LAMBDA KAPPA SIGMA -- INTERNATIONAL PROFESSIONAL FRATERNITY FOR WOMEN IN PHARMACY

Julia Pishalski Receives Distinguished Service Citation

JULIA PISHALSKI
Winner of the First
"Distinguished Service Citation"

This award is of special significance since it is the first time it has ever been given. "Distinguished Service Citation" given to a fraternity member who has contributed outstanding service to the fraternity. The member about whom you shall hear and honor certainly falls into this description and more. Let me read you her credentials—submitted from her chapter.

Julia was initiated into Omicron chapter in 1934. The chapter was chartered in 1930, but became inactive in 1932 because of the bank crash. In 1934, a group of women students wishing to become sorority members re-organized the chapter and were initiated. It was through Julia's efforts that contact was made with the Grand Secretary and the work was completed for a re-activation and Julia became the president of Omicron chapter. It was an enthusiastic group of members, and two years later, four of the members, including Julia, traveled to Boston to attend their first national convention.

So enthusiastic were they, that they invited the membership to come to Detroit for the next biennial convention. Not only did Julia attend and participate at the convention, but she returned with a national office—Midwestern Regional Supervisor (it was then called second vice president). Julia became chairman of the upcoming convention. With only a few dollars in the treasury, they worked hard and really came through with a marvelous convention, with money left over as well. At this convention, she was elected to her second national office—the four year member-at-large, for the term of 1940-1944.

Since the war broke out in 1941 and lasted until peace was signed in 1945 with Japan, no national conventions were held. Detroit was hostess to its first regional meeting held in 1944, and Julia was the chairman of that meeting. The Grand Council officers had an opportunity to get together at a PPA meeting in 1944, and Julia was selected to serve as vice president for 1944-1946. After the successful convention in Detroit in 1940, the alumnae members decided to form an alumnae chapter and in 1942 were chartered and Julia was elected as their first president.

After the war, the first convention was hosted by Rho in Portland, and at the time, Julia had twin sons, two months old, and made arrangements for the two grandmothers and her husband to look after them and traveled to that convention. At that convention she was selected to serve as the trustee of the Blue and Gold Endowment Fund, which really was not getting many life subscriptions. She re-wrote the rules, prepared special record cards and started working on obtaining life subscribers and it was very gratifying to see the fund grow, thus helping underwrite the publication costs of the Triangle. Her own chapter has the largest number of Life Subscribers to the Triangle.

In 1950, at the Indianapolis convention, Julia was elected to serve as Grand Secretary, an office which she held for eight years. Nine new chapters were added to our membership through her efforts. She introduced the idea of officer notebooks. To make her office more productive, the sorority was asked to purchase special office equipment to make the work easier. An addressograph, a mimeograph and adding machine were purchased, as well as a typewriter for the treasurer. She wrote the

(Continued on Page 5)

MARILYN HABERLE
Immediate Past Grand President

I would like to thank all of you for a productive meeting in Albany. Beta Chapter played the role of hostess chapter in a warm way. We all enjoyed their spaghetti suppers the evening at the race track and the tour of the Empire Plaza. They provided us with good weather and good hospitality. We were all concerned with Barbara Cianfa's auto accident, but we were relieved that Barb was all right.

The delegates elected a fine slate of officers and the Fraternity should enjoy another biennium of significant growth. I thank you again for your loyalty and affection. I shall wear the past president's pin and gavel with pride. The Royal Copenhagen lambs will always have a special spot in our home. The figurine is so symbolic of the feeling that I have for Lambda Kappa Sigma and for each of you.

Loyally,
Marilyn Haberle
Honorary Advisor

Pat Tanac, Chairman of Award of Merit, presenting the award to recipient Peggy Kaluz Frazier.

Award of Merit Presented

The words to describe our Award of Merit recipient, Peggy Kaluz Frazier, are unlimited vitality, coupled with enthusiasm. Although her own words may best describe her, "whole hearted open-minded participation!" We are fortunate to have these qualities directed to our profession.

Peggy was initiated into Alpha Iota Chapter, Ferris State College, Big Rapids, Michigan where she served as President, and Vice President of her chapter. In her graduation year, 1965, she was FSC Woman of the Year, and FSC Panhellenic Greek Woman of the Year, which proved to be signposts of future achievement.

Peggy is presently Pharmacy Director at Northern Michigan University Health Center Pharmacy in Marquette, Michigan where she lives with her husband and two children. We were pleased that daughter Patricia and Peggy's sister Carol were in attendance at the banquet.

She was the first woman appointed to the Michigan State Board of Pharmacy in 1973. In 1976 she served as Vice President, and this past January completed a term as President. She has served as the National Association Boards of Pharmacy Licensure Exam representative to the Jurisprudence Task Force, and was instrumental in the conversion of the Jurisprudence component of the NABPLEX examination from a subjectively graded exam to a 100 question subjectively graded test.

As a member of the Michigan Pharmaceutical Association for 12 years she has served on various committees, one of which involved the updating of the Pharmacy Law Book.

On the NMU campus and in the community of Marquette she has given numerous lectures on contraception, sexually transmitted diseases, drug abuse and poison prevention.

Peggy was the co-ordinator of the Marquette VD Clinic and a facilitator of the Teen Contraception Clinic under the auspices of Planned Parenthood.

She was named to Outstanding Young Women of America 1976 and 1977, and was Michigan's Outstanding Young Woman of the Year in 1977, and World's Who's

Who of Women 1977.

Her University activities include co-ordinator of affirmative action and Title IX compliance study committee, and Advisory Committee on the Handicapped.

Peggy's memberships include: Stray Lamb, Lambda Kappa Sigma, St. Paul's Episcopal Church, Zonta International, AAUW, PEO, FSC Alumni Board of Directors, League of Women Voters, ERA Fund raising committee, Republican Women of Marquette County, Child and Family Service Board of Directors and more. She is presently active in the Governor's race in Michigan state.

I take a quote from the candidate sketch Peggy presented as a Regional Finalist for the White House fellowship;

"Surveying where I've been, am, I can surely say 'You've been a long way baby', and yet I yearn for what knowledge, experiences lie ahead. Having this opportunity to compete for a Fellowship has, in itself, been a learning, goal identifying experience serving to remind me that individuals who fail to develop their own mental powers to the maximum not only deprive themselves of added enjoyment; they are also impeding progress of mankind toward a more perfect and humane civilization. Yes, we've come a long way, but we have a long way to go!"

The reading on the plaque presented to Peggy gave credence to three significant areas of involvement with the profession; In recognition of service to the profession through the practice of Pharmacy, the development of professional policy and contribution to community health. Following the presentation Peggy spoke to those assembled with special emphasis that women may be wives, mothers and enjoy a career, doing each task well, if she is willing to put forth the effort. She feels it will be a long time before the "man's world" becomes a "people world."

