LAMBDA KAPPA SIGMA -- INTERNATIONAL PROFESSIONAL FRATERNITY FOR WOMEN IN PHARMACY

## President's Message

Professional Panhellenic Association and Professional Interfraternity Council are working toward consolidation. The seeds of this development were sowed at the PPA convention in Milwaukee in October, 1975. With the impact of the Education Act of 1972 on the professional fraternities, it was soon apparent that the functions of PPA and PIC would become more and more overlapping. At the PPA convention, a PPA-PIC Cooperative Committee was established within PPA. There was a discussion of ways that the two organizations could work together in the future.

To continue this trend of thought, there was a joint meeting of PPA and PIC members at Williamsburg during the Fraternity Bicentennial Celebration. It was at this meeting that the possibility of consolidation was introduced, and a committee was formed consisting of 3 members each from PPA and PIC. It was decided that this committee would meet in Indianapolis in February to pursue and develop a proposal to present to PPA and PIC when they meet concurrently in convention in Indianapolis in October. The two organizations will share some joint sessions.

The committee held its first meeting in February as planned. At the time of the meeting, 80% of PIC member organizations were coed and 50% of PPA member organizations had opened their membership to both sexes. PIC had already removed all references to sex from their constitution and PPA was taking a mail vote on their membership requirements. The results of this mail vote are not known at this time. The committee discussed 3 alternatives; status quo, cooperative operation and consolidation. The committee realized that changes had to be made and quickly decided that operations could not remain the same. The two organizations have been cooperating on several projects in the past few years and have attended sessions of one another's meetings. There are many differences in the structure of the two organizations, but there are similarities. A new organization which encompassed the best assets of both organizations and allowed for the development of a better program for all professional organizations involved seemed the best answer. Assignments were made to draft a possible constitution for this new organization. A name was suggested. The committee members were to deliberate over the input of the first meeting until April when they would meet again at the end of the IRAC Annual Meeting.

Everything will be pulled together and presented to the PPA and PIC delegates for a vote when they meet in October. This event will be approached with both nostalgia and excitement. We cannot overlook the accomplishments of Professional Panhellenic Association and the affiliation of Lambda Kappa Sigma with this organization for 39 years. Lambs have served as officers for PPA, and many members have worked on various PPA committees. This association has been mutually beneficial. This is the reason for the nostalgia!

The excitement comes when we consider the association with a larger organization which enfold all professional fraternities which meet certain criteria. The new organization would have an executive secretary, a Washington monitor

would be employed and this new organization could have the potential to attract outstanding speakers and workshop leaders at conventions. The interfraternity services could possibly be extended to the collegiate level with workshops on campuses where several of the member groups have a chapter.

Lambda Kappa Sigma will vote on this matter in October. Your comments and suggestions would be appreciated. The matter was discussed in July in St. Louis at the Interim Meeting.

Your comments, negative or affirmative are needed and welcomed.

Marilyn Haberle  
Grand President

## Reason for Hope

In 1879 reports came to the United States from London that Mark Twain had died, which prompted Mr. Twain to cable the Associated Press with the now-famous, "reports of my death are greatly exaggerated."

In 1976 another great American is suffering a similar exaggeration.

The white hospital ship of Project HOPE will always be remembered. But the fact that HOPE continues to work diligently and effectively in the medical care and education field without the ship should not be overlooked.

As Dr. Bill Walsh, President and founder of HOPE, has stated, "Although the symbol of the ship remains in the minds of many, we must never lose sight of the fact that HOPE was never a ship, but always people. There were people who gave of themselves, gave of their knowledge and worked at a person-to-person level with their colleagues and students both here at home and abroad." These were the people who accounted for "an inspiring example of the desire of Americans to bring better health to people around the world," according to President Gerald R. Ford.

The concept and philosophy of sharing needed medical know-how and technology with the developing areas of the world has always been the keystone of HOPE. Not charity, not give-away programs, but an exchange of ideas and medical adaptations to suit particular needs; helping people to help themselves is the true appeal of HOPE. This is what the Foundation has been for 18 years and what it continues to be now.

In the past two years, HOPE has been able to expand its commitments to other areas of the world. One example is the creation of a cancer detection program in the impoverished areas of Northeast Brazil, where cancer prevention was unheard of previous to HOPE's arrival.

In 1972, the first year of the HOPE cytology program, just 250 "pap" smears were taken. The work of the HOPE educator and her Brazilian counterpart was simply to inform the population of the availability and importance of the service. Not as simple a task as it sounds. Building confidence and trust took patience, perseverance, and support. The Brazilians and Americans established lines of communication with the general population through radio and television, the distribution of literature, even door-to-door canvassing.

The program has turned out to be the

## Ms. Furmaniak Earns 50 Year Certificate

Cecelia W. Furmaniak, a devoted LKS sister who attended many National Conventions and is known to many of you,

was awarded a 50 Year LKS Membership Certificate and was presented with an engraved gold rose at a meeting held her honor in August.

Cecelia was graduated from the University of Illinois in 1926. She was initiated into the Gamma Chapter in 1925 where she became an enthusiastic worker serving two terms as president and later holding the office of secretary.

She was employed in Chicago at the Eugene VonHermann Professional Pharmacy for 15 years and at Billings Memorial Hospital Clinic for two years before emigrating to Phoenix, Arizona, in 1952, where she joined the local Ryan Evans Drug Stores and worked for fifteen years. At present, she classified herself as a "happy retiree," however Cecelia's enthusiasm for LKS has continued to grow, and she assisted in the organization of our new Phoenix Metro Alumnae Chapter where she presently holds the office of secretary.

Congratulations, Cecelia!

Stella Lechkun, President  
Phoenix Metro Alumnae Chapter

## Eleanor Cyr, Is Certified Graphoanalyst

Eleanor E. Cyr, Alpha Alumnae, has just received a certificate qualifying her as a Certified Graphoanalyst. This was granted to Eleanor by the International Graphoanalysis Society, based in Chicago, Illinois, after she successfully completed an 18-month extension course in the techniques of scientific handwriting analysis.

A Certified Graphoanalyst is trained to identify personality traits in people without the necessity of meeting them, using samples of their handwriting for analysis purposes.

Eleanor points out that the Grapho-analytical system if personality assessment is recognized as a valuable aid in counseling and is used by personnel, marital, vocational and child guidance counselors in many parts of the world. She advises, too, that the services of Graphoanalysts are being used more and more in business to facilitate personnel selection, credit risk evaluation and also in questioned document work.

Certification authorizes Eleanor to prepare personality assessment reports based on Graphoanalysis for individuals and business firms; lecture to civic, service and social organizations whose members may be interested in learning about the subject; and conduct introductory Basic Steps programs in Graphoanalysis for adult education groups in her community.

most comprehensive and successful cancer detection and prevention program in all of Brazil, with over 4,000 cytologies performed in 1975. Hopefully, this increases to 5,000 in 1976.

The HOPE cytology educator has completed her educational work and turned three functioning laboratories over to the Brazilian medical community. Her newest assignment is in Egypt, where HOPE works with students and instructors at the Cancer Institute in Cairo, establishing a similar cytology program for that nation.

Closer to home there is HOPE's program in El Paso, Texas. In one phase of the program, the HOPE emergency medical technologist educator is establishing an emergency medical program covering over 21,000 square miles of West Texas with over one million potential patients.

His work with the police and fire departments, hospitals, and civic groups will eventually extend the eyes, ears, and hands of the physicians in the El Paso Community to nearly any medical emergency in that six-county area.

Only two examples—but they offer a reason for HOPE's existence.

In 1879, Mr. Twain reported to the world that he was alive and well. In 1976, HOPE is also very much alive and well. But more, Project HOPE is improving health through teaching and treating. And the Project continues to represent all Americans as warm and good friends to our world neighbors.

### Educational Grant Recipients

**THERESA IRENE POIRIER**, corresponding secretary for Beta Chapter will graduate as valedictorian of her class. She plans to pursue graduate studies in Clinical Pharmacy. She displays a great deal of self-confidence and participates actively in the professional organizations in which she is involved. She has financed her education by bank loans of \$3000, loans from parents, \$900 loan from Cray Fund. This year has been rough since her apartment was destroyed by fire and she lost all her personal belongings.

**DEBRA BRANDMIER**, who will graduate in 1977 from P.C.P.S. has been and still is treasurer of Eta Chapter. Debbie's father suddenly passed away this past year. Among the hardships associated with the loss of a father there has been greater financial burden for her. She has been active in her chapter even though she works part time testing products such as tooth paste, mouthwash, acne preparations, antiperspirants, body lotions and other topical products for Ivy Research Laboratories. In the summer she works for Greco Apothecary shop.

**PRISCILLA ANN LEONARD** has been social chairman for Xi Chapter from 1975-1977. Priscilla's father passed away many years ago which created a financial hardship. She has however sought part time work while attending the University and continues to maintain good scholarship and organization activities despite the need for outside work. She is a good student and has been active in such college organizations as A.A.C.P. Council of Students, and the highly selective University Society—Mortar board. She was selected for the N.P.C. Student summer intern last summer by the Burroughs Wellcome Company in Greenville, North Carolina. A most favorable report on her work from the company was received by the college.

