island gave us a chance to sit and relax a bit.

The afternoon went quickly and at 5 o'clock we boarded the buses for the trip back to the college. On the way back we stopped in Detroit at the Sweden House. Here we enjoyed a delicious buffet dinner and afterwards there were more drawings for door prizes. We boarded the buses again and arrived back at Parks Towers about nine o'clock.

We had the evening to ourselves and many of us took this time to go to the hospitality suite to browse through some of the scrapbooks that were on display.

I think everyone really enjoyed the day and I'd like to thank the sisters from Omicron for doing a wonderful job!

Penelope Holl
Eta Chapter

At 8:30 Wednesday morning, everyone met for a Continental Breakfast in the Ingman Room. At approximately 9:00 A.M. the meeting was called to order, and the convention chaplain led the fraternity prayer after which Debbie Teitlebaum led the convention in the singing of the Star Spangled Banner.

Greetings were read by Frances Curran from two past presidents and from Marion Ricardo, Eastern Region Supervisor Province II. Ms. Ricardo was cited by Mrs. Curran for her hard work on the Grand Council scrapbook. Margit Harrison, Chairman of the Cora E. Craven Grant Committee, announced the number of applicants and recipients for the past biennium. The Dr B Olive Cole Grant Committee chairman, Frances Curran, gave the committee report and stated the need for more applicants in the future.

Adele Lowe then reported on the LKS Educational Trust, and explained the benefits of a third exemption which would be for the recipient. The Trust now totals \$1,030.40. Envelopes for future donations were distributed for

convention members to take back to their chapters.

Grand Treasurer Shirley McCloskey and Finance Committee member Mary Grear gave their reports including a report of the financial accounts for 7/1/74 to 7/18/76, a report of assets: LKS General Fund, Blue and Gold Triangle Endowment Fund, Convention Delegate Fund Report, contributions to Project Hope 1974-76 which amounted to \$2,771.80. Also given was a proposed budget for the 1976-78 biennium.

Revenue sharing was explained by Shirley McCloskey, and she gave many ideas on how the money might be utilized. Predetermined amounts would be sent to each regional supervisor and could be used in any number of ways. Those proposed include chapter and regional workshops, expenses for chapter visitations, and regional meetings during the biennium.

The nominating committee then presented the proposed slate of officers as well as their qualifications. Nominations from the floor and the voting would take place at Thursday's business meeting.

The report on the proposed amendments to the Constitution by the Rules & Constitution Committee was read. Amendments that were discussed on the floor were: LKS Educational Trust Fund. It was proposed that the word "fund" be struck from the Constitution. Also discussed at great length was compliance with Title IX. It was proposed by Grand Council that the proposed amendment as mailed be defeated. Alternatives to the amendment were presented by Grand President Marilyn Haberle. It was noted that Lambda Kappa Sigma would be the only Pharmacy Fraternity on many campuses "to stand up for our rights" and not give up our identity as a women's professional fraternity.

A buffet luncheon was held at 1:00 P.M. honoring guest speaker Mary Elin Frohmader, Professional Panhellenic Association National President. Ms. Frohmader gave a very humorous and meaningful lecture entitled "Don't Make the Beds, There's Work to be Done."

That afternoon, following the PPA Luncheon, buses departed for Toledo Museum of Art where convention members enjoyed the world famous "Glass Collection" and the Bicentennial "Heritage and Horizons" Exhibit.

Following a few hours of welcome free time, an indoor "picnic" supper was served in the Student Union cafeteria.

Collegiate and alumnae conferences were held that evening. Alumnae discussed ways of contacting stray lambs, and the Blue & Gold Triangle format. Both conferences consisted of many questions asked by Grand Council members about chapter operations. Collegiates mainly discussed money making projects, Title IX, and many situations that arise within a chapter during a biennium. It was an informative session which concluded a very busy day.

Susan E. Hatch
Alpha Alpha Chapter

The final business session of the 24th Biennial Convention was called to order by the Grand President, Marilyn Haberle. The convention body was led in the Lambda Kappa Sigma Prayer by the Chaplain Rosalind Manders.

As a switch from the usual, Gloria Doughty, Alpha Nue, taught us the tune and words to a round she had composed for the Southern Regional Meeting in 1975. It served as a great boost to get us all moving for the business ahead. The words are: "Let's sing a song for LKS, Hygeia daughters we, Gold Triangle and banner blue, We honor Pharmacy."