Upon her arrival home Peggy wrote a note asking me to share with Lambda Kappa Sigma Sisters her happy-hearted thanks for the Award and fellowship. She is pleased to know that LKS and Pharmacy are in such good hands!

Grand Council Days

Grand Council Days informally started on Thursday, July 20, when most of the officers began to descend on Albany in preparation of the 25th Biennial Convention. (My first note while driving into New York was "however did the Beta sisters manage to have the NY State Police paint their cars blue and gold?") Bringing each other up to date was interrupted only by growling stomachs. Several of us ate dinner at the Walk the Plank Buffet at the Turf Inn and we certainly did the meal justice. Yum.

Because of a back-up and weather delay in Chicago, several of the sisters were a few hours later than anticipated, but all who were expected arrived by about 11 p.m.

Friday morning, the 21st officially began the Grand Council meetings. Marilyn Haberle presented each of us with a great set of playing cards—blue and gold, of course! (Maybe we'll all be a little bit luckier using them, too.) We met from 9 a.m. right through into late afternoon, being saved from terminal sinitis only by a doughnut-toting Barb Cianfa. We broke for dinner, and had a delicious one—at the Cranberry Bog, near the hotel. (We all seem to be very artistic salad makers.) By evening, all of the Grand Council who were expected to be at the convention had arrived.

We got back down to work on Saturday morning and broke for a late lunch. Back to work again—but it was all worth it—we were rewarded by Beta Chapter's preview of part of the convention: a spaghetti dinner. We had quite a get-together—the collegiate and alumnae members who had arrived early were Beta's guests too. Many of us took a swim after we returned to the hotel (we needed it!)

Sunday began with the most unusual Mass that any of us ever attended—it won't be soon forgotten! After a quick breakfast, the meetings began again—but at least this time, the end was in sight!

The meetings ended—at least temporarily—late Sunday afternoon, and we were able to renew old friendships and begin new ones with the arriving sisters.

Patti Kienle

Monday, July 24, 1978

We started off our first day with a delicious breakfast in the court yard. After eating we moved upstairs to begin the sessions.

The meeting was called to order, the pledge of Allegiance was said and The National Anthems of the United States and Canada were sung. A memorial service for those sisters who passed away during the biennium was held.

The Grand Secretary called the roll: 22 collegiate delegates, 11 alumnae and 10 members of the Grand Council with only Shirley McClosky, Grand Vice President, not in attendance. The convention adopted the program and we began.

Officer reports started with Marilyn Haberle explaining what her duties as Grand President were. She traveled much representing us in PFA and IRAC, two umbrella organizations which benefit professional fraternities. She thanked all for their support during her term in office but said she would not seek re-election.

The other officers' reports included notes on travel for the fraternity, committees, Title IX, and expenses.

Collegiate chapter reports contained new ideas and themes for rush parties and affairs, money-making projects and pledging. Chapters were most interested in maintaining interest and curing apathy.

The alumnae chapter reports showed an increase in interest but the chapters are still looking for new ideas to promote interest and growth.

At the end of the business day we board busses for the Albany College of Pharmacy where we were served a delicious spaghetti dinner prepared by the Beta girls. Dr. Singer gave us a tour of the college after dinner and then several members of Phi Delta Chi gave our group a lesson on how to bet at the races. We returned to the Turf Inn, singing songs and enjoying stories from all the LKS chapters.

Nancy Franckak
Eta Chapter

Tuesday, July 25

We started this day off with breakfast of doughnuts and coffee at 9:30 a.m. in the courtyard of the Turf Inn. Next, the sisters of Lambda Kappa Sigma boarded the chartered busses and left for the Empire State Plaza in Albany. Upon arrival, we were divided into groups and toured the plaza including the Cultural Education Center, the New York State Museum, and the Tower Building. There was an excellent view from

the observation floor (on the 42nd story) of the tower and a few of the sights were: Hudson River, Adirondak and Green Mountains, State Capitol Building, the 'Egg' Meeting Center, Cathedral of the Immaculate Conception, and the Governor's Mansion. After touring the museum, sisters ate lunch in the cafeteria and returned to the busses at 1:30. (I should have said, **some** of the sisters returned to the busses because we found out later that two groups of seven girls each had gotten lost and missed the bus. Thanks to chauffeurs from Beta chapter, the lost lambs found their way back to the Turf Inn.) The busses returned us to the motel to relax, change clothes, and get ready for further travel to Saratoga Springs. There was a natural spring and geyser in the park and a few brave souls tasted the smelly (and radioactive) water! We also got to see the Saratoga Performing Arts Center, but we didn't stay to see the Earl Scruggs show that evening. Instead we left for the Saratoga Harness Track Clubhouse for an excellent buffet dinner and a few tips on the best horses to bet on for the evening. The eighth race was named in our honor and our Grand Council officers placed the collar of flowers on the winning horse. Despite a few poorly placed bets, LKS sisters returned many times to pick up their winnings including one sister who won the daily double! After the last race, we boarded our busses and made way back to the Turf Inn where we retired for the evening with lots of fun and a memorable day of the 25th "Silver" Biennial Convention behind us.

Marilyn Burton
Alpha Zeta

Wednesday, July 26, 1978

Wednesday arrived, and it was time to get back to business. The day started with coffee and doughnuts at 8:30 for the earlybirds. The rest of us, still sleepy eyed after an evening of Saratoga harness racing, brightened to the sound of Grand Council President Marilyn Haberle's gavel calling the meeting to order at 9:30 a.m.

The meeting opened with a discussion of Title IX, and Grand Council's explanation of their present stand and actions concerning Lambda Kappa Sigma's involvement. The services of lawyer Ronald Scott Mangam of Liss and Mangam, Chicago, Ill., have been enlisted and the matter is being deftly handled. After preparing and submitting a petition, LKS is now waiting in hope of being granted an exemption by the Office of Civil Rights. The Grand Council again stressed to all chapter the importance of holding fast to the traditional goals of LKS—those of uniting women in pharmacy with a common interest.

After a light lunch the afternoon session continued with important issues such as revenue sharing, chapter business policies, chapter training and public relations, and the establishment of new alumnae chapters as well as the maintenance of existing alumnae chapters. This time provided for informal exchange of ideas between collegiate and alumnae chapters individually.

Various committee reports followed a supper served on the hotel terrace. Adele Lowe began with the educational trust fund report. She stated that this year marked the first time Cora E. Craven awards can be drawn from scholarship funds alone. Adele also asked that any articles, pictures, poems, etc., of value to LKS for the scrapbook be sent to her as scrapbook chairperson.