**MICHELE ANN ALBANO**, who is president of Tau Chapter and Hoagie sale chairman ranks first in a class of 130 students. This outstanding student is a member of the Pharmacy Scholars Group and has been listed on the Dean's List Honor Roll for all six semesters completed. She has spent many hours of thought and discussion in considering the problems of Title XI on their campus. It is much to her credit that the Roll or Tau Chapter is increasing instead of decreasing. In March 1976 she was initiated into Mortar board as an outstanding scholar and leader. She has financed her education by loans, aid from the Pennsylvania Higher Education Assistance Agency, Duquesne scholarships and work scholarship.

**KAREN ELAINE UNDERWOOD** from Alpha Epsilon is a senior graduating in March 1977 with a scholastic average of 3.2. Her excellent academic record has impressed all the faculty and her dedication to the Fraternity and college is known to the entire staff. Karen's father is also deceased so she has financed her education by work, bank loans and a few scholastic scholarships and a little assistance from her mother who is a fabric store saleslady.

**KATHERINE LOUISE LOGAN** is corresponding secretary for Alpha Xi Chapter. Quoting Dr. Riedesel, Assistant Dean, Miss Logan will be a credit to her profession. She plans to continue with the Pharm D. program. She works every hour she can spare. She has obtained scholarships, loans, and works at two jobs, A.T.A. for Pharmaceuticals Labs and as an intern in a nearby hospital. Since her parents' income is in the lower middle class scale it makes a big burden on them to assist her.

## ★ Someone Special

Lambda Kappa Sigma is privileged to honor someone special in the Fraternity. We do not know her name yet, but she is someone distinguished. Her distinction has come by "reason of academic achievement, professional advancement, community service," service in pharmacy organizations, or in commercial endeavors.

We, the Fraternity, will honor this sister at our Biennial Convention, Albany, NY, July, 1978. We will present her with a beautiful plaque declaring her the recipient of the Award of Merit.

Is she a member of or working with your chapter? Please help us find her for we are eager to honor her. Either a collegiate chapter or an alumnae chap-

ter may nominate her, but she must be an alumnae.

Did you know that it is sometimes difficult for the selection committee to make a decision because so many nominees are worthy? If you perhaps have nominated someone special in the past and she was not selected, please resubmit her name. We have seen so many worthy nominees but can award only one each biennium.

Watch your mail for nomination instructions from the Award of Merit Committee. Meanwhile, look about you and you may indeed be close to "someone special."

Thank you,

Shirley McCloskey GVP

## Lamb's Tales

Phi chapter reports being kept very busy co-sponsoring an Easter Party at a local orphanage. Legg's eggs will be painted and filled with candy. A bake sale and annual faculty luncheon also keep things at Butler hopping.

Eta Alumnae seems especially busy with their Senior-Alumnae Christmas Party, Carnival for the Juvenile Diabetes Foundation, a Dinner-Dance, helping to take blood pressures, and collecting eyeglasses for a local chapter of the Pennsylvania Association for the Blind. The chapter's annual scholarship has recently been renamed the Virginia L. Osol Educational Grant in honor of a member who has done much for the chapter.

Alpha Mu had a rough winter, snow and temperature wise, but managed to make it through with pizza parties and a wine punch "guaranteed to keep you warm."

Beta chapter is working hard on the 1978 Convention to be held in Albany, N.Y. All the initial plans which have leaked out to me thus far make me know that it will really be a super time. Beta is full of ideas and enthusiasm. It's not too early to mark your calendars and plan on being in Albany in the summer of '78.

Alpha Xi has been very busy, too, with an OTC booth at a local Health Fair, helping with the Swine Flu program, and a variety of Rush functions.

Chi had a great time visiting their sisters of Alpha Lambda Chapter in British Columbia, Canada. Besides not getting much sleep, the Chi sisters attended classes at UBC, and toured Queen's Garden Conservatory. A reciprocal visit is planned so Alpha Lambda sisters can see a bit of Seattle too. Other chapter events include co-sponsoring Pharmacy Day, helping out with continuing education programs, and working on a "Medicine for Missions" drive.

Phi chapter is putting their ideas on T-shirts these days. Sales have been good for the two styles. One says "Pharmacists do it better," and the other "He who has no scruples isn't worth a dram."

Alpha Alumnae is raising money for its Scholarship Fund by offering graphoanalysis. One of our members is trained to do this and has volunteered all proceeds of the \$3.00 fee (normally \$10.00!) to the chapter's Scholarship Fund. Two collegiates, Kathy Gath and Betty Limberopoulos were recent recipients of \$100.00 scholarships. Other upcoming events include the Annual Bingo Night with proceeds going to Project HOPE and the Charles River Association for Retarded Citizens, a night out at the Dinner Theatre to see "Oliver," and the annual LKS Banquet.

Grand Council events of note include the birth of a son to Judy Riffie and her husband and Betty Tusa added a new daughter to their household.

Omega chapter of the Medical University of South Carolina is reactivating. Congratulations and a warm welcome is in order to our new sisters.

Alpha Zeta Alums seem busy these days preparing for their annual Senior Luncheon and making plans for the upcoming Regional Meeting being held in St. Louis this fall, LKS's nomination for the PPA Career Achievement Award is Gloria Doughty of Alpha Nu chapter, University of Kentucky. Gloria is an Alumnae Initiate of Alpha Nu and serves

as chapter advisor. Her accomplishments are numerous in all areas of endeavor. Those of you who attended the Biennial Convention in Toledo or the Southern Regional Convention of 1975 will remember the special song she created and taught to us. We all want to wish Gloria the best of luck in this competition.

New officers have been reported from many of the chapters. Congratulations to these new presidents and their officers: Ann Karen Henry (Alpha Nu), Kathie Harris (Upsilon), Carolyn Rowinski (Tau), Sue Bellmore (Mu), Cathy Seaman (Alpha Mu), Pat Landers (Chi), Jean Schallom (Alpha Zeta), Mary McClellan (Alpha Xi). New initiates also have been reported: Phi-19, Eta-14, Alpha Nu-34, Alpha Gamma-28, Ulpha Xi-5, Chi-13.

What did you do for Poison Prevention Week? Alpha Nu put on a puppet show in various schools and shopping malls in the Lexington area. Chapter efforts were aided by the Bluegrass Pharmaceutical Auxiliary. Alpha chapter did a similar puppet show which was a very popular attraction at the Boston Children's Hospital clinic waiting room.

Hygeia Day was celebrated by Eta chapter with a program on "Natural Family Planning" which was very well attended. Alpha chapter shared discussions and refreshments during a "Women's Forum" program sponsored by the Alumnae chapter.

### THANKS FROM RECIPIENTS OF CORA E. CRAVEN EDUCATIONAL GRANTS

To The Educational Grant Committee:

I would like to express my thanks to Lambda Kappa Sigma for having selected me as a recipient of one of the Cora E. Craven Educational Grant. I am proud and honored to be a sister of this fraternity which has enhanced the future of women in pharmacy. On behalf of Beta Chapter I welcome you to the Convention in Albany next year.

Fraternally,  
Theresa Poirier, Beta

To The Educational Grant Committee:

I wish to take this opportunity to thank the Fraternity for the Cora E. Craven Grant. This Grant will be very helpful to me. Not only has Lambda Kappa Sigma been helpful to me personally, but also to my Chapter. The Grant Council was very helpful when Xi Chapter was having trouble with Title IX at our school. I am very pleased to have received the Cora E. Craven Grant and wish to thank national for their help to me and to my Chapter.

Fraternally,  
Priscilla Leonard, Xi

To The Educational Grant Committee:

You can't imagine how excited I was when I received the letter informing me that I had been chosen as a recipient of the Cora E. Craven Grant. I was flashing that letter around like crazy. The great thrill comes from the fact that this grant helps to alleviate some of that "Where do I get the money for school" syndrome, and I want everyone, particularly the

# News from Our Chapters

## ALPHA

Greetings from Alpha,

Congratulations to all of our 17 seniors who recently graduated, and are now registered pharmacists. A well deserved degree for all of them!

We've had a busy and exciting summer planning for the upcoming year. Everyone is certainly enthusiastic and raring to go. With the aid of Avis Ericson (Grand Council Secretary), Dee Ducharme (Eastern Regional Supervisor, Province I) and Sue Corkum (Fraternity Advisor) we are underway and headed for an active year. A cosmetic symposium will be planned under the supervision of chairman Alison Kimball. Poison Prevention Week in March is special for us. Last year we organized a puppet show and held it in the emergency ward at the Childrens' Hospital. We hope to continue this. Fund raising projects are always helpful. Our famous sub sales will be beginning soon.