Grand Secretary Frances Curran proceeded with the roll call of Grand Council and Chapter Delegates.

The Miss Personality parade of collegiates and vote took place immediately following. The new Miss Personality will be announced at the Final Banquet that evening. Mary Wills, Grand Vice President, conducted a Bicentennial Minute concerning the first Professional Sorority. After this Frances Curran gave Grand Council recommendations for Constitutional changes. The Educational Trust was voted in, but the proposal for co-ed membership (Title IX debate; was rejected by a sweeping majority vote.

Elections for the next biennium Grand Council Officers were held. The slate prepared by the Nominating Committee was reread and nominations from the floor took place immediately preceding the elections for each office.

New Grand Council Officers for 1976-1978: Grand President, Marilyn Haberle (Alpha Zeta); Grand Vice President, Shirley McCloskey (Alpha Xi); Grand Secretary, Avis Erickson (Alpha Iota/Alpha Nu); Grand Treasurer, Mary Grear (Alpha Zeta); Grand Editor, Pam Ehlers (Alpha Zeta); Member-at-Large, Adele Lowe (Phi); Eastern Regional Supervisor, Province I, Denise Ducharme (Alpha); Eastern Regional Supervisor, Province II, Patricia Kienle (Eta); Midwestern Regional Supervisor, Judy Paul (Omicron); Western Regional Supervisor, Vicki Bean (Lambda); Southern Regional Supervisor, Judith Riffie (Alpha Omicron).

After the elections, the Grand President requested a standing ovation for Frances Curran for the ten years of dedication as Grand Secretary.

It was voted and accepted that the six annual Cora E. Craven Grants be increased from \$200 to \$250, that the Dr. B. Oliver Cole Grant be increased to \$300, and that \$5000 be contributed to the Educational Trust from the General Fund. It was also accepted that we donated \$500 to Project HOPE from the fraternity treasury and that Project HOPE be continued as the fraternity philanthropic project for the 1976-78 biennium.

When the issue of Revenue Sharing came up there was some debate that took place on whether the matter should be studied further; however, it was voted the Revenue Sharing go into effect for the coming biennium with \$7400 for this purpose.

Gloria Doughty, Alpha Nu, presented a resolution that resolved that a letter be drafted to Chief Justice Warren Burger, appropriately identifying the inaccuracy and inappropriateness of his public statement. At 9:50 A.M., the meeting was recessed for brunch.

The first matter taken up when the session was resumed was reports from the Alumnae and Collegiate Conferences presented by Ruth Brown (Eta Alumnae) and Judy Riffie (Alpha Omicron Alumnae), respectively.

Next, the convention body divided into four sections for the Regional Conferences. The bids for the Regional Conventions next year were won by: Eastern Region, Pittsburgh, Pa., Tau Chapters; Midwestern Regional, Detroit, Mich., Omicron Chapters; Western Regional, Eugene, Oregon, cosponsored by Chi, Alpha Lambda, Upsilon; Southern Regional, St. Louis, Mo., Alpha Zeta Chapters.

The bid for the 25th Biennial Convention went to Beta Chapter in Albany, New York, in 1978.

The Memorial Resolutions and Courtesy Resolutions were read by Mary Wills, Chairman of the Resolutions Committee. The somewhat revised Founder's Day Ceremony was presented so that members could take the message back to their chapters concerning the change. The major change was in the use of small flags or pennants in place of the many candles representing chapters. At

Grand Council
[Continued from page 2]

macy from Washington State College in 1940. Her contributions to the fraternity include: Chairman of Scholarship Committee (1958-60), chairman of the committee for writing Cora E. Craven Educational Grant requirements and proceedings and she continues to chair this committee since its inception in 1961, chairman of the committee for writing the memorial service. She has also attended every national convention, except two, since 1948.

Margit is President of Marcha Lab. Inc. which manufactures a protective hand cream. She is a member of American Society of Hospital Pharmacists, and is presently employed as Director of Pharmacy Service at Kennewick General Hospital in Washington. She is listed in "Who's Who of American Women."