Margit Harrison reported on Cora E. Craven and B. Olive Cole grants. Pat Tanac reported on the Award of Merit nominations followed by Avis Ericson with the rules and constitution committee report, along with the news of the annual LKS coffee hours.

Vickie Bean, Western Regional Supervisor and LKS Historian, asked that all chapters maintain a history report as part of their files. She also announced that this biennium had brought the awards of three 50 year membership certificates.

The nominations committee closed the business of the day with their decision for Grand Council and Regional Supervisor positions. Further nominations and voting were scheduled for the following day. The adjournment brought smiles of relief as the clock told all of us that it was time to begin unwinding for a good night's rest.

Much was accomplished during this day of business, but consistent with the entire week's activities, it was associated with pleasurable company and enjoyable interpersonal relationships so very much a part of Lambda Kappa Sigma sisterhood.

Debra S. Morse
Alpha Iota Chapter

1978-79 Grand Council and Honorary Advisors: Seated (l to r) Avis Ericson, Grand Secretary; Judy Riffée, Grand President; Patti Kienle, Grand Vice-President. Back row (l to r) Denise Ducharme, Northeastern Regional Supervisor; Adele Lowe, Honorary Advisor; Marilyn Haberle, Honorary Advisor; Vicki Bean, Western Regional Supervisor; Pam Ehlers, Grand Editor; Mary Grear, Grand Treasurer; Pat Tanac, Honorary Advisor; Judy Owens, Midwestern Regional Supervisor; Cheryl Whiting, Member-At-Large; Gloria Bernstein, Midwestern Regional Supervisor. Not present, Betty Susina, Southern Regional Supervisor.

Thursday, July 27

Thursday started by having coffee and donuts in the business meeting room at 8:30 a.m. This was a good idea because it saved a lot of time. The meeting began with roll being called to determine the number of voters present. Then the grand council resolutions were presented, all of which passed. They are:

1. Title IX resolution, where we want an exemption because we are a non-profit organization and are exempt from income tax, we are a social fraternity as described by law and the intent of Title IX is to protect women. Grand Council will also take care of any problems that arise.
2. We will retain Project HOPE as our national philanthropy project.
3. \$1,000 from the LKS general fund will be donated to Project HOPE for this biennium.
4. Revenue sharing will be continued.
5. A chapter training and public relations account will be started with \$300 put in for video tapes, printed materials, etc.
6. A clerical wages account of \$5,200 will be started for secretarial help for the grand secretary and grand treasurer.
7. \$5,000 will be donated to the Educational Trust Fund from the LKS general fund.
8. \$5,000 will be invested in a bank for one year at 6 percent interest.
9. \$11,000 invested at the treasury bill will be reinvested at the end of the period at the highest interest rate.
10. The budget presented was adapted.
11. Each regional caucus is to select a chapter to have a non-voting collegiate representative to grand council for the 1980 convention. This student must be returning to school in the fall following the convention.

Next came election of officers. The selections of the nominating committee were read and nominations from the floor were proposed. The new Grand Council is:

- Grand President: Judy Riffée
- Grand Vice President: Patti Kienle
- Grand Secretary: Avis Ericson
- Grand Treasurer: Mary Grear
- Grand Editor: Pam Ehlers
- Member at Large: Cheryl Whiting
- Northeast Regional Supervisor: Denise Ducharme
- Midwest Regional Supervisor: Judy Owens
- Southern Regional Supervisor: Betty Susina
- Midwest Regional Supervisor: Gloria Bernstein
- Western Regional Supervisor: Vicki Bean

CONGRATULATIONS ALL!

Next we broke up into regional conferences so we could get acquainted with the regional supervisors and discuss where the next regional meeting would be held and which chapter the collegiate representative to Grand Council would come from. After this Avis Ericson told us some news about our living charter founders and had pictures of them for us to see and letters to them for us to sign. Bidding for the 1980 convention took place and Alpha Gamma in Birmingham, Alabama won this. Alpha chapter in Boston also got the bid to host the 75th Diamond Biennial Convention. The report of the Memorials and Resolutions Committee was read and the Grand President

officially closed the business meetings of the 25th biennial convention. Judy Riffée then led us in the chapter song. Later, Frances Curran showed some movies from previous conventions and of Eta chapters activities that year. Then we had lunch with free time after to catch up on our sleep, shopping, visiting or getting our suitcases packed.

At 6 p.m. we all gathered again to get group and regional pictures taken. Punch, cheese and crackers were also served among all the flash bulbs going off. Then we went into the beautifully set banquet room and had a delicious meal of either roast chicken or beef stroganoff. The new Miss Personality, Shula Allen, from Alpha Xi was crowned and there was recognition of Past Grand Presidents in attendance. The efficiency cup was given to Nu Chapter. There was a tie for first honorable mention so both Chi and Alpha Mu chapter received this. Eta chapter received second honorable mention. Eta Alumnae won the Efficiency Gavel. Next Phi chapter gave a special presentation for appreciation to Adele Lowe. A gold certificate for 50 years since chapter founding was given to Alpha Alumnae chapter and a silver certificate for 25 years since chapter founding was given to Alpha Iota and Alpha Kappa.

The first ever Distinguished Service Citation was given to Julia Pishalski, a past Grand President and Honorary Advisor, to name a few of her titles. The Award of Merit was presented to Peggy Frazier who gave a very interesting and entertaining speech. The installation of the New Grand Council and transfer of the gavel then took place. A gift of a jeweled gavel was given to Marilyn Haberle and Alpha Zeta Collegiate and Alumnae gave Marilyn a gift in appreciation for all her service. Next there was recognition of Honorary Advisors for 1978-80 who are: Marilyn Haberle, Adele Lowe and Pat Tanac. There was also a candle lighting ceremony. Ruth Flaherty lit a candle in recognition of Grand Council, Pam Ehlers lit a candle in honor of 50 years of publication of the Triangle. Judy Riffée lit a candle in honor of reinstatement of the corporation of Lambda Kappa Sigma. Marilyn then gave a closing address and we sang the LKS song. Before retiring we all gathered in the hospitality room to have some 25th anniversary cake and to say goodbye to all our new friends.

All in all it was a great convention and I thank the Beta sisters for being such nice hosts.

Cherylin Johnstone
Chi Chapter

Collegiate Meeting

This meeting took place during Wednesday afternoon of the convention. The collegiate delegates and the majority of the Grand Council were on hand to discuss some of the major issues and problems with the collegiate chapters. Of course, there was not enough time to cover everything, but a lot was brought up and here are the highlights.

The first issue brought up was revenue sharing. It was discussed what would be the best way for the regional supervisors to use the money allotted them. It was suggested by the collegiates that the money be used for transportation to-and-from conventions,

A group picture from the convention

More News of the Convention

(Continued from Page 2)

aiding the hostess chapter on expenses, and leaving the remainder up to the particular region.