This summer we've had plenty of parties and meetings. Nancy Wilson's house was the setting for a pool party on June 12th. We all went to President Carol Norton's house for a meeting. At Sue Corkum's a mini convention planning meeting was held to finalize some plans, and to discuss the convention.

Looking forward to seeing everyone at the convention.

Donna Amadeo

## ALPHA BETA

It looks like the Alpha Beta Chapter at the University of Connecticut is finally getting on its feet. After several years of little activity and few members, the chapter is now engaged in a wide variety of functions, both professional and social, with a larger membership than has been present for years.

The year of 1976-77 brought some new and interesting activities to the chapter. Dorothy Romanelli, the first female Pharmacy Commissioner in Conn., gave a lecture on women in pharmacy: an insight into what we could expect in the next few years. Sponsored by L.K.S., it was open to the entire school, and provided an informative evening for both women and men.

In cooperation with various other pharmacy organizations within the school, a newsletter, "The Script", was revived. It is published two or three times a semester, containing articles concerning the school, and is made available to alumni, faculty and students.

Two day trips were taken, one to the Health Center in Farmington, and another to Cheeseborough Ponds in Clinton; tours were given of the facilities.

One main fund raiser for the year was the sale of window stickers which said: University of Connecticut School of Pharmacy. The interest was there, but sales were not as high as expected.

Service projects included updating the alumni mailing list files, which was done at the Pharmacy Commission's office in Hartford, and planning the Faculty-Alumni Banquet, an annual event at the School of Pharmacy.

In the fall, L.K.S. sponsored a booth at the Activities Fair, an annual event put on by the University to let students know what extra-curricular activities are available. A joint rush with Kappa Psi, our brother fraternity was also held, in the hopes of gaining new pledges. A drug fair, sponsored by L.K.S. and Kappa Psi, proved to be a worthwhile adventure. Drug, OTC, and cosmetic companies attended to display their merchandise, offer advice, and answer any questions from the viewing students.

As always our chapter is on good terms with the faculty, which is well proven with our annual Wine and Cheese Party. This is one event we all look forward to, old members, new members, and faculty alike!

Yes, last year was a busy one and this year promises to be even more eventful in the lives of Alpha Beta sisters. We wish good luck and happiness to all our sisters in the coming year.

The Sisters of Alpha Beta  
University of Connecticut

## ALPHA ZETA

Alpha Zeta Chapter is full into the swing of second semester. Just before Christmas break new officers were elect-

ed and installed. Congratulations to: Jean Schallom, President; Robin Mihalevich, Vice President; Joyce Leathers, Corresponding Secretary; Mary Ostendorf, Recording Secretary; Kim Weber, Treasurer; Judy Bennett, Chaplain; Mary McCrann, Parliamentarian; and Marilyn Burton, Historian.

We have really been busy with secret candlelight ceremonies this semester. Three sisters have gotten engaged: Holly Barette, Mary McCrann, and Karen Reutter. Also, two sisters have gotten pinned, Helen Hummel and Judy Bennett. Deepest congratulations to all of you!

The scene of our smoker this year was at the Swiss Inn and although the blizzards also decided to be the same night, it was a success. Mrs. Haberle was able to brave the elements and give an excellent speech with several alums also attending. Results are pleasing because we have a pledge class of 13 girls this year, Peggy Keil, Marsha Ostendorf, Maureen McDerby, Roberta Moorhous, Judy Lemons, Karen Wilson, Nancy Harres, Cheryl Bull, Kim Wendling, Sue Colson, Barb Bellott, Kathleen Fasig, and Starlin Haydon. Congratulations to them and we're certain that these girls will be a great asset to the chapter.

Two new projects have been added to our money making list. First, Alpha Zeta is selling bumper stickers with the slogan, "Pharmacy, a life saving profession." Our second new project (idea coming from National Convention) is Hoagie sales. There was an astounding response to the delicious sandwiches, so we're planning more sales in the immediate future. Of course, Lambda Kappa Sigma still sells bagels with cream cheese in the halls of St. Louis College of Pharmacy, thus maintaining an almost "tradition."

The sisters of LKS are also keeping active in the intramural sports at our college. Our team took the championship in women's volleyball and our bowling team is fighting to reach the top. Good luck, girls, and keep up the good work!

In February when the Valentine spirit is in the air, the sisters "adopted" friends from a nearby nursing home and enjoyed sending them cards to make their days brighter. Our annual faculty-staff luncheon was held on Valentine's Day this year so there is no doubt in the professors' minds who their real sweethearts are!

The stacks and piles of aluminum tabs are mounting up in the basement of our house awaiting their exchange for money that we will donate to the Kidney Foundation. We hope our contribution will be as large as those sacks of beer and soda tabs are heavy! As a professional Hygeia Day project we plan to have two speakers at our school on the subject of rape on March 7. The sisters of Alpha Zeta chapter are planning a breakfast early March 21 for Hygeia Day.

Needless to say, things are very busy this time of year. Alpha Zeta sisters hope for continuing happiness throughout 1977.

Marilyn Burton

## ALPHA IOTA

Spring is a time of flowers. We did our part to spread them around with the Easter Lily Sale. Proceeds went to Muscular Dystrophy. Pharmacy Fun Night gave us a good chance to laugh at ourselves as we resurrected scenes from the classroom and at our teachers as their little oddities were brought out in our impersonations. A hayride, a LKS baseball team, and a spring camping weekend spelled FUN, FUN, FUN as the year neared its conclusion.

We have kept up with happenings in other sororities through our representative to the Panhellenic Council. Our sorority was especially honored by the presentation of the Woman of the Year Award to President Cat Boyd.

Three representatives attended the Midwestern Regional Meeting in Detroit where ideas were compared and new inspirations were kindled.

It has been a busy, rewarding year for us. This summer members have kept in touch and are bursting with new ideas to be put into action this fall.

Here's to a great year!

Christine M. Richards

## ALPHA NU

The Alpha Nu Chapter celebrated the Yule Season this year with their annual Christmas Dance. This year it was held in the new Rupp Arena which has just opened in downtown Lexington. The dance was a smashing success with many students and faculty in attendance.

Soon after the New Year, we initiated our new members into L.K.S. The initiation is traditionally held at the home of Professor and Mrs. Doughty. Their home is decorated with many unique pharmacy antiques that add an appropriate taste of tradition and history.

Tuesday night, Feb. 15, we will install our new officers following a banquet held at one of the nice restaurants in Lexington. This upcoming year will no doubt be one full of activities and increased interest due to the determination and innovative ideas of our new officers. We are all looking forward to the projects planned for this spring.

One activity planned for this spring is a Luau. This will include afternoon activities and a dinner for the entire College of Pharmacy. It will be held at one of our parks on the outskirts of town.

A parents' weekend has been in the planning for some time. Hopefully, this semester we can cement some of the ideas and really get the project on its feet. Plans thus far include a tour of the Pharmacy building and Medical Center, a slide show of students at work in the laboratories, a banquet and speaker in the evening, and an outing to Keenland Race Track during the racing season.

Jane Dunbar

## ALPHA OMICRON

Alpha Omicron began the semester with a luncheon which provided the members the opportunity to socialize and exchange accounts of last summer. The new girls of the first-year class were officially welcomed at the luncheon and were presented favors which consisted of Rx bags filled with drug samples.

The first Rush party was held at the Pizza Inn. There was a big turnout at the party and everyone had a lot of fun eating and socializing. Each pledge was given an anonymous "Big Sister" who was not revealed to her until after the pledging ceremony.

Founder's Day ceremony was held at Newman Hall this year and the ceremony was followed by a taco party. The party was great fun and a big success.

Other activities for the semester included a beer blast co-sponsored by Kappa Psi at the Red Cellar to welcome everyone back, and the traditional Trick or Drink with the girls dressed up as goblins and ghouls calling at faculty houses with treats for the faculty's children. Also included were fund-raising projects and the infamous intramural volleyball and basketball teams coached by Patty Johnston.

The Christmas party was a big success with lots of good food and gift exchanges. Irma Anido, our advisor, was presented with a gift and each pledge found a stocking filled with drug samples.

Caroling and cards were well received by the residents of Sunnyside Nursing Home with many requests to return next year.

Braving the snow to bring in the New Year, Alpha Omicron Chapter and Kappa Psi joyously gathered for a joint pizza party at Napoli's.

Because of its great success last year, our T-shirt sale was expanded with a new slogan. Choices are Pharmacists Do It Better and Love a Pharmacist Q H S.

The upcoming initiation promises a flock of really active and involved new Lambs.

This year's officers are: Debbie Pasquarelli, president; Susan Woods, vice president; Linda Gray, pledge trainer; Frances Snyder, recording secretary; Sandy Justice, corresponding secretary; Mamie Weber, treasurer; Kathy McIntire, historian; and Joanne Murphy, chaplain.