JULIA [JERRY] PISHALSKI, Honorary Advisor, was initiated into Omicron Chapter in 1934 and received her Bachelor of Science degree in 1937. A year later, she attended her first national convention which happened to be the 25th Anniversary of Lambda Kappa Sigma held in Boston. So impressed was she, that Lambda Kappa Sigma remained an important part of her life—which led to 40 years of service not only on the local level but the national level as well. She served as Midwestern Regional Supervisor, Vice-President, Member-at-Large, trustee of the Blue and Gold Triangle Endowment Fund, Grand Secretary for 8 years and Grand President for 6 years. During her third term as Grand President, she wrote the GOLDEN HISTORY BOOK OF LAMBDA KAPPA SIGMA to help commemorate the Fraternity's 50th Anniversary. Presently, she is serving as an Honorary Advisor. In the interim she was national chairman of the 1940 convention and co-ordinator of the 1960 convention. She takes pride in having attended all of the conventions since 1938 and hopes to attend more to come.

While in college her activities included: Student Council, Women's Athletic Association and membership in the Mortar Board. After graduation she continued interest in the Pharmacy Alumni Association as well as the Wayne State University Alumni Association, in which organizations she held many offices. She is a member of the Women of Wayne and has served on many Seminar Committees and Recruitment Committees. She holds a life membership in the American Pharmaceutical Association and keeps her education updated by attending many Continuing Education classes.

In addition to Lambda Kappa Sigma activities, Julia has been very active in the Professional Panhellenic Association. She founded the Detroit Area group and has served as its secretary and its president. On the national level, she served as vice-president from 1961-1967 and was elected national president from 1967 to 1969. This was the first time that a member of Lambda Kappa Sigma had the honor to serve in this capacity. She is currently serving as National Honorary Advisor for this association.

In 1959, she was selected to appear in the 1st edition of "Who's Who of American Women" and continues to be listed.

She continues to be professionally active by working in a large department store pharmacy department in suburban Detroit. Julia's hobby is collecting mortars and pestles—at last count—she has 137 of them!

PAT TANAC, Honorary Advisor, Seattle, Washington, graduated from the University of Washington School of Pharmacy in 1945. She was initiated into Chi

Collegiate Chapter and is a charter member of Chi Alumnae Chapter serving as an active member in many capacities including the offices of Secretary and President.

Pat served on the Grand Council as Western Regional Supervisor 1956-58, Grand Secretary 1958-1966, and Grand President 1966-1970. Communication, the key to activity was her motto during her presidency. The beginnings of a visitation program were instituted with Pat traveling a great deal, and co-ordinating visitations with national obligations, in an attempt to evaluate personally, monies involved, time and need. Visitations have since become a regular part of the duties of the Regional Supervisors.

Our "traveling Grand Officer" installed Alpha Xi Collegiate Chapter with the aid of Ann Riveness, Chi Alum in 1959, was present at the installation of Alpha Lambda Alumnae Chapter 1963, re-activated Theta Chapter in 1964, installed Alpha Xi Alumnae Chapter in 1970, and assisted Rosemary Fox, then Western Regional Supervisor in re-activating Upsilon Chapter in 1970.

A special moment during her term as President came when Dr. Arthur Osol, President of the Philadelphia College of Pharmacy and Science presented Pat with a bronze medal commemorating the Sesquicentennial Year of P.C.P.& S.

Pat has served on the Constitution and Revision, and Award of Merit Committees, and is presently an Honorary Advisor.

Chi Collegiate looks to Pat for guidance as Co-advisor to the Chapter.

Other activities are membership in the Washington State Pharmaceutical Association, Washington State Pharmaceutical Auxiliary, and working part time in various pharmacies in the Seattle area.

Convention

[Continued from page 4]

1:05 P.M., the 24th Biennial Convention of Lambda Kappa Sigma was adjourned.

At 6:00 P.M.* Convention photos were taken. Following was the Final Banquet, where Grand Office Inductions took place. Barbara Cianfa of Beta Chapter was crowned as Miss Personality. The efficiency Cup was awarded to Nu Chapter. First Honorable Mention went to Alpha Zeta Collegiate Chapter and Second Honorable Mention went to Alpha Collegiate Chapter. The Efficiency Gavel was awarded to Alpha Zeta Alumnae Chapter. The Golden Anniversary Certificate for 50 years of service to Lambda Kappa Sigma was awarded to Xi Chapter. Silver Anniversary Certificates for 25 years of service to Lambda Kappa Sigma were awarded to Alpha Epsilon, Alpha Zeta, Epsilon Alumnae and Tau Alumnae (1977).