The next topic was chapter education and public relations. During the next biennium \$300.00 has been allotted for this purpose. This stirred up quite a bit of enthusiasm among the chapters. What this project could entail would be videotapes on officer training. This could be an asset to a lot of chapters and maybe eventually lead to some "mini regionals", in which two or three chapters could get together.

The subject of having a student member on Grand Council from each regional was also discussed. They would have a voice, but not a vote. This would be very good input for the Grand Council from the collegiates. It was decided that each biennium a chapter would be designated from each region, and it would be up to that chapter to select a representative.

Then the floor was open and the problems of inactive membership, apathy, and lack of interest were discussed. Time was running short, but a lot of ideas and suggestions were brought forth.

All in all, for such a short time period, a lot of important matters were discussed and it was just a good feeling to know that so many girls from all part of the country can share so much in common as in LKS.

Debby Warden
Alpha Omicron

to find out if women really can have it all. The conclusion? . . . You can have it all if YOU want to but there is no standard answer for all women. There are going to be problems but every woman's situation will be unique. The most important thing is to do what you want to do free from guilt; be assertive without being aggressive and obnoxious.

The format was enthusiastically received by the 30 alums who attended and it was a unanimous decision that programs such as this should be included in every regional and biennial meeting.

The remainder of the conference centered around the possibility of increasing awareness in Project Hope. Education for the chapters and new projects were discussed.

Patti Kienle further explained the revenue sharing program and asked for suggestions for spending the money. Possible methods mentioned were continuing education at regional meetings, defraying delegate travel costs, and the support of the regional meetings in general.

Patti also explained the mechanism for starting regional alumnae groups such as the Phoenix Metro chapter. This is an excellent method for increasing alumnae participation.

Before rejoining our collegiate sisters we suggested several resolutions to be submitted for Grand Council action.

Ruth Brown
ETA Alumnae

The Fire of Lambda Kappa Sigma Fraternity

The 25th Biennial Convention of Lambda Kappa Sigma Fraternity is now a part of the fraternity history. Many sisters worked diligently during the biennium to make this week a memorable experience. We worked hard together during the past several days, but we also took time to relax and to have fun getting to know one another. We are thankful for the delicious meals that sustained us through the convention. We are deeply grateful to our hostesses, Beta Chapter, and we thank them for giving us this convention. (Beta sisters were asked to stand as everyone demonstrated their appreciation.)

We have shared the remembrances of the past, honored present achievements and we have begun our future. Since this is an anniversary convention, and since some of our current business has reminded us of similar deliberations by our predecessors; it does seem appropriate to spend a little time delving into the past. Not only does it seem

appropriate because of our business deliberations, but it is appropriate because it is currently fashionable to delve into the past and to reflect on the roots of our beginnings.

Our first Grand Council was organized in May, 1922. This council ran the affairs of the fraternity until 1926 when Lambda Kappa Sigma realized that a more permanent structure of government was needed to keep up with a membership of 537 with 11 collegiate chapters and two alumnae chapters. Now why spend time talking about all of this when it is printed in the PLEDGE HANDBOOK and we all learn these facts before we are initiated into the Fraternity. Well, it is worthy of our time because these facts involve people, and it is really these people, or more specifically, these women in whom we are interested.

We cannot judge which woman has contributed the most to the Fraternity. Each has added her fire of enthusiasm to the glow of the warmth of our sisterhood in her own special way. We always must give some thought to our founder, Ethel J. Heath. If it were not for her concern for others and for her desire to provide a sistership among the women at the Massachusetts College of Pharmacy in 1913, Lambda Kappa Sigma might never have been organized. Now, wouldn't that have been sad for all of us! I did not have the privilege of knowing Ethel J. Heath. I did not have the privilege of knowing many of the women who were among our early distinguished members. We do still have correspondence with Mary Livingston. Mary made one of the first contributions to the Lambda Kappa Sigma Educational Trust because she still believes in the Fraternity. As we look at the roll call for that first Grand Council, we are made very much aware that we do know one of these pioneer members and that she is present with us tonight. This member has been at all of the conventions that I have attended and many, many more. She has represented Alpha Chapters well by serving on Grand Council for 16 years. She was Grand President from 1952-54. While she was service in this capacity, she wrote "The Creed of a Lambda Kappa Sigma Girl." When the Past Grand Presidents were recognized earlier in the evening, we gave her recognition. At this time, I would like Ruth Davies Flaherty to come forward to light a taper in recognition of the original Grand Council. (There was a candelabra with three unlighted tapers on a table in front of the speakers table. Ruth lit the first of the tapers.)

Ruth is our link with that original Grand Council. Ruth, we thank you and the other women on that council for their foresight which played a part in bringing us together

this evening. That first Grand Council revised the constitution and bylaws, they adopted the initiation ceremony which was written by Iota chapter and is still used today. They also wrote the installation ceremony and devised the form for the charters and finally prepared for the first national convention of Lambda Kappa Sigma which was held in Boston in 1926.

At that time there was no delegate fee and travel across the country was slower and more tedious than it is today. Women did not travel alone too frequently. I'm sure that these sisters had some interesting experiences as they traveled from the west and midwest to get to Boston. Alpha Chapter members wrote a mimeographed newsletter for that first convention. This was done primarily to give the delegates news of the chapters who were not represented in Boston. It was so well received by everyone at the meeting, and it seemed to be a way to more firmly unite the members by letting them know what each chapter was doing. The delegates decided to publish a newsletter on a regular basis and the Blue and Gold Triangle was born. It is still our medium for carrying the news of the chapters to one another.

Imagine the challenges that Anna Bee Haller Webster of Gamma Chapter had as she prepared that first edition. There was no Blue and Gold Endowment Fund. The fraternity was young and the treasury was small. That first Blue and Gold Triangle consisted of 64 printed pages. Anna Bee had to sell advertisements for a new magazine that she hoped to publish if she raised enough money. It took more than a little courage to start this venture and to talk people into supporting this unsure endeavor. If it had not for this spirit of adventure, we would not be celebrating 50 years of publication of the Blue and Gold Triangle. It is still the light that glows with the news of the chapters and the progress of Lambda Kappa Sigma. At this time I would like Pam Ehlers, Grand Editor, to come forward to light the second taper in honor of 50 years of publication of the Blue and Gold Triangle.

Besides printing the Triangle, the second Grand Council introduced the idea of observing Hygeia Day and Founder's Day. Rules governing the admission requirements of new chapters were adopted. Final steps were taken to complete the incorporation of Lambda Kappa Sigma under the laws of the State of Illinois on May 26, 1927. Why Illinois? Grand Council probably chose Illinois, because then as now, the state of Illinois has corporate laws which are favorable to not-for-profit organizations. The Fraternity was incorporated in 1927 to prevent any other organization from using our name.