Kathy R. McIntire

## ETA

The sisters of Eta chapter have been busy this year with all our activities and rush parties. Spring pledging is now underway, the girls are very enthusiastic and are doing very well with their pledging material. Our pledges include Janice Dunsavage, Chris Hutazyluk, Deb Wildman, Karen Arcidiacono, Terri Hayes, Dottie O'Connors, Sue Ingemi, Carol Kolodzinski, Liz Stubits, Julie Bailey, Nancy Terrel, Bette De Pauli, Terri Marshman, and Cindy Kontaxes. We have been practicing our acts for the

annual Fraternity Review which is sponsored on campus by our chapter. The girls are perfecting their talents under the supervision of Nancy Stock and Cheryl Boholnick. Our annual professional project is scheduled for April 21st. We will be sponsoring a carnival on campus with all the profits going to the Juvenile Diabetes Foundation. Pray for sunshine.

During the month of February all the sisters whipped up their favorite recipes for a bake sale with proceeds being donated to project HOPE. All the sisters are looking forward to spring break and a little bit of warmer weather. Of course another added attraction is our formal dinner dance to be held in April. The seniors are dreaming of graduation day, we wish them the very best of luck.

Brenda R. Giffin

## OMICRON

Greetings from Omicron Collegiate!

Three quarters of 1977 is almost past and a lot has happened for us sisters at Wayne State University in Detroit.

During late winter early this year on March 4 we sponsored a hay ride at Green Acres Recreation for our members and their friends. Members from Phi Delta Chi and Kappa Psi also attended.

Our Spring quarter term at school was filled with professional programs. Among them was a CPR demonstration where the entire college was invited and also we had a University of Michigan Pharm D candidate speak about his graduate program experiences.

Elections of new officers for 1977-78 were held April 26. They are: President, Marlene Ma; vice president, Barbara Hardesty; corresponding secretary, Elizabeth Oliver; recording secretary, Robbi Skinner; treasurer, Mary Beth O'Connell; chaplain, Gloria Jeszke; historian, Tzena Smith; and SAB representative, Christine Procyk. Officers' Nite was held on Help Nite, May 26, where books and files were transferred over. The new officers were inducted into office at our annual spring banquet.

We had thirteen pledges this past Spring quarter. They went through four weeks of pledging. Ten of the pledges attended and "survived" Help Nite held at Robbi Skinner's house. All had a great time. The ten became our sisters after formal initiation held June 17 at Alvaro Restaurant in Royal Oak. Our ten new members are: Susan Abrash, Tina Capelletti, Nancy D'Hondt, Mila Edillo, Wilma Henderson, Gloria Musazi, Christine Procyk, Nadia Stetkewycz, Terri Topolewski, and Susan Trojan. Also, at the spring banquet we presented pen gifts to our six graduating members.

This summer we held our first meeting on July 12 at Mary Beth O'Connell's house. Our main topic was the details of the Midwestern Regional meeting which we hosted on August 5, 6, 7 in Taylor, Michigan at Holiday Inn. The overall meeting was a success. A special appreciation to all our girls who made it possible, especially our hostesses Laura Loria, Robbi Skinner, Alumnus Judy Paul (our wonderful Midwestern Regional supervisor), and delegate Tzena Smith. We extend sincere thanks to all the girls of the Midwestern region who share with us their delightful company at the Regional.

Our next meeting will be September 25 to be held just before Fall quarter at Gloria Jeszke's house. Plans for Founder's Day, pledging, Help Nite, and the Fall banquet will be discussed then.

Marlene Ma

## TAU

Greetings from Tau Chapter. Spring semester finds the LKS's busy as usual with tests, pledging and other activities.

Recapping the fall semester, we once again were involved in Duquesne's Carnival, Sept. 22-24 sponsoring an animal raffle at our booth. The month of October brought us Founder's Day, and our celebration included a slide show presentation by Dr. Marilyn Harris, our faculty advisor, on her year sabbatical with the World Health Organization in Switzerland. October also brought us eleven pledges who proved to be very enthusiastic and "psyched" crew that even attempted to kidnap a sister (me!), the first such attempt by a group of pledges in several years. For their pledge project they enlisted the help of the sisters in selling T-shirts that said "Duquesne pharmacists do it better" that went over very well with the pharmacy students here.

November 20 was our annual card party sponsored by our alumnae. As usual we collegiates were there to help

out the alums in setting up, serving the luncheon, and helping to make sure everything ran smoothly. We also, along with the alumnae, participated in a phoonthon to help raise money for Duquesne University with contributions coming in from as far away as California and Texas. Our annual fall dinner dance was held later that month at the Sheraton-at-the-Airport. A private room, a delicious buffet dinner, and a very good band that played everything from disco to slow-dance made that evening certainly something to remember.

The evening of Dec. 2 was set aside for the initiation of the eleven pledges, plus the installation of new officers, followed by dinner at Johnny Garneau's in Monroeville. New sisters initiated include Donna Chornyak, Sandy Crabtree, Nadine Dorosa, Donna Gavulich, Miann Jones, Brenda Ling, Cathy Moeslein, Peggy Newton, Rina Rosa, Kathy Sill, and Cathy Steward, and our new officers are Carolyn Rowinski, president; Vicki Danca, vice president; Donna Jean Hazel, secretary; Polly Ajak, treasurer; Mary Perrine, pledgemistress; and Cindy Vlosich, historian.

The opening of spring semester found us busy making hoagies for our annual sale Jan. 25-26. A lot of hard work and time is put in by all the sisters to help insure the success of our "big money-maker." For Hygeia Day, we plan on putting up a display on immunization in the School of Pharmacy. The World Health Organization will be helping us with information and materials. Also on the drawing board is a presentation by Chief Allegheny County coroner Cyril Wech on autopsies, to be held sometime in March, which will be open to the University. March 19 is the date of the annual Sweetheart Dinner Dance. Tom Tritinger, a Phi Delta Chi, (who also happens to be my pin-mate!) has been named as the 1977 Sweetheart.

Tau chapter is very proud of alumna sister Elaine Immerman Goldstein who received \$500 to be donated to a pharmacy school of her choice from Burroughs Wellcome's Pharmacy Education Program. Elaine's gift to the Duquesne School of Pharmacy will be used for the student revolving loan fund.

Tau chapter, sadly to report, has run into controversy over the legality of our chapter recognition under Title IX. We are no longer recognized by the university and therefore are no longer free to participate in university activities or to use university facilities. The situation at Duquesne is also unique in that due to the physical aspect of our campus, we have no off-campus fraternity houses. Tau chapter is in a bind right now and we welcome any thoughts or ideas on the matter, especially from any chapters who may be faced with a similar dilemma.

Best wishes for the future to all sisters!  
Cindy Vlosich

#### PHI

Phi Chapter is planning a busy second semester. We've already gotten started with two of our projects. First we had a T-shirt sale featuring two styles of shirts—"He who has no scruples isn't worth a dram" and "Pharmacists do it better", both of which have been pretty popular. And along with the sale we also had a "Guess the weight in grams of the pharmacy faculty" to raise money for the heart fund. As incentive for participation we awarded prizes for the three closest guesses—first prize, ten dollars; second a T-shirt, third a miniature mortar and pestle.

Our by-laws committee finished our constitution and new by-laws and had copies for all members at the first meeting of this new semester.

In trying to strengthen friendly relations with Phi Delta Chi we held an ice skating party in January which was well attended and enjoyed. Phi Delta Chi also held their annual Sweetheart Dance Saturday, February 12, in which we helped with refreshments. The dance was very successful and a fine way to celebrate Valentine's Day.

In the coming months we are planning a faculty dinner, a booth for the drug fair, a test file for our lounge, and a pledge bake sale.

Everyone seems to be interested and hard working in all our activities and with such a strong start I think this should be a very good semester for our chapter.

Brenda Kafader

#### CHI

School began on January 3rd and on the 6th we were on our way to spend the

weekend visiting with our sisters of Alpha Lambda in Vancouver, Canada. All of us who went had a fantastic time and hope that this will become an annual visit. Our sisters from Canada do plan to visit with us around the last part of February and we hope to show them the sights of Seattle.

February is full of activities and on the 17th, SAPHa, Kappa Psi, and LKS are combining their efforts to sponsor "Pharmacy Day" here on the UW campus. It will begin at 9:30 A.M. and run throughout the entire day. Highlights such as: drug products displays by the various drug companies, speaker, Dr. Charles Odegard, President Emeritus of the UW and member of the Millis Commission, will speak on the findings of that commission, a volleyball game, and finally a kegger for the faculty and students.

We held initiation on the 10th of February. Our alums were there to help us welcome Laureen Boze, Cathy Crowse, Shelly Hougan, Cherylin Johnstone, Katy Laut, Dana McKenna, Lynette Scott, Judy Sporleder, Janet Tjarmburg, Linda Tomich, Julie Ann Walther, Monica Wong, and Beverly Ann Yuen. After our formal initiation ceremony we ate dinner at the Spaghetti Factory Restaurant and filled up on spaghetti and good conversation. It truly was an enjoyable evening for everyone.