The hardest and final event of the Convention was the Good-Byes.

Sue Corkum
Alpha Chapter

LAMBDA KAPPA SIGMA:

Thank you for your generous gift. The loyal financial support of Lambda Kappa Sigma, your prayers and your faith in our work are deeply appreciated.

Project HOPE is now entering its eighteenth year of service. What started as a single hospital ship has evolved into a vast array of programs now serving the needs of eleven countries plus the southwest portion of the United States. Your help has been an important ingredient of our growth.

For those you have helped and for those who will benefit from programs your funds supported, we thank you.

Sincerely,
William B. Walsh, M.D.
Project HOPE

The Efficiency Cup is presented to Alpha Nu Chapter by Pam Ehlers, Grand Editor.

Adele Lowe, Member-At-Large, presents the Efficiency Gavel to Alpha Zeta Alumnae Chapter. Accepting for Alpha Zeta is Cheryl Whiting, Chapter President.

WATCH HERE FOR NEWS ABOUT YOUR LAMBDA KAPPA SIGMA EDUCATIONAL TRUST!

LAMBDA KAPPA SIGMA EDUCATIONAL TRUST is a year old now and has shown an amazing record of achievement in this time. Before its beginning, so to speak, much work was put into it through research for answers to these questions, "How do we start such a helpful and necessary project? Do we need legal help? What about the IRS? and many others. Through months of struggle, trips to offices, meeting the right people, getting our legal advice and work done, things began to fall in place.

SO IMPORTANT IS OUR TRIPLE EXEMPTION for this EDUCATIONAL FUND.

1. Exemption from Federal Income Tax under Section 501 (c) (3).

2. Exemption to our donors or contributors since any charitable contribution is deductible.

3. Exemption for those who are the recipients of our awards.

LAMBDA KAPPA SIGMA, INTERNATIONAL PROFESSIONAL FRATERNITY FOR WOMEN IN PHARMACY is in keeping

with the changes that have come about in the university and college curriculum in today's world. And the incorporation of the **LAMBDA KAPPA SIGMA EDUCATIONAL TRUST** follows another modern trend; the establishment of Foundations and Trusts by many similar organizations. Not only does a Trust lend a prestige to the activities of a group but it also serves as a means whereby each group can assist its own members. Success depends upon the continuing support of all chapters and individual members.

LAMBDA KAPPA SIGMA EDUCATIONAL TRUST BENEFACTORS

Certainly a Golden Benefactor acknowledgement should go to one of our Founders, **MARY C. LIVINGSTON**, for her generous gift and our first \$1,000 to this Fund. In her letter accompanying the check she said, "I believe we should help women pharmacy students, particularly to become pharmacists. I would like members of the sorority to know that one of the "Founders" still be-

lieves in the goals of Lambda Kapp Sigma."

October 6, 1975, Mr. and Mrs. Robert Campbell (first contribution to the Fund)

April 27, 1976, Mrs. Wm. Pishalski (in memory of Omicron member Helen Wirpsza's mother).

May 10, 1976, Mrs. Urban S. Livingston, contribution of \$1000

July 6, 1976, Omicron Alumnae Chapter (in memory of Helen Wirpsza's mother).

July 26, 1976, Mrs. Cisco Kihara (contribution at the 1976 convention)

August 1976, Lambda Kappa Sigma Fraternity, \$5000 (voted at the 1976 convention)

To you dear sisters of Lambda Kappa Sigma Fraternity we wish to express our deepest appreciation for the \$5000 Thanksgiving donation for a successful Biennium, given by you at our 1976 Biennial convention in Toledo, Ohio. We shall use this gift wisely to make possible greater achievements in the field of pharmacy by our members. We thank you.