The Articles of Incorporation were signed by Grand Council members: Germaine H. Karel, Norma S. Falcon and Marietta C. Day. Over the years, the significance of this incorporation became obscured. Because of obscured neglect and loss of records, the corporation was involuntarily dissolved in 1974. This was not known by the present Grand Council. All of these facts were discovered when Grand Council began digging into the past in preparation to better define the structure of Lambda Kappa Sigma. A legal opinion was sought, and it soon became apparent that the incorporation of the Fraternity could be reinstated which would confirm the status of the fraternity as a not-for-profit corporation in the State of Illinois.

The original articles of incorporation and the present constitution will be studied with recommendations for necessary amendments. We can immediately see that we changed from a sorority to a fraternity and that we added a phrase to our original purposes. This reinstatement of the incorporation of Lambda Kappa Sigma seemed to be the perfect tribute of this Grand Council as we observed the 25th convention of our Fraternity. I would like Judy Riffie to come forward to light the third taper in honor of the reinstatement of Lambda Kappa Sigma as a not-for-profit corporation in the State of Illinois.

These three tapers burning in front of us represent the light of Lambda Kappa Sigma. Judy will be the guiding light during the current biennium. This is not the whole story of the Fraternity. There is a future for Lambda Kappa Sigma. Each of you has been given a small candle. I would like you to light them at this time. This is the future glow of Lambda Kappa Sigma. Each of you can carry the embers of this convention back to your chapters so that the future light of Lambda Kappa Sigma will be sustained. We will close with the singing of the Fraternity Song. Thank you.

Address given at 25th Biennial Convention of Lambda Kappa Sigma Fraternity by Marilyn Haberle.

LAMBDA KAPPA SIGMA — Chapters Redistricting 1977

The Northeastern Region will include:

- Alpha - Mass. College of Pharmacy
- (*) Beta - Albany College of Pharmacy
- Xi - U. Rhode Island
- Pi - Rutgers
- (*) Alpha Beta - U. Conn.
- Alpha Pi - St. John's U.
- (*) (Sigma) - Columbia U.)
- (*) (Alpha Eta) - Long Island U.)
- (Alpha Rho) - Northeastern U.)

The Mideastern Region will include:

- (*) Delta - U. Pittsburgh
- Eta - Philadelphia College of Pharmacy & Science
- Tau - Duquesne U.
- (*) Alpha Alpha - Temple U.
- Alpha Omicron - West Virginia U.
- (Epsilon) - U. Maryland)
- (*) (Alpha Theta) - S.U.N.Y. at Buffalo)

The Midwestern Region will include:

- [10/77]
- Nu - Drake U.
 - Omicron - Wayne State U.
 - Phi - Butler U.
 - Alpha Zeta - St. Louis College of Pharmacy
 - Alpha Iota - Ferris State College
 - Alpha Mu - U. Toledo
 - (*) (Gamma) - U. Illinois)
 - (Theta) - Creighton U.)
 - (Psi) - Detroit Inst. of Tech.)
 - (Alpha Delta) - U. Michigan)

The Southern Region will include:

- Omega - Med. U. of South Carolina
- Alpha Gamma - Samford
- Alpha Epsilon - U. Tennessee
- Alpha Kappa - U. Georgia
- Alpha Nu - U. Kentucky
- Alpha Sigma - Texas Southern U.
- (Iota) - U. Oklahoma)
- (Kappa) - U. Kansas)

The Western Region will include:

- (*) Lambda - U. Southern California
- Mu - Washington State U.
- (*) Rho - Oregon State U.
- Upsilon - Idaho State U.
- Chi - U. Washington

() inactive chapter

• Alumnae chapter chartered

Distinguished Service Citation

(Continued from Page 1)

Induction Ceremony for Honorary members. She also introduced a newsletter—Lamb's Tales to replace the regular monthly letters going out to chapters. She worked to have Lambda Kappa Sigma become International during 1956, when Alpha Lambda was chartered in Canada.

She introduced the Buzz sessions for regional meetings during conventions, she also introduced the idea of a Junior Grand Council. She revised the Pledge Handbook twice and updated the Ritual and had that reprinted. She introduced the separate conferences at the convention for collegiates and alumnae meetings. She served as chairman of Omicron's 25th Anniversary Party, which included invitations to the entire membership of the College of Pharmacy. She introduced the questionnaire type of report for delegates at the convention. In 1958, she was elected as the Grand President and re-elected to two more terms and was the first Grand President elected to three terms as Grand President. To celebrate the sorority's 50th anniversary, she single-handedly wrote and published a Golden History book of Lambda Kappa Sigma. It was 104 pages long and had encouraged chapters to contribute biennial historical data for future reference.

In 1960, the national convention came back to Detroit, and she was the convention co-ordinator. During her term of office as Grand President, three more chapters were installed. She introduced the visitation program to chapters and traveled to many at her own expense long before officers were re-imbursed for their travel expenses. During her term as president, the first monetary scholarships on the national level were given. In 1964, she was elected to serve as Member-at-Large for two years. Two years later, she was selected as Honorary Advisor and is still one. During her sorority career, Julia attended every convention. She has 18

to her credit and this one in 1978 makes it 19.

She has served a total of 24 elected years on the Grand Council, four appointed years as a trustee of the Blue and Gold Triangle Endowment Fund, and already 12 years as an Honorary Advisor. This adds up to 40 years of service to her fraternity. She is a life member of the APhA and this year is completing her 40th year of employment in the field of pharmacy. She was honored by her own college giving her a Distinguished Service Award in 1960, and she has appeared regularly in Who's Who of American Women since the first edition in 1959.

Her leadership qualities were recognized and she was tapped to serve on the Professional Panhellenic Association Executive Committee. She served a total of 10 years as an officer in that association, two as Member-at-Large, six as Vice President and two as President, thus bringing recognition to Lambda Kappa Sigma.

In 1975, she has seen a long anticipated dream materialize—when the Lambda Kappa Sigma Educational Trust of which she was the instigator, became a reality—an idea that she had nurturing in her heart for many years. She is now serving as a member of the Lambda Kappa Sigma Educational Trust Committee.

Much more could be written about her other activities beyond the fraternity world. But since this award is determined on service to the fraternity, we will not go into that except to note the Biographical Data Sheet—less it take two pages or perhaps a book to cover them all. In closing it might be worthy to mention that all of the 40 years of service to her fraternity were only because she is a skillful organizer combining being a mother, a wife and working as a pharmacist all at the same time. Her accomplishments are hard to match.