At this time we of Chi chapter would like to announce the engagement of one of our new initiates Linda Tomich. Linda is planning a July wedding and we all wish her the best of everything.

Our service project for this quarter is collecting outdated medicine to donate to "Medicine for Missions." Our advisor, Pat Tanac, is leading the drive with over \$800 worth of drugs so far. A start like that can only finish with impressive results.

Pharmacy and the Law was the title of the past continuing education program, Chi chapter provides assistance for registration for each program. This is a good opportunity to provide service to pharmacy as well as learning about new drug products and problems that we should be concerned with.

Dorothy Harthorn

#### ALPHA ZETA ALUM

Spring always brings us a bundle of things to do and so very few days open to do them. One of the events that we are organizing now is our annual "Senior-Alum" banquet. It is to be held at Theresa Donovan's home on Sunday, April 17. This year there will be five sisters graduating: Nancy Becnel, Judy Bernahl, Barb (Helm) Bodanske, Donna Grimm, and Debbie (Roby) Montavon. The collegiates will surely miss these girls, but as an Alum, I must admit we're looking forward to having them join us.

The Alums would like to congratulate our 13 new collegiate members. A special congratulations to Peggy Keil, who was voted "Best Pledge." We hope Peggy will follow her older sister Pam's dedication to LKS in the years to come. (Pam is currently our Grand Editor). Also a special mention about two other collegiates, Char Schlueter and Mary Ostendorf. They both made Rho Chi.

Our annual "Parent-Daughter" banquet was well attended. This involves both Alums and Collegiates. There surely were more males present this year. I think the fathers really enjoyed being included in this affair; at least they ate like they did.

The Alum chapter also elected new officers earlier this year. These girls certainly will be working hard this year since St. Louis is to be the site of the Southern Regional Convention. The Convention will be October 7-9. There will be more information coming out as we get closer to October. We certainly hope all of the chapters will be represented.

One of our biggest projects for now is making favors to be given to the Seniors at the banquet in April.

The Collegiates have invited the Alums and escorts to a party on April 15 at the Fraternity House. This should help the two groups get to know each other better.

We Alums still are continuing to collect "Garbage" for the Life Seekers, a charitable organization that aids newborn infants. We enjoy the project, but I'm sure Cherrie's husband is getting tired of letting us use their garage as a storage area.

Finally, we are checking out the possibility of a joint float trip this summer. We had one last year and it was great fun for all.

I guess you can tell we've got enough to

Phi Alum Anita Lukes, Annette Birt, Karen Roberts at Butler University for Hygeia Day.

Marcia Harms, Adele Lowe, Janice Stank and Rosalene Hider enjoying Phi Alum cheese and wine tasting party.

Phi-Alums-Pictured left to right are Marcia Harms, Linda Bray, Portia Devore (chairman), and Sharon Wilson writing up Tupperware orders as money maker.

Alpha Omicron Chapter at their Christmas party.

do to keep us busy. We'll all be working hard on the Convention and we hope to see many of you here in St. Louis in October.

Jeanne Moss

#### ETA ALUMNAE

We here in Philadelphia hope that everyone had a pleasant summer, and are ready to get back into the swing of things.

Since we last corresponded with everyone, Eta Alums have had some interesting experiences. One of our most exciting moments came this past April when we inducted a new honorary member, Helen Gaskill. Helen has spent many years in Zaire as a missionary, working in the hospitals and helping to train native nurses. We are proud to have Helen as our newest alumnae member.

Of course, we had our annual Hygeia Day Program, co-sponsored with our collegiate chapter. A family planning educator discussed natural methods of planning a family in today's world. Afterwards, we presented our third annual Virginia L. Osol Educational Grant to the lucky recipient, Nancy Lee. This grant has been named in honor of Mrs. Osol because of her generous contributions to the grant fund and in recognition of all she has done for Eta Chapter. And speaking of the Educational Grant, we held a flea market at the college to help supplement the existing funds for the Grant. We were able to clean out the fraternity locker and make some money besides - we had a great day!

For a professional project this year, we made finger puppets for the children in area hospitals. Although simple to make, the puppets help to cheer up the children and keep them happily occupied.

At our Christmas party, we raffled off the beautiful afghan which Rocky Gordon made. The picture shows her standing proudly beside her artwork, done in shades of blue. And believe it or not, one of the ladies to whom Rocky sold a chance won the afghan! The other picture shows the ceramic angels which Marion Ricardo made as our gifts to the seniors. Right now, Marion is busily hooking a rug which we will raffle off this season.

September 18 marked our first meeting of the year after the summer hiatus. We honored those who have been Lambs for fifty years or more: Enis Dienna, Polly McDowell, Ruth Miller, and Virginia Osol. It was great to have them back with us, joining with us in planning our professional projects and fund-raising activities. And judging by the turnout we had, this Sunday afternoon meeting seems better suited for everyone. We're planning most of our future meetings as Sunday brunches.

I hope everyone is as anxious as Eta

Chapter is to begin the new year. May good luck accompany your projects for this coming year.

Fraternally,  
Donna Marie Craig

#### PHI ALUMNAE

Greetings from Phi Alums,

We had a busy summer planning a national PPA banquet, attending Midwestern Regional and planning programs for the coming year.

Five alumnae and four collegiates traveled to Taylor, Michigan, for the Midwestern Regional August 5-7, 1977. Co-hostesses were Omicron Collegiate and Alumnae Chapters of Wayne State University. We had a good time and met new and old friends. Founder's Day will be a joint program with collegiates October 6, 1977.

Ann Guttrich moved in August to Howell, Michigan. She deserves a big thanks for two years of hard work for us as President. We will really miss her loyalty and interest in our chapter.

Linda Damron was married June 25, 1977 to Ralph Bradshaw. We wish her a lot of good luck and happiness. Adele Lowe was elected President of WONARD in Indianapolis. She and Rosie Hider were blessed with grandsons in August.

Anna Guttrich was treated to a spaghetti dinner farewell party August 24, 1977. Patti O'Shaughnessy and Adele Lowe co-hosted the dinner and fourteen people attended. Hope all of you have a great year.

Portia Devore

#### CHI ALUMNAE

Chi Alumnae hopes that all LKS sisters had an enjoyable winter, despite the unusual weather experienced across the country. We had an exceptionally mild winter with little precipitation. This is not good news for us in the Northwest, especially for the avid snow skiers and energy situation.

The Chi collegiate and alumnae members got together for several events this year including Founders Day and collegiate pledging and initiation. After the initiation ceremony, we went to the Spaghetti Factory Restaurant and ate pasta and super-delicious sourdough bread.

Our chapter money-making projects for this year are collecting and selling newspapers and aluminum cans and a garage sale. Several of our members have had garage sales of their own and are giving us helpful hints for planning this project.

Officers for Chi Alumnae this year are Pat Landers, President; Ina Jenkins, Vice President; Pat Shighihara, Secretary; and Nancy Horst, Treasurer.

Pat Shighihara

# ★ More Chapter News

## PHI ALUMNAE

It was a short summer for the busy sisters of Phi Alumni. Summer was kicked off in June by a "salad treat"-officer installation at Linda Damron's who became Mrs. Ralph Bradshaw two weeks later.

Project Hope was voted a \$50 donation, as was Retinitis Pigmentosa at our September meeting. We also continued to contribute to two mental patients' canteen fund, and support them with letters and visits. Continued collection of coupons for Retinitis Pigmentosa has netted quite a contribution also.

Phi Alumni and Collegiates are having a wiener roast get acquainted evening to celebrate Founders Day Oct. 6.

Midwest Regional convention was well attended by the Indianapolis contingent. Former president Anna Guttrich, current president Portia Devore, "well known" Lamb Adele Lowe, Anita Meek and Rosie Hider and four collegiates made the trip to Michigan. We heard reports of a very active group. Phi Alums had revised their by-laws in April and presented several reports.

Phi Alums are hostesses for the Saturday, Oct. 22, 1977 P.P.A. National Convention luncheon. We hope to see some of our Lamb Sisters in Indy for the P.P.A. Convention. We are preparing the programs, decorations and goody bags for the luncheon. Sharon Wilson is the toastmistress.

Respectfully submitted,  
Linda Bradshaw  
R.R. 5, Box 112C  
Nobbsville, Ind. 46060

## NU

Nu Chapter started the semester with a rush party followed by pledging. The pledging ceremony for 12 initiates was held on Jan. 28. The pledging ceremony was followed by a dinner provided by LKS members. A special ceremony was held before pledging to induct Miss Kathy Wurster as an Honorary Member of our chapter.

On Feb. 11, LKS sponsored its annual volleyball game for pharmacy students and the faculty. Everyone had a great time. A bowling party is planned for later this semester. A money raising project of a bake sale was held in the pharmacy building, Fitch Hall, and was very successful.

Professionally, LKS has put a display up about smoking and cancer in Harvey Ingham building. We are continuing work on our Talks Committee. We are preparing talks to be given to local area high schools especially women and their health. Future professional plans include participation in the annual Merle Hay Mall Health Fair and for Hygeia Day, a speaker talking about epilepsy.