DEADLINES

- October 14 —Founder's Day. All Chapters send letters to the living charter members. All Chapters perform the Founder's Day Ceremony. This is a secret meeting and only members may attend.
- November 15 —Closing date for applications for the Cora E. Craven Educational Grant.
- November 15 —Closing date for applications for the Dr. B. Olive Cole Graduate Educational Grant.
- November 22 —Deadline for material for the **BLUE AND GOLD TRIANGLE**.
- January 1 —Announcement of the recipient of the Cora E. Craven Grants.
- January 15 —Announcement of the recipient of the Dr. B. Olive Cole Grant.
- February 15 —Deadline for material for the **BLUE AND GOLD TRIANGLE**.
- March 1 —All financial obligations to the Grand Treasurer are due (dues, **TRIANGLE** assessment, Convention Delegate Fee). Life Subscriptions to the **TRIANGLE** and contributions to Project HOPE may also be sent in.
- March 15 —Hygeia Day. Plan a professional program and invite the public.
- June 1 —Deadline for Annual Report-History, officers' roster and pink cards for graduates to the Grand Secretary.
- Deadline for Annual Report-History and officers' roster to the Regional Supervisors (collegiate or Grand Vice Grand President (alumnae)).
- All financial obligations should have been taken of by this time (dues, **TRIANGLE** assessment, Project HOPE); all pledge and initiation fees, blue cards and jewelry orders should be sent to the Grand Treasurer so that her books can be audited.
- All chapters should have completed income tax returns for the IRS.

Conferences**ALUMNAE CONFERENCE**

The Alumnae Conference was conducted by Grand President Mary Wills and was opened with a review of the function and purposes of the **BLUE AND GOLD TRIANGLE**. The Triangle is the center for articles of professional interest, information about chapter activities, news of alumnae and stray lambs as well as convention information. In the same light the format of the Triangle was discussed and there was a recommendation to decrease the number of issues per biennium thereby making each issue larger and possibly returning to the original booklet type. Also realignment of Triangle deadlines was also recommended. We were reminded by Grand Editor Pam Ehlers to inform her office of all address changes as soon as possible.

The next item of discussion was providing more items of interest for alumnae at conventions. Several methods were proposed including utilization of manufacturers and/or detail sales representatives and utilizing our own members' experience. By contacting various State Boards of Pharmacy continuing education credits could be made available.

A problem area for almost all the chapters was generating enthusiasm in the alumnae organization. Possible solutions included providing a variety of meeting topics, especially the continuing education type; moving the meeting site around the local area could be helpful.

A recommendation was made that a procedure to defray convention expenses be formulated by Grand Council.

The final topic was the mechanism by which a metro-type alumnae group could be formed. If anyone is interested in establishing such a group the Grand Vice President should be contacted for the necessary guidance.

Mary Wills then asked for volunteers to serve on various committees for the next biennium. The conference was then adjourned.

Respectfully submitted,
Ruth Brown,
Eta Alumnae Chapter

COLLEGIATE CONFERENCE

The collegiate group met on Wednesday evening and, for ease of discussion, broke into three "mini-discussion" groups directed by Toni Farrell, Judy Riffie and Mary Gear. The Grand Secre-

tary, Grand Treasurer and Grand Editor rotated among the groups for the purpose of stimulating discussion toward their particular areas and answering questions from collegiates.

Correct procedure, explanations and questions were entertained on a wide range of subjects: life subscriptions, record cards, annual report-history; associate membership, patrons, honorary membership; revision of chapter bylaws, use of the "model" bylaws; inactive membership, attendance at meetings, pledging. Reference was often made to the Manual for Chapter Operations for details on all these matters. It was stressed that incoming officers should become familiar with the Manual in order to be aware of the duties of various officers and deadlines for dues, Triangle, etc.

Discussion in the area of the Grand Secretary's office stressed that she must be kept current with changes in status of members and especially officers of the chapter. She should be notified early in the year of supplies needed - Manuals, Ritual books, Pledge Handbooks, record cards for new members, and the various reporting forms. She indicated that chapter files should be kept up-to-date and only the most recent forms, Manual, etc. be used. Revision of chapter bylaws should be filed with the Grand Secretary and the Regional Supervisor.

The Grand Treasurer emphasized that a chapter is not responsible for paying the national dues of an inactive member who is not paying dues to the chapter; however, she should be informed of the inactive status of chapter members for her records. Defective jewelry items from Balfour should be returned directly to Balfour with an enclosed explanation of the problem as well as clear identification of the sender; the Grand Treasurer should be notified of the chapter's action. Jewelry returned to the chapter from a member who has resigned is sent to the Grand Secretary along with her membership certificate; the Grand Treasurer eventually receives the jewelry and can offer it for resale at a 25 percent discount; the treasury does not buy back jewelry.