Avis Ericson, Grand Secretary; Cindy of Beta Chapter; Denise Ducharme, Northeastern Regional Supervisor; Pat Pozella, Beta Chapter President; Marilyn Haberle, Grand President; and Adele Lowe, Member-At-Large congratulating the winner of the Lambda Kappa Sigma race at the Saratoga Race Track.

A-Lambnae News

It will take a long time to assimilate all of the ideas we gained during the Albany convention. Yet, there is one thought that has been laced through every collegiate and alumnae conference ever recorded: how to keep graduating sisters interested in Lambda Kappa Sigma.

Two inter-related thoughts were noted by those sisters attending this past summers' meetings. One alumnae, Norma Wells, mentioned that this interest cannot be stimulated well past graduation, but must come as a part of a pledging. Additionally, Tau Chapter mentioned that their pledges are given Big Sisters in the Alumnae Chapter.

Wouldn't that serve to solve both sides of the problem? Having an alum Big Sister would certainly let the pledges know that a viable chapter exists for them after graduation. You have no alumnae chapter, you say? Why not ask your alumni office at school for present addresses of local or not-so-local LKS sisters who have gradu-

ated.

The renewed interest that could come about by a pledge writing to an alumnae sister may well serve to strengthen, reactivate, or begin your alumnae chapter.

Our fraternity has so much more to offer than just undergraduate activity. How about becoming a part in restimulating an alumnae sister's interest?

Patti Kienle
Grand Vice President

NOTICE TO CONTRIBUTORS

All manuscripts (chapter reports, articles, notices, announcements, other material) submitted to the Editor should be ready for publication, type-written, double spaced on good quality paper 8½ x 11" and 1" margins. All pages should be numbered consecutively. Each manuscript should be identified with the author's name and chapter. Photographs may be color or black and white whichever are lighter and clearer. They should be protected from bending and possible damage in the mails; do not roll photographs. Do not write on the back of photographs; identify individuals in the photographs on a separate sheet of paper.

Blue & Gold Triangle

LAMBDA KAPPA SIGMA .. INTERNATIONAL PROFESSIONAL FRATERNITY FOR WOMEN IN PHARMACY

The Blue and Gold Triangle is the Official Publication of Lambda Kappa Sigma, International Professional Fraternity for Women in Pharmacy, published quarterly by Lambda Kappa Sigma.

MRS. LARRY EHLERS, GRAND EDITOR
406 Friendly Dr., Red Bud, IL 62278

History of the Blue and Gold Triangle

(Continued from Last Issue)

As we slipped into the '60's, so much activity was going on fraternity-wise. Lambda Kappa Sigma was very active in Professional Panhellenic through the years and some of her members were officers in this organization. Through PPA, we became active in Interfraternity Research and Advisory Council (IRAC). The fraternity people became one big family, working together to help one another to share problems and successes.

Great sorrow struck us when death suddenly took Cora Craven on March 6, 1960. She will long be remembered, for she designed our seal in 1919 and then later it was adopted by the Grand Council as our National Seal. She also designed our pledge pin, the badge and the honorary member pin.

A new "baby chapter," Alpha Omicron at the West Virginia University School of Pharmacy joined us in March, 1960. The regions were growing by leaps and bounds. By now there were 37 collegiate chapters including Alpha Xi chapter at the College of the Pacific at Stockton, California. Alpha Xi had made its appearance as the last chapter of the 50's. The expansion also included a total of 16 alumnae chapters showing the increased interest of "keeping in touch" with each other by forming alumnae chapters whenever and wherever possible.

A program was instituted to start an alumnae-at-large program to be called "Stray Lambs." This was one of the results from the 1960 Detroit convention. Even more importantly, the convention-at-large voted to activate our first national scholarship of \$200.00 to be presented annually to an upperclassman to help defray tuition costs.

We joined the International Pharmaceutical Students Federation as members-in-association. Also purchased a piece of antique furniture for the Hugh Mercer Apothecary Shop, the national shrine to Pharmacy in Fredericksburg, Virginia.

This was the year the first Award of Merit was given, and B. Olive Cole was the recipient.

The APhA conventions were becoming a "meeting place," for our sisters who attended them and our pharmacy friends from the other Professional Pharmaceutical organizations. So in Chicago during the APhA convention in 1961 there was a Lambda Kappa Sigma sorority breakfast with 56 in attendance. All 56 names were listed in that Triangle and a promise to make such an event a possibility at each APhA convention hereafter.

More articles appearing about the growth and influence of Women in Pharmacy. "She was the professional woman who practiced Pharmacy as her vocation, yet she was influencing others while attending PTA meetings and other organizations to which she belonged." She was important.

The Food and Drug Administration was beginning to become a by-word. Every registered Pharmacist was to receive the FDA manual and encourage ethics more than ever because drugs were more potent than ever, and the misuse of drugs by the patient could be very serious.

The Spring 1962 issue of the Triangle reported several articles on the SS Hope . . . interestingly detailed with preparations for Margaret Sherwood's trip to Latin America . . . plus her activities in Indonesia . . . And anchored in Saigon, along with surgery, training, teaching (18) specialties in all, oral surgery was introduced for the first time by Project HOPE to Vietnam and is maintaining a continuous program in oral surgery in that country.

Of interest to us, of course, is that Margaret F. Sherwood, a member of Delta Chapter, served aboard the SS HOPE. She was the first woman Pharmacist to do so. In a later issue of the Triangle, she gave a report from Peru.

The new Lambda Kappa Sigma Embroidered Emblem was pictured in the 1962 issue.

Due to the illness of Amelia DeDominicis, Grand Editor of the Triangle, Ursula Biermacher took over as Editor in 1962-63.

On to the "Freedom Trail" and the Golden Anniversary of Lambda Kappa Sigma in Boston where it all started. The Fall issue of the Triangle told it all in words and pictures. A memorable convention with two living Founders present, Mary Livingston and Annabel Jones.

The first scholarship was awarded . . .

later to be called The Cora E. Craven Educational Grant.

A Golden History Book of Lambda Kappa Sigma was written by Julia Pishalski. The membership at the first 50 years had increased to 4500 members with 38 collegiate and 19 alumnae chapters.

With sadness we learned of the death of Amelia DeDominicis in 1963, who had to give up the job as Grand Editor due to illness.

The Fall issue 1963 was a beautiful white color with gold letters on the front. Our new Grand Editor, Donna Michel, wrote, "WE TAKE THIS OPPORTUNITY TO PAY TRIBUTE TO ALPHA CHAPTER ON THE FIFTIETH ANNIVERSARY OF OUR FOUNDATION BY DEDICATING THIS ISSUE OF THE BLUE AND GOLD TRIANGLE OF LAMBDA KAPPA SIGMA TO THEM."