Michele Harms

## ALPHA ALUMNAE

Hello from Boston!

In April we had another bingo game at Bethany Hospital in Framingham with the proceeds going to Project Hope. We also held our Annual Banquet with the collegiates and they provided the entertainment. In August we met at Elsie Galganis' house to plan our activities for the year. There are six alumnae planning on going to the regional in Pittsburgh. We will celebrate Founders Day with the collegiates.

In November we are planning another Dinner/Theater night at the Chateau DeVillie. Last spring we had 65 people attend. Also on our agenda is a Tupperware party with the proceeds to go towards the prizes for our next Bingo game. Before you know it, Christmas and New Years will be here.

Happy Holidays,  
Pat Pentleton

## ALPHA KAPPA

Greetings from the Lambs of Alpha Kappa Chapter. Last spring quarter was a busy and fun time for us. We started things off with our spring formal. Everyone had an enjoyable time. In April our sister gave a lecture and skit on poison prevention for the Brownie Troop we are sponsoring. It was very entertaining for the Brownies as well as the sisters. We are planning to make this a quarterly activity.

All the sisters participated in the cancer drive here in Athens. We were

able to collect about \$240 for the fund. On April 6 we had as our guest for Hygeia Day, Dean Emily Pou, Dean of Home Economics. She presented an interesting lecture on the changing role of women in society.

We also had a lot of social activities spring quarter. In May we had an ice cream social with Kappa Psi and Phi Delta Chi. Later on that month we had a cookout. They were both a lot of fun!

Again this year our mother-daughter banquet was a big success! All of our mothers really enjoyed it and the food was delicious. The officers for 1977-78 were installed at the banquet. The Ethel J. Heath keys were presented to six of our sisters—Congratulations to Them!

We have a lot of interesting plans for this fall quarter. All of our sisters are excited about rush this quarter and hope to make it a big success! A father-daughter luncheon is planned for one of the football games this season. Alpha Kappa is looking forward to a busy and successful year, and we wish all of our fellow sisters a good year.

Nancy Ogletree

## A—Lambnae News

Hi Alums!

Right off the heels of an interim Grand Council meeting in St. Louis this summer, your Grand Council spent a solid, active, weekend in fraternity business. Those in attendance at the Regional Meeting will be well informed on all of the major topics which were discussed.

Next summer at the convention in Albany, New York, we are hoping for the largest attendance yet. New changes could be taking place and we will need you there to give your opinions and votes. Many of the fun things planned for that are already finalized. This should be a great one. Be there!

Lambda Kappa Sigma lost a dear friend and dedicated member in April. Elvira Lemkau was a 50 year member of Lambda Kappa Sigma and received her Golden Certificate at the Anaheim Convention in 1974. Elvira had served on Grand Council many years ago and never stopped supporting her fraternity. A member of Zeta chapter she will be missed by those of us who knew her. Our sympathy is extended to her husband, Bill, and son, Bob, both of whom she was very proud.

October is the usual regional meeting month, and much is on the agenda at each of the districts, South, West and East. Midwest regional meeting was held in August in Detroit. Many interesting and educational programs are available at each site.

Professional Panhellenic Association (better known as PPA) is convening in Indianapolis, Indiana October 19-22. The final luncheon on Saturday, October 22, which will be attended by more than 150 persons, should be of great interest to all Lambs. Phi chapters in Indianapolis are promising all kinds of souvenirs, prizes and favors. The theme is "Think Metric". Frances Curran, past Grand Secretary of Lambda Kappa Sigma and Secretary of PPA is in charge of the "Polymathic Experience" on October 19. You are invited to attend all or part of this historical convention.

Happy to announce the marriage of Rose Tarloski to Gerald Celecki.

If you have the names and addresses of any of our sisters who has not been receiving any information or news of this fraternity please send her name to me and we shall see that the news gets to her. Prior to the next convention in Albany, a letter will be sent, hoping to reach those who might be interested in attending and may not be receiving the news through the Blue and Gold Triangle.

A last reminder on the best way to help your fraternity—Lambda Kappa Sigma Educational Trust. A rewarding donation. See you in the next issue.

Adele Lowe  
Member-at-Large  
Lambda Kappa Sigma

Pictured from l to r: Judy Paul, Western Regional Supervisor; Julia Pishalski, Honorary Advisor; and Adele Lowe, Member-At-Large; attending the Western Region Meeting Banquet. The Banner was made by Omicron Collegiate Chapter and presented at the banquet.

## Midwestern Regional Meeting Held in August in Detroit

The Midwestern Regional Meeting, hosted by Omicron Collegiate Chapter - Detroit, was held on August 5, 6, 7, 1977 at the Holiday Inn. Collegiate members from Alpha Iota, Big Rapids; Phi, Indianapolis; Omicron, Detroit; Alpha Mu, Toledo; and Nu, Des Moines, and Alumnae members from Omicron, Alpha Mu and Phi, were present. Friday evening was welcoming, check-in, and a pizza party and sing along at Little Caesar's Pizzeria.

Saturday morning, after a Continental breakfast, the regular business meeting was begun, officiated by Judy Paul, the Regional Supervisor. The first item was the Chapter Reports given by each collegiate representative and the two alumnae chapters.

The next item discussed was the Professional Panhellenic Association Convention to be held in Indianapolis on October 19-22, 1977. It will be a combination PPA and Professional Interfraternity Conference, brought about by Title IX. The major topic to be discussed will be: "What about Consolidation?" The convention will also include speakers, music, and workshops. In addition, the Career Achievement Award winner will be selected.

The third topic discussed was the list of materials each chapter should have. New additions include the revised ritual books and 3x5 pledge handbooks.

The installation of Nu Alumnae Chapter will be held in October at the Drake Homecoming. Welcome!

The redistricting into five new regions was explained by Judy Paul. They include the Western, Midwestern, Southern, Northeast, and mid-east regions.

Adele Lowe concluded our business meeting with a discussion of the LKS Educational Trust. The donations, which are tax deductible, will be used for educational grants and scholarship awards.

After the business meeting numbers were drawn for door prizes donated by various drug companies, wholesalers and friends. Before lunch at Sign of the Beekeeper, there was time to browse at Southland Shopping Center.

At the afternoon session Lederle presented a movie on "Consumerism".

We then formed groups to discuss and share ideas concerning pledging, professional programs, fund raising and Title IX. Many valuable ideas were shared in these workshops.

The banquet was held at the Holiday Inn Saturday evening. The after dinner speaker was Julia Pishalski, Honorary Advisor and former Grand President

from Omicron Alumnae, who spoke on the "Meaning of Sisterhood". Also at this time a beautiful handmade LKS banner was presented by Omicron members Mary Beth O'Connell, Barbara Hardesty,

Terry Topolewski and Susan Trojan.

After the banquet we discussed Revenue Sharing and how to best use the money in our region.

Looking forward to seeing you at the National Convention next year in Boston.

Robbi Skinner  
Omicron Collegiate Chapter

## THANKS FROM RECIPIENTS OF CORA E. CRAVEN EDUCATIONAL GRANTS

[Continued from Page 2]

grant committee, to realize how grateful my parents and I are for this help. Thank you very much.

Fraternally,  
Michelle Albano, Tau

To The Educational Grant Committee:

I extend a word of "Thanks" to each of you for the honor and award which has been bestowed upon me as one of the recipients of the Cora E. Craven Educational Grants.

I deeply appreciate this award and pledge to use this grant to the very best of my ability—striving to attain high goals an scholastic achievement representing our Lambda Kappa Sigma.

Again, I say Thank You and encourage Pharmacy students across the nation to work hard to achieve scholastically—not only as a service to Lambda Kappa Sigma, but also a service to yourselves.

Fraternally,  
Karen E. Underwood, Alpha Epsilon

To The Educational Grant Committee:

Thank you for selecting me as a recipient of the Cora E. Craven Educational Grant. It was quite an honor to be awarded this grant. I'm sure there were many equally deserving applicants. The money was put to good advantage towards this semester's expenses.

Fraternally,  
Debra Lee Brandmier, Eta

To The Educational Grant Committee:

Words cannot express my appreciation to the committee for selecting me as one

[Continued on Page 8]

# ★ Fraternity World

(Special)—A new interfraternity magazine will be seen on fraternity house coffee tables in January, announced publisher R. John Kaegi at the annual Fraternity Executives Association conference in Dayton, Ohio.

Fraternity World Magazine will fill the trade publication void left with the demise of Fraternity Month in 1971 and the folding of Banta's Greek Exchange in 1973.

"Both magazines were victims of the short-lived anti-fraternity movement," said Kaegi. "Neither magazine was budgeted for slick, quality journalism either," he added.

Fraternity World will be sent free to all 8,000 chapters of the 135 national social and professional fraternities and sororities. There are about 350,000 student members and some 12,000 active alumni officers and advisors who make up the primary readership market. About five million Americans are living alumni of college fraternities.