The Grand Editor explained the importance of sending the Grand Editor Chapter Reports for each issue of the Blue and Gold Triangle. Pictures, color or black and white, are welcome additions to the chapter report. One issue of

[Continued on page 8]

It's the birthday of America's fraternities, too

The year 1976 is the bicentennial not only of our country but of the American Fraternity, and this fact will be celebrated by men and women of both general and professional fraternities December 1 and 2 at Williamsburg, Virginia.

The gala events of the Greek Letter Bicentennial are the result of joint planning by the four Conferences represented in the Interfraternity Research and Advisory Council: National Interfraternity Research and Advisory Council; National Interfraternity Conference, National Panhellenic Conference, Professional Interfraternity Conference and Professional Panhellenic Association. Members of all other college Greek Letter societies also are being invited to participate.

Fraternity leaders and members from across the nation will gather for meetings of individual Conferences and Associations on Wednesday, December 1, and for a joint "Interfraternity Day" on Thursday at the Williamsburg Lodge.

This colonial town was chosen for the observance because Phi Beta Kappa, the forerunner of all college Greek Letter groups in America, was founded there December 5, 1776, just scant months after the signing of the Declaration of Independence.

Members of Phi Beta Kappa will stage their own separate celebration that weekend in addition to the joint activities earlier in the week. The weekend will encompass the actual date of the founding of Phi Beta Kappa as a social and literary society at the College of William and Mary. During a flurry of anti-fraternity agitation in 1831, the fraternity changed to an honor society.

Meantime other student groups were formed for social and literary purposes and many developed into the strong national organizations we know today. The first of these was Kappa Alpha Society, founded in 1825 at Union College where Phi Beta Kappa had established its fifth chapter in 1817. Two years later Sigma Phi and Delta Phi were founded there, and the pattern for the American fraternity was firmly set.

By 1850 there were 16 fraternities, each with one or more chapters on other campuses.

In the early part of the 19th century, women as college students were very rare, but Georgia Female College (later Wesleyan College), founded in 1836 in Macon, Georgia, granted the first degrees to women. It was here that the first women's fraternities were founded: Alpha Delta Pi in May, 1851, and Phi Mu in January, 1852. By the end of the century there were 18 national sororities with satellite chapters in various colleges and universities.

Today the college fraternity world has an estimated five million living members.

In the four Conferences represented in IRAC alone, fraternity and sorority chapters number approximately 9500. Their influence in the college communities where they are located across the nation is well recognized as they teach leadership and development of the total individual, emphasize scholastic achievement, encourage social awareness, participate in service projects, and promote the democratic process as their members work together toward common goals and ideals.

The Greek Letter Bicentennial Celebration will begin with separate meetings of the four Conferences. Perhaps the largest gathering will be that of the National Interfraternity Conference which will conduct its annual meeting December 1, bringing together representatives of 47 national fraternities with a total living membership of more than two million.

National Panhellenic Conference has scheduled an open meeting of its College Panhellenics Committee which will be of interest to all members of the 26 NPC national college sororities, which count approximately 1.5 million living members.

Professional Interfraternity Conference, with 25 professional fraternities, and the Professional Panhellenic Association, with 14 professional sororities, will meet in both separate and joint sessions that same day.

The theme, "A Look at Our Past, With an Eye to Our Future," will be expanded upon "Interfraternity Day" Thursday. The fascinating history of fraternity, concluded by a tour of Raleigh Tavern, the location of the Phi Beta Kappa founding 200

TITLE IX causing anguish, confusion

LAMBDA KAPPA SIGMA FRATERNITY AND TITLE IX

We did not take leave of our senses nor have we become a rebellious organization. We are not sure that we are in non-compliance with Title IX because we do not understand what compliance is. We are not sure of exactly how Title IX effects us as an organization. We do know that since we are a professional fraternity we are not exempt from the jurisdiction of Title IX. Snap judgements concerning this matter were not made during the convention. Grand Council had been dealing with the problem since 1974 and Lambda Kappa

years ago, will occupy the morning. At noon, fraternity leaders will take a look at today in the fraternity world. The afternoon will be devoted to a panel discussion of the future of fraternities, and a report from the Commission on the American College Fraternity: The Fraternity in the Year 2000.