Another new chapter, Alpha Rho, appropriately joined us during our 50th year, at the Northeastern University on Boston, Mass.

Another loss to Lambda Kappa Sigma was Past Grand Editor from 1932-34, Ethel Herdlicka. Ethel was an assistant editor for several years after that, besides she was serving as Grand Treasurer at the time of her death.

1968 found Julia Pishalski serving as President of PPA. To conform with PPA, we now refer to ourselves as Lambda Kappa Sigma Fraternity.

By the end of the 1960's, the enrollment of women in pharmacy was increasing at an exhilarated pace. Chapters were reactivating. A national problem of Drug Abuse was coming into the picture stronger than ever. There was a great need for qualified professional people to inform the public of this great danger. Our Lambda Kappa Sigma sisters were planning programs for becoming involved.

At the unfolding of the 1970's, we were meeting this great challenge not only as a chapter, but on an individual basis. Our involvement was appreciated especially in our own communities. It was all reported in the Blue and Gold Triangle of their efforts. Confidence in the woman Pharmacist took on a new look in the eyes of the layman, and rightfully so.

Project HOPE was still the national project, receiving increasing support from Lambda Kappa Sigma and its chapters.

Ten Cora E. Craven Educational Grants were now being offered per biennium.

Chapters celebrating their 50 years of existence were coming into the scene . . . each proud of the 50 year certificates awarded to them. Many 25-year certificates had been awarded all along.

February, 1970 brought us another new chapter, Alpha Sigma, installed at Texas Southern University. This was our first all black chapter. So enthusiastic were they, that two of the girls attended their first convention a few months after they were installed.

Chapters were reporting organizing and attending Seminars and Continuing Education programs. With social changes taking place, it was imperative that the pharmacy graduates add their proficiency and experience to the community.

The first interim Grand Council meeting took place in 1971 proving to be very effective in providing communication with each other and discussing and perfecting new rules, more scholarships and/or any fraternity problems.

Lambda Kappa Sigma lost another of its most dedicated and brilliant members in June, 1971, Dr. B. Olive Cole.

The Convention issue of the Triangle in November, 1972, had a new look. With the cost of paper rising continuously, we had to find a more reasonable way to publish our periodical and stay with our means to afford one. We tried the newspaper-type issue, and it is still with us.

The first 50-year membership certificates were awarded, and a new scholarship for graduate study was being offered by Lambda Kappa Sigma for the first time. It was named after one of our most distinguished members, Miss B. Olive Cole.

Donna Michael Luchtman handed the Triangle over to Pam Ehlers in 1972, and Pam is still our Grand Editor.

The Blue and Gold Triangle has become the NEWS OF LAMBDA KAPPA SIGMA. In order to save postage and costs, all of

the Newsletters, such as Lamb's Tales and A-Lambnae News formerly sent by separate mailing are now between the covers of the Triangle.

With the price of gold fluctuating on the market, we found a Karat Klad jewelry for our badges available at a more affordable price.

The long-awaited Pharmacy Stamp was dedicated in November, 1972. It became one of the most popular stamps ever.

Willette Cheever passed away in Honolulu. Another one of our Founders, she always welcomed any sisters visiting Hawaii.

1973 . . . Lambda Kappa Sigma, 60 years old. Many changes due to the times, but basically the same strong foundation laid by those aspiring and dedicated sisters before us. The membership had grown by leaps and bounds, and we were constantly more and more active with positive programs and advantages. It all was and is reported in full in the Blue and Gold Triangle, our great communication center. A BEAUTIFUL ISSUE OF THE TRIANGLE'S 60TH ANNIVERSARY!

The first Metropolitan chapter of Lambda Kappa Sigma was installed. Phoenix Metro chapter is composed of "Lambs" from many chapters of the fraternity who are living in the Phoenix area now.

Second generation members were growing up . . . Chi chapter has three mother-daughter combinations.

Articles were being published about a new problem which seemed to be coming into the scene with great concern to us . . . coed fraternities . . . Lambda Kappa Sigma still choosing to remain a single sex organization.

1975 . . . the first donation to the LAMBDA KAPPA SIGMA EDUCATIONAL TRUST was made. The tax exempted Trust has increased in dollars from contributions from individuals, chapters, and Lambda Kappa Sigma sisters. This will

support all scholarships in the future.

New jewelry came out in the form of Pendants, Rings, and Pins. The beautiful Hygeia emblem was submitted by Eta Chapter and made into an outstanding and striking piece of jewelry by Balfour.

Along with the Bicentennial celebration of America, we were reminded that America's fraternities were celebrating their birthday too. Imagine representation from the college fraternity world estimating five million members!

"Title IX is causing anguish, and confusion," quotes the Blue and Gold Triangle in its November, 1976, issue. "As the situation now stands, we can be challenged on our membership requirements. We have the rights of our basic freedoms: Freedom of speech, thought, assembly and belief as guaranteed to us by the Constitution." This will become one of the biggest issues at the 1978 convention in Albany.

At the 1977 PPA convention in Indianapolis, the Professional Panhellenic Association (founded 1925) and the Professional Interfraternity Conference (founded 1928) consolidated into the Professional Fraternity Association due to Title IX problems. All is reported in the Triangle.

So as our sisters continue to make strides, receive awards, accept responsibility, have fun, continue to give generously of themselves to benefit everyone . . . it will all be printed in the Blue and Gold Triangle . . . Our very own newspaper, which ranks among the best.

We must remember the intention of the handful of sisters who established our Blue and Gold Triangle. "A common interest in the Science of Pharmacy brought us together." This was to "know one another" through our publication.

It would take pages to thank everyone who made our Triangle a success.

Adele Lowe

About Project HOPE

By early 1979 Project HOPE will have fulfilled plans for the Project HOPE Health Sciences Education and Research Center. This is a major step on expanding the Project's horizons not only in the field of international education but also in meeting its obligations to the needs of health problems in the United States.

Project HOPE (Health Opportunity for People Everywhere) is the principal activity of the People-to-People Health Foundation, Inc., an independent nonprofit corporation. Its principal objective is to teach modern techniques of medical science to medical, dental and allied health personnel in developing areas of the world.

Project HOPE began in 1958, the idea of Dr. William B. Walsh, now President and Director of the Project. The S.S. HOPE, the world's first peacetime hospital ship, sailed on her maiden voyage in 1960. That trip was to Indonesia and South Vietnam and missions followed to Peru, Ecuador, Guinea, Nicaragua, Colombia, Ceylon, Tunisia, the West Indies, and Natal and Maceio, Brazil. Upon the request of a host country HOPE selected a cadre of medical personnel to remain when the ship departed after a mission. Teams of up to 20 physicians, dentists, nurses, and allied health personnel followed up on teaching programs instituted during the initial mission.