The magazine will publish news and feature articles about the American Greek-letter college fraternity system. Fresh ideas, new programs and solutions to common problems will be its regular fare. Editorials and reader feedback are also planned.

"Fraternity World will be an emotional

magazine," Kaegi noted. "It will reaffirm members' attitudes about brotherhood as the primary purpose of fraternities. It will tell the world about the pride we feel in being members of fraternities."

Kaegi is currently editor of Pi Kappa Alpha fraternity's national magazine, Shield & Diamond, based in Memphis, Tn. He has been a Pi Kappa Alpha staff member for seven years and is a former president of the College Fraternity Editors' Association.

Fraternity World will be published five times per year (bimonthly during the school year). The first issue is expected in January, 1978. One issue each year will be specially devoted to an important management or program topic.

Nearly 82 percent of potential readers recently surveyed said they would likely read the magazine. Although student members will read it free, alumni will have to obtain subscriptions at about \$8 per year. National advertising will supplement the publication's budget.

A subscription drive will begin in September. Charter subscribers will be given reduced cost options. For advance subscription information, contact R. John Kaegi at 577 University Blvd., Memphis, Tn. 38112.

## ★ Regional Meetings

### EASTERN REGIONAL MEETING

Tau Chapter hopes that you all had an enjoyable and relaxing summer. We know that you are probably trying to get back into the swing of things, but it's time to start thinking about the Regional.

Tau Chapter will hostess the regional September 30 through October 2, 1977 at the Holiday Inn Pittsburgh East. Registration Fee will be \$20.00 per person. The room fees will be as follows: 1 per room \$24.38; 2 per room \$14.84 per person; 3 per room \$11.66 per person; 4 per room \$9.54 per person. For more information contact Mary Perrine, S.M.C., #1230, 1345 Vickroy St., Pittsburgh, PA 15219.

#### Schedule for Eastern Regional Meeting

##### FRIDAY, September 31, 1977:

4-11 p.m. Registration  
7 p.m. Party with snacks in hospitality room

##### SATURDAY, October 1, 1977:

8-10 a.m. Registration in Lobby  
8 a.m. Breakfast: "Welcome to Pittsburgh" from city representative  
9:15 a.m. General Meeting  
11:30 a.m. Workshops I, II, III, or IV  
12:30 p.m. Lunch Break  
1:15 p.m. Workshops I, II, III, or IV  
2:15 p.m. General Session  
4 p.m. Break for the day  
4:30 p.m. Rides leave for tours of Duquesne, Pitt  
7 p.m. Cocktails (Cash Bar)  
7:30 p.m. Group Picture  
8 p.m. Dinner (Formal)  
10 p.m. Swimming, Disco, "Vinnies"  
Pizza Parlor, etc.

##### SUNDAY, October 2, 1977:

8 a.m. Continental Breakfast  
9 a.m. Closing Remarks

### WESTERN REGIONAL MEETING

The Western Regional Meeting will be at Oregon State University, Corvallis, Oregon. Rho Chapter will hostess the regional which will be held October 7-9, 1977, on the OSU campus.

Registration will be \$13.00 at the most. Hotel rates at the Towne House Motor Inn will be as follows: 2 per room \$22.50; 3 per room \$25.50; 4 per room \$29.50. Hotel rates at teh Nendel's Inns & Motels will be as follows: 2 per room \$26.00; 3 per room \$29.00; 4 per room, \$32.00.

For more information contact Vicki Bean, 512 N. Nicholson Ave. #21, Monterey Park, CA 91754 or phone 213-288-6206.

#### Schedule for Western Regional Meeting

##### FRIDAY, October 7, 1977:

5-8:30 p.m. Registration  
8:30-9 p.m. General Session  
Welcoming Addresses  
9 p.m. Host Chapter Reception & Acquaintance

##### SATURDAY, October 8, 1977:

7:30-8:30 a.m. Registration-Coffee and Donuts  
8:15 a.m. Opening Address

### 8:30-10 a.m. Worsshops (First Session)

1. Dr. Joy Plein, "Women in Pharmacy as People in Pharmacy"  
2. "Communication with the Patient-Our Responsibility"

### 10-10:30 a.m. Coffee and Donuts

### 10:30 a.m.-12 Workshops (Second Session)

1. "Community Pharmacy-More Than a Count, Pour, Lick and Stick Operation"  
2. 10:30-11:15 a.m. and 11:15 a.m.-12 "Drug Utilization in the Elderly"  
3. 10:30-11:15 a.m. and 11:15 a.m.-12 "Clinical Pharmacy - What Lies Ahead"

### 12-1:30 p.m. Lunch

### 1:30-3:30 p.m. Business Meeting (First Session)

1. Report of Chapter Activities  
2. Group discussion concerning service, fund raising, pledging projects, campus and professional activities, and other chapter affairs. ("Workshop" Atmosphere)

### 3. Other Chapter Business

6-7 p.m. No Host Cocktails  
7-9:30 p.m. Banquet  
Guest Speaker: Mr. Don Loomis, R. Ph., Atty. "Malpractice, Liability, & the Pharmacist"

### 9:30 p.m. Social and Dance

### SUNDAY, October 9, 1977:

8-9:30 a.m. Breakfast  
Closing Remarks  
9:30-12 Business Meeting (Second Session if necessary)  
Adjournment

### SOUTHERN REGIONAL MEETING

Alpha Zeta hopes your summer has been great and you are ready for the great weekend we have planned for our regional, October 7-9. We will be staying at the Holiday Inn North, one mile from the St. Louis Municipal Airport. The hotel will provide free transportation to the hotel.

Registration fee will be \$20.00. The room rates are as follows: 2 per room \$11.75 each per night; 4 per room \$8.00 each per night. Registration fees and room costs must be returned with registration forms by September 23. For more information contact Cindy Little, 2469 Villa Drive, Arnold, MO 63010 or phone 314-296-9191. Chapter pictures and group picture 8x10 colored will be \$4.00. These must be paid for the night of arrival for those wishing to order them.

#### Schedule for the Southern Regional

##### FRIDAY, October 7, 1977:

Arrival  
6-7 p.m. Registration  
7-9 p.m. Meeting  
9 p.m.-? Get together with food

##### SATURDAY, October 8, 1977:

8 a.m. Continental Breakfast  
9-11 a.m. Zoo  
11:30 a.m.-1 p.m. Salad Bar and Fashion Show at Famous Barr  
2-5 p.m. Collegiates Meeting/Alumnae

### Continuing Education\*

6:30 p.m. Group Pictures  
7-8 p.m. Banquet  
8-9 p.m. Space Program Presentation  
10:30 p.m. Laserium II

### SUNDAY, October 9, 1977:

8 a.m. Breakfast  
Departure

\*The Alumnae continuing education program will be sponsored by Alpha Zeta Alumnae, and will be about Emergency Medicine, Paramedic Procedures.

HOPE TO SEE YOU IN ST. LOUIS, Alpha Zeta Chapters!!

### WATCH HERE FOR NEWS ABOUT YOUR LAMBDA KAPPA SIGMA EDUCATIONAL TRUST!

At the interim Grand Council meeting held in July 1977 at St. Louis, and exactly one year after the convention in Toledo, our TRUST picture was reported looking even better. We had the generous \$5000 Thanksgiving contribution from the sisters of Lambda Kappa Sigma, and the generous \$1000 gift from one of our Founders, Mary Livingston, plus the many contributions, memorials, and donations from individual sister members and many of our chapters. This gave the TRUST the first solid foundation on which to build. By 1978 all of the Grants will be paid from the Lambda Kappa Sigma Educational Trust. This could never be possible without your help. We are very proud.

KEEP IN MIND THE TRIPLE EXEMPTION for this Educational FUND.

1. Exemption from Federal Income Tax under Section 501 (c) (3).

2. Exemption to our donors or contributors. (charitable contributions are deductible.)

3. Exemption for those who are the recipients of our awards. (Many other Grants do not offer this.)

Just think — the Lambda Kappa Sigma Educational Trust is a means whereby each group can assist its own members. Success depends on the continuing support from all chapters and individual members. Perhaps each year a certain fund raising project could be planned with the proceeds to be donated to the TRUST. Or how about a Birthday Party? A penny for each year of age? We have self-addressed envelopes

available. Just send a note to me.

LAMBDA KAPPA SIGMA  
EDUCATIONAL TRUST  
BENEFACTORS

[December 1976 through July 1977]

Mrs. Anna Guttrich (gift)  
Mrs. Wm. F. Pishalski (memorial)  
Phi Alumnae Chapter (memorial)  
Anonymous (birthday)  
Phi Alumnae Chapter (member's illness)  
Mrs. Adele Lowe (memorial)  
Omicron Alumnae Chapter (memorial)  
Mrs. Frances Curran (memorial)

This TRUST is to benefit you and the sisters of Lambda Kappa Sigma who follow you. Give it top priority when you wish to honor someone. It is really worth it!