A formal, black-tie reception and banquet will be held that evening. President Gerald R. Ford, Delta Kappa Epsilon, has been invited as the speaker and the date is on his calendar. An awards program will recognize fraternity and sorority members who have distinguished themselves in a variety of fields nationwide.

Members of all general or professional fraternities or sororities, honor or recognition societies are expected to attend. Members of Lambda Kappa Sigma who would like to attend may obtain more program details and reservations information through our headquarters office.

Collegiate

[Continued from page 7]

the Triangle features Heath Key winners and it is important that the Editor receive from the recipients a picture and a brief write-up of each girl. Special articles are also needed.

Explanation of the Award of Merit, as the highest professional award made to an LKS member, pointed out that the award is for "highest professional achievement" and the winner is selected by a committee from nominations submitted by chapters. All chapters should submit nominees so that the fraternity can seek out and honor members who have experienced professional achievement and can recognize them internationally.

Among suggestions for professional programs were some that have been used successfully by chapters: acupuncture, cardiopulmonary resuscitation training programs, epilepsy awareness, breast cancer and self-examination, hypertension screening.

Problems involved when chapters are challenged by college administrations for compliance with Title IX of the 1972 Educational Act as amended were discussed. It was emphasized that chapters were not to enter into discussions with their college administrations when challenged but to immediately contact the Grand President and the Regional Supervisor by phone or letter, giving all details.

The new concept of "revenue sharing" was considered; Regional Supervisors will be consulting with their chapters to determine how the available funds will be spent to best advantage.

Respectfully submitted,
Judith Riffee,
Alpha Omicron Alumnae
Midwestern, Regional Supervisor

Sigma did take an active part in attempting to get legislation passed that would exempt professional collegiate fraternities from the jurisdiction of the Educational Amendment Act of 1972. All efforts in this direction failed up to May, 1976.

Just as we were ready to depart for convention, we learned that the regulations for the implementation of Title IX had been suspended by the Department of Health, Education and Welfare. In a message in the Federal Register, the public was given notice of the suspension and the public was given an opportunity to comment on the language for the regulations that are to be written. David Matthews, secretary of Health Education and Welfare also announced in papers across the country that he was calling for sweeping reforms to give the public a greater voice in the rulemaking for the department of HEW. It was these two actions that made Grand Council hesitate as to our decision on the recommendation that would be made to the general assembly of the convention concerning our membership requirements. Legal opinions were sought as well as advice from the president of Professional Panhellenic Association, Mary Ellen Frohmader, who was in attendance at a portion of our meeting. We were advised against taking any action that could not be reversed should the new regulations be written in our favor. At the time of our convention, five chapters had been contacted by their university administrations asking for an explanation of our membership requirements. At this date, one of these chapters has had some of their status altered at their school because of our action at convention. At this point, we should be reminded that the decision to remain an organization for women was a unanimous one and only 3 people voted against the decision to not open our membership to men when a straw vote of all members present at the convention was taken. The strong desire to maintain our identity as a professional fraternity for women in pharmacy was very evident in Toledo. We can only hope that this same deep desire will sustain us during the next two years. The work still goes on. Each chapter was asked to write letters to Secretary Matthews. Grand Council is keeping abreast of the latest developments and we are in hopes that regulations will be written that will remove the burden of responsibility from the shoulders of sympathetic administrations who desire to keep Lambda Kappa Sigma active at their schools. We desire to continue our service and philanthropic endeavors. We desire to promote this profession of pharmacy and our high ideals of scholarship. To do these things, we do not seek government support or financial support from the schools where we are located. For these reasons we do not feel that we are jeopardizing the government loans and grants that are made to these schools. We have always complied with the regulations of the institutions where we have chapters. We will continue to do so. We can only ask that these institutions give us a reasonable explanation of why they think that Lambda Kappa Sigma is jeopardizing their position with the government before they take action against a particular chapter. As the situation now stands, we can be challenged on our membership requirements. However, we have the right to challenge back. We have the rights of our basic freedoms; freedom of speech, thought, assembly and

belief as guaranteed to us by the Constitution. We cannot be led astray by legislation that purports to protect us as women when it actually strips us of our basic rights as people. Each of us must be very protective of the right to make decisions for ourselves and to not allow legislation to be passed that makes all of our decisions for us.