Project HOPE departed from its ship-oriented programs in 1969 and began employing the teaching techniques learned abroad in existing facilities in the American Southwest. A new domestic program in El Paso opened in 1974.

In April 1974, the decision was made to retire the S.S. HOPE. With the ship no

longer part of the operational capability, HOPE has been able to respond to invitations from countries which did not have adequate port facilities, countries in equal need.

Project HOPE has become one of the outstanding international health education foundations in the world, a reputation that is well deserved. The unique quality of HOPE's teaching programs has been that they span the entire spectrum of health sciences from medicine, nursing, dentistry, every kind of paramedical science, indeed to the lowest levels of the support fields. HOPE's team approach to health care planning, hospital planning and health economics is well known; its teams now explore new dimensions in the fields of nutrition and family planning.

Every president since the Project's development has praised its humanitarian good and its earned role as one of America's top "ambassadors" abroad. President Dwight D. Eisenhower called it "the single most effective step in presenting America as a warm and good friend."

One Great Convention Over Another in the Making

The Alpha Gamma Collegiate and Alum Chapters met to establish a pilot committee to begin the planning for the 26th biennial LKS Convention in Birmingham, Alabama. Southern Hospitality will prevail. One suggestion has been to have a chapter design a banner that depicts the spirit and/or area of the Chapter. They could be used in a demonstration of the Founders Day Ceremony that would truly impress the ceremony on the minds of the delegates so that the ceremony will always have more meaning for them. If you like the idea let Phyllis Damron, Convention Chairman know. Phyllis is open to any ideas that you might like to suggest to the planning committee. Alpha Gamma Chapters are the hostess but this is your convention. Send your input to Alpha Gamma c/o Phyllis Damron, 3412 C Sanders Ct., Birmingham, Alabama 35209.

MOVED? NEWLY MARRIED?

If you change your address or name please notify The Grand Editor before the change is made so you will be sure to receive your Blue & Gold Triangle. Send your Address or Name change to:

HYGEIA DESIGN JEWELRY
September 1, 1978

The Hygeia Design Jewelry is available from the Grand Treasurer. The jewelry is "non-official" which means that it may be worn by non-members. A chapter or a member may purchase any of the listed items as a special gift for presentation to Patrons, Faculty Advisors, Honorary Members, parents, etc. Permission is not required to make these presentations.

| Item | 10K | Balclad |
|------------------------|-------------|-----------------|
| Pendant with 18" chain | HDP 27.40 | B-HDP 12.45 |
| Charm with jump ring | HDC 32.70 | B-HDC 10.65 |
| Ring (state ring size) | HDR 62.50 | |
| Pin | HDPIN 31.35 | B-HDPIN 10.65 |
| | White gold | Sterling Silver |
| Ring (state ring size) | HDRWG 67.20 | HDRSS 39.40 |
| Charm with jump ring | HDCWG 37.40 | HDCSS 10.65 |

In addition to the cost of the jewelry, the following charges must be added where applicable:

- Engraving* charge of \$1.30 per item (includes chapter letter(s) and owner's initials).
- Add \$1.00 postage and handling on all orders **over** \$15.00.
- Add \$2.00 minimum order charge on all orders **under** \$15.00.
- Add \$1.25 for air mail or special delivery shipments.
- Add \$1.00 for each individual shipment from a group order.

*The Grand Treasurer is stocking some items that will be available for immediate shipment; these cannot be engraved before shipment.

Send jewelry order form and check payable to LAMBDA KAPPA SIGMA to:

The Grand Treasurer
Mrs. Mary Gear
340 N. Third
Morton, Illinois 61550

Please use the standard jewelry order form as illustrated in the Manual for Chapter Operations.

OFFICIAL BADGES--For Members Only

The following prices reflect new price quotations from Balfour and revised gold surcharges.

(U.S.) JEWELRY PRICE LIST*
September 1, 1978

All official jewelry listed below must be ordered from the Grand Treasurer on the official order form. Each order must be accompanied by a check or money order payable to LAMBDA KAPPA SIGMA for the correct amount including taxes and all charges. All orders should be placed by May 1 as Balfour closes during the summer. If an order is not received within 60 days, notify the Grand Treasurer. Badges, guards and pins are offered in 10 karat gold (10K) and in Balclad (B) gold plated styles. Order by **code number** which also indicates the cost. Chapters will be notified in case of a price revision.

| Item | Code# | |
|--|-------------|---------------|
| | 10K | Balclad |
| Plain gold badge | PGB 16.35 | B-PGB 5.80 |
| Close set pearl badge | CLB 30.10 | B-CLB 18.75 |
| Crown set pearl badge | CRB 40.00 | B-CRB 27.50 |
| Plain gold single letter guard | PGSLG 9.20 | B-PGSLG 5.80 |
| Close set pearl single letter guard | CLSLG 15.75 | B-CLSLG 11.55 |
| Crown set pearl single letter guard | CRSLG 18.65 | B-CRSLG 13.40 |
| Plain gold double letter guard | PGDLG 12.35 | B-PGDLG 6.30 |
| Close set pearl double letter guard | CLDLG 24.65 | B-CLDLG 19.40 |
| Crown set pearl double letter guard | CRDLG 27.55 | B-CRDLG 22.05 |
| Chapter president's badge | CPB 59.00 | B-CPB 34.85 |
| Ethel J. Heath Key | | B-EJHK 12.35 |
| Honorary Member pin | HM 17.55 | B-HM 6.55 |
| Pledge pin - gold electroplate | PP 3.45 | |
| Identification pin - Balfour golden finish | IP 3.35 | |

In addition to the cost of the jewelry, the following charges must be added where applicable:

- Engraving charge of \$1.30 per item (includes chapter letter(s) and initiates initials).
- Add \$1.00 for postage and handling on all orders **over** \$15.00.
- Add \$2.00 minimum order charge on all orders **under** \$15.00.
- Add \$1.25 for air mail or special delivery shipments.
- Add \$1.00 for each individual shipments from a group order.

The Grand Treasurer orders the Membership Certificate AND Badge for new members from Balfour **after** she has received the pledge fee (\$2.00), initiation fee (\$8.00), jewelry charges for badge, guard, pearls, engraving, etc., AND a **complete blue card**.

Officer's dangles, glass and ceramic ware with the LKS crest, etc. may be ordered directly from Balfour. Request the Blue Book from L.G. Balfour Company, Attleboro, Mass. 02703; there is no charge.

Notify the Grand Treasurer of any errors on Membership Certificates of jewelry orders BUT be sure to write up the orders clearly and spell names correctly.