Adele Lowe, Chairman  
And the Awarding Committee

## \$300 Graduate Grant Available

One \$300 grant is available to an alumnae member of Lambda Kappa Sigma who has completed one year of graduate study in the pharmaceutical sciences at the M.Sc. or Ph.D. level and who is presently enrolled in graduate school. The grant may be used for tuition, books, living, travel or thesis expenses or other needs.

The applicant must have her current dues paid in her alumnae chapter or her collegiate chapter as a stray lamb if there is no alumnae chapter. The chapter itself must be in good financial standing with the Grand Treasurer.

Please write for an application and further information, to Mrs. Frances Curran, 4509 Regent Street, Philadelphia, PA 19143. Frances is chairperson of the Dr. B. Olive Cole Graduate Educational Grant Committee. There have been very few applicants in past years although there must be quite a few members who are attending graduate school and studying one of the pharmaceutical sciences — pharmacology, pharmaceuticals, pharmaceutical chemistry, biopharmaceuticals, pharmacognosy, pharmacy administration, etc. Students in the Doctor of Pharmacy program are not eligible for this grant.

The deadline for receipt of applications by the chairperson is November 15th; the award will be made January 15th, 1978.

### APPLICATION THE DR. B. OLIVE COLE GRADUATE EDUCATIONAL GRANT

Name \_\_\_\_\_ Chapter \_\_\_\_\_

Address \_\_\_\_\_

Marital Status \_\_\_\_\_ No. of Children \_\_\_\_\_

Date and Place of Birth \_\_\_\_\_

Seattle, Washington 98133

### [U.S.] JEWELRY PRICE LIST\* September 1, 1977

All official jewelry listed below must be ordered from the Grand Treasurer on the official order form. Each order must be accompanied by a check or money order payable to LAMBDA KAPPA SIGMA for the correct amount including taxes and all charges. All orders should be placed by May 1st as Balfour closes during the summer. If an order is not received within 60 days, notify the Grand Treasurer. Badges, guards and pins are offered in 10 karat gold (10K) and in Balclad (B) gold plated styles. Order by code number which also indicates the cost. Chapters will be notified in case of a price revision.

Item	Code #	Price	
		10K	Balclad
Plain gold badge	PGB	13.95	B-PGB 5.50
Close set pearl badge	CLB	26.25	B-CLB 17.85
Crown set pearl badge	CRB	34.90	B-CRB 26.20
Plain gold single letter guard	PGSLG	8.05	B-PSLG 5.15
Close set pearl single letter guard	CLSLG	14.20	B-CLSLG 10.70
Crown set pearl single letter guard	CRSLG	16.95	B-CRSLG 12.20
Plain gold double letter guard	PGDLG	10.70	B-PGDLG 5.60
Close set pearl double letter guard	CLDLG	22.55	B-CLDLG 18.00
Crown set pearl double letter guard	CRDLG	25.40	B-CRDLG 20.35
Chapter president's badge	CPB	52.20	B-CPB 33.20
Ethel J. Heath Key	EJHK	22.00**	B-EJHK 11.75
Honorary Member pin	HM	15.10	B-HM 6.25
Pledge pin- gold electroplate	PP	3.30	
Identification pin - Balfour golden finish	IP	3.20	

\*Price subject to change in relation to the gold surcharge.

\*\*Limited quantity available for immediate shipment on first come basis.

In addition to the cost of the jewelry, the following charges must be added where applicable:

a. State and local taxes computed on the total cost of the jewelry including engraving.

b. Engraving charge of \$.125 per item (includes chapter letter(s) and initials).

c. Add \$1.00 for postage and handling on all orders over \$15.00.

d. Add \$2.00 minimum order charge on all orders under \$15.00.

e. Add \$1.25 for air mail or special delivery shipments.

f. Add \$1.00 for individual shipments from a group order.

The Grand Treasurer orders the Membership Certificate and Badge for new members from Balfour after she has received the pledge fee (\$2.00), initiation fee (\$8.00), jewelry charges for badge, guard, pearls, engraving, etc., and a complete blue card.

Officer's dangles, glass and ceramic ware with the LKS crest, etc. may be ordered directly from Balfour. Request the Blue Book from L.G. Balfour Company, Attleboro, Mass. 02703; there is no charge.

Notify the Grand Treasurer of any errors on Membership Certificates of jewelry orders but be sure to write up the orders clearly and spell names correctly.

GRAND TREASURER: Mrs. Mary Grear, 340 N. Third, Morton, Illinois 61550.

### HYGEIA DESIGN JEWELRY September 1, 1977

The Hygeia Design jewelry is available from the Grand Treasurer. The jewelry is "non-official" which means that it may be worn by non-members. A chapter or a member may purchase any of the listed items as a special gift for presentation to Patrons, Faculty Advisors, Honorary Members, parents, etc. Permission is not required to make these presentations.

Item	Price	
	10K	Balclad
Pendant with 18" Chain	HDP 23.70	B-HDP 11.85
Charm with jump ring	HDC 28.75	B-HDC 10.15
Ring (state ring size)	HDR 54.70	-----
Pin	HDPIN 27.45	B-HDPIN 10.15
	White gold	Sterling silver
Ring (state ring size)	HDRWG 61.45	HDRSS 37.50
Charm with jump ring	HDCWG 35.50	HDCSS 10.15

In addition to the cost of the jewelry, the following charges must be added where applicable:

a. State and local taxes computed on the total cost of the jewelry including engraving.

b. Engraving\* charge of \$1.25 per item (includes chapter letter(s) and owner's initials).

c. Add \$1.00 postage and handling on all orders over \$15.00.

d. Add 2.00 minimum order charge on all orders under 15.00.

e. Add \$1.25 for air mail or special delivery shipments.

f. Add \$1.00 for individual shipments from a group order.

Price is subject to change in relation to the gold surcharge.

\*The Grand Treasurer is stocking some items that will be available for immediate shipment; these cannot be engraved before shipment.

Send jewelry order form and check payable to LAMBDA KAPPA SIGMA to:

The Grand Treasurer  
Mrs. Mary Grear  
340 N. Third  
Morton, Illinois 61550

Please use the standard jewelry order form as illustrated in the Manual for Chapter Operations.

## DEADLINES

OCTOBER 14  
Founder's Day

NOVEMBER 1  
Deadline for BLUE AND GOLD TRIANGLE Material

NOVEMBER 1  
Deadline for Applications for Cora E. Craven Educational Grants

NOVEMBER 15  
Deadline for Applications for Dr. B. Olive Cole Graduate Educational Grant

JANUARY 1  
Announcement of the recipients of the Cora E. Craven Educational Grants

JANUARY 15  
Announcement of the recipient of the Dr. B. Olive Cole Graduate Educational Grant

JANUARY 15  
Deadline for BLUE AND GOLD TRIANGLE Material

MARCH 1  
Send National Dues, Convention Fund, Triangle Assessments, Life Subscriptions for THE BLUE AND GOLD TRIANGLE and Contributions for Project HOPE

### NOTICE TO CONTRIBUTORS

All manuscripts [chapter reports, articles, notices, announcements, other material] submitted to the Editor should be ready for publication, typewritten, double spaced on good quality paper 8½ x 11" and 1" margins. All pages should be numbered consecutively. Each manuscript should be identified with the author's name and chapter. Photographs may be color or black and white whichever are lighter and clearer. They should be protected from bending and possible damage in the mails; do not roll photographs. Do not write on the back of photographs; identify individuals in the photographs on a separate sheet of paper.

## Lambda Kappa Sigma

*This is to honor*

*who has been a member of this fraternity  
for fifty years*

DATE \_\_\_\_\_ GRAND PRESIDENT \_\_\_\_\_  
GRAND SECRETARY \_\_\_\_\_

### SPECIAL PEOPLE

Did you know the Fraternity is looking for some special people? We desire to find them and give them our applause and admiration. Will you help us find them?

Either a collegiate or an alumnae may find one; but she will be an alumnae. We have a certificate to present to her and a Permanent Dues Paid card for her also.

These "special people" are women who have been sisters in Lambda Kappa Sigma for 50 years.

Please look in your chapter for these special people and when you find them, please send their names to the Grand Secretary, Avis Ericson, or the Grand Vice President, Shirley McCloskey.

Thank you.

**NU** —Drake University, College of Pharmacy, Des Moines, IA 50311

Pres: Gloria Bernstein, 1700 44th St., Des Moines, IA 50310

### THANKS FROM RECIPIENTS OF CORA E. CRAVEN EDUCATIONAL GRANTS

[Continued from Page 5]

of the recipients of the Cora E. Craven Educational Grant. I feel highly honored to be chosen for this Grant and will endeavor to use this assistance wisely.

This Grant will enable me to complete my educational goals. Hopefully, as the Fraternity has helped me, I will one day be able to help another sister in some manner.

Again, thank you very much for this award.

Fraternally,  
Kathy Logan, Alpha Xi