A SIGH OF RELIEF

Thank goodness it's over! It was a lot of hard work, but we were pleased with the results. We learned lots of new ideas, gained enthusiasm, and had a great time meeting with sisters from all over North America. We were glad those of you who could come, did. We would like to thank the chapters and individuals who sent notes of appreciation.

There are so many people to thank for helping with the convention. They include Grand Council, who slaved for us at their pre-convention meetings putting together programs and doing other last minute details. . . Marilyn Haberele, whose correspondence and visits were very important, and Judy Riffee whose letters, tapes, and phone calls were essential. Thanks to Alpha Zeta for making the ceramic mortar and pestle favors. Omicron, who helped financially, was in charge of Tuesday, and did so many other things. A special thanks to Kathy Gaither, also thanks to Anna Guttrich (Phi Alumnae) for her contribution of zip-loc bags. Our alumnae, even though we don't have an alumnae chapter (at least not yet), were there to help. A special thanks to Elaine Czarnecki, Kitty Ellis, Angela Gills, Diane Hillard, Paula Hayes, Paula Jacobs, Patti McCann, Camille Mierzwiak, Phyllis Nidek, Sandra Reid, Judy Rogers, Karen Sheehan, Carole Smit, and Linda Wortketter. Also, Nadia Buzky, Kathy Farkas, Sandra Glasson, Carol Korczynski, Marilyn Krueger, Iretha McFarlin, Valva Miezitis, Nellie Ruebensaal, Mary Schmidt, and Carol Szkudlarek. The most important and helpful alumnae to us was MARCELL LA ROLL, our advisor, who did tons of work. Also to Alpha Iota for their financial support. And to anyone else we may have forgotten, thanks.

We certainly appreciate all the help (whether physical, moral, monetary or "goodies") from all our sisters both near and far.

Denise Schrickel
Alpha Mu

A PLEA!

Again I am pleading for all sisters to inform me when you have a change of address. During the last biennium, approximately 170 address corrections were obtained through the post office. The cost was approximately \$17.00. This biennium address correction fee has increased from 10 cents/paper to 25cents/paper. This means that last year would have cost \$42.50 for corrections. The increase doesn't guarantee that I will get a correct address. Often, I get one back with no forwarding address; still at a cost of 25 cents/paper. So please, just drop me a post card with the address change. Thanks!

Chapters please let me know the number of Triangles your chapter needs; Collegiates let me know about twice a year, in September before the first issue is mailed and following the pledging ceremony. Alumnae let me know how many dues paying members your chapter has who aren't Life Subscribers in September. Just drop me a note with chapter name and the number. Thanks!

By doing these couple of simple requests, we can keep the cost of our Blue and Gold Triangle in the BLACK. Mail this information to: Pamela Ehlers, Grand Editor, 406 Friendly Dr., Red Bud, IL 62278.

INTERFRATERNITY BICENTENNIAL CELEBRATION WILLIAMSBURG, VIRGINIA December 1-2

Send: One form to Group Reservations Manager as listed
One form to Mary Ellin Frohmader
514 LeRoy Road
Madison, Wis. 53704

Reservation forms for Celebration and PPA Day will be sent soon. Further forms and information will be sent directly to those who have made hotel reservations and in bulk to fraternity national presidents.

IMPORTANT: Space in the auditorium and for the Banquet is limited. Making early hotel and Celebration reservations will assure priority. Send hotel reservation now — Don't be disappointed!

PROGRAM

Tuesday, November 30 — Arrival

Wednesday, December 1 — PPA Day

Morning: "Our PPA Heritage"

Noon: Luncheon and Program

Afternoon: "PPA and PIC Look at the Future"

Thursday, December 2 — INTERFRATERNITY CELEBRATION

Morning: "A Look at Our Past" concluding with a walking to Raleigh Tavern, birthplace of Phi Beta Kappa

Afternoon: "An Eye to Our Future"

Report of the American College Fraternity Bicentennial Commission

Evening: Bicentennial Celebration Banquet (black tie)

President Gerald R. Ford, speaker

IRAC awards to outstanding fraternity members

Friday, December 3 — Departure (Rooms must be vacated for Phi Beta Kappa Celebration)

These are the highlights. There are many "finishing touches" to make the days memorable!
