From the Editor

All too often, when I talk to graduate Brothers they refer to Kappa Psi as a collegiate experiences, forgetting that Kappa Psi is for life. While we may rue that statement, unfortunately we as a fraternity do very little for our graduate Brothers except ask them for money. Or at least that is their perception. Well, my fellow graduate Brothers, in this issue are two examples of how the fraternity can assist you. First

Graduate Member at Large, Mike Dewese has information on the Graduate Development Committee. Drop Mike a line or call him for more information. Secondly Brother Seymour, as a member of the Alumni Retirement Committee has a very interesting article on our Brothers who are approaching retirement ago and also those who may be eligible for a Golden Mortar Certificate. Now both of these opportunities require some action from the graduates. At least they are being offered, if you do not take advantage of these offers, you can blame no one but yourself. Also in this issue are the usual chapter news articles. In my years as Editor, I have been continually impressed by the contents of these news reports as well as how well they have been written. The chapter historians are the real backbone of The MASK. I salute them all and encourage you to read the articles, not only the one from your chapter. As always your comments and suggestions concerning The MASK are expected and appreciated.

Tony Palmieri

Who has served the longest as Editor of The MASK?

Fourteen brothers have served as Editor of The MASK since its inception in 1904. Three of them have been graduates of Gamma Chapter. Brother Richard Bliss held the office for 31 years, from 1910 until his death in 1941. Preston Eldridge, another legend of Kappa Psi, was elected as the original editor in 1904, and held the position three different times although he was neither a pharmacist nor a physician. Our current editor, Anthony Palmieri III, has edited our publication longer than any other brother excepting Richard Bliss. As we search for another brother to continue the work of this most important publication, we thank Tony for his long tenure and wish him the best.

From the Grand Regent

Since it has been seven months since the adjournment of the 46th Grand Council Convention, I thought you might be interested in knowing how your Fraternity is faring—a “State of The Fraternity” message—so to

speak. The following is a capsule version. More detailed information will be provided by various authors in subsequent issues of The MASK.

Membership continues to grow—both in existing chapters and of course, via the activation of our newest Collegiate Chapter, Delta Nu, at Midwestern University, Chicago College of Pharmacy.

Province Assemblies have begun in earnest with each Assembly adding something unique to the common experience called Kappa Psi. They truly are an extension of The Grand Council!

Kappa Psi's Exhibit has been on display at the ASHP Convention in Atlanta and will again be on display in Seattle for the APhA Convention. Over 600 Brothers will have stopped to visit with The Executive Committee and to “catch up” on Fraternity

activities. As a side note, Atlanta marked the return of the original Bernie Zambini after a hiatus of a few years.

The highest award conferred by the Fraternity to an individual who has contributed significantly to the profession of Pharmacy was presented to Dr. James Doluisio at the Annual Kappa Psi Reception held in conjunction with the APhA Convention. Not only did Brother Jim receive our recognition, he received the recognition of APhA as he was this year's recipient of the Remington Honor Medal.

Awards reflecting the Collegiate Chapters judged “Best” in their respective Provinces were also awarded at the Kappa Psi Reception. Determining “The Best” is always challenging!

Numerous Scholarship Certificates have been issued to Collegiate Brothers displaying excellence in their academic endeavors; and, speaking of Scholarship, Kappa Psi Pharmaceutical Foundation, Inc. is now a reality. Many years of hard work have now come to fruition!

Kappa Psi's History Book is drawing great reviews from those who have purchased the book for their own library or who choose to use it as a gift to a Little Brother, Big Brother or blood relative who happens to be Kappa Psi. Don't wait too long to order yours!

Chapter visitations have begun with several Chapters targeted for a visit in the near future. From past experiences, a good

Chapter visitation is worth its weight in gold!

Plans are being formulated for the next Grand Council Convention in the Summer of 1995. It is important to note that the site has not been finalized as all the data have not been collected and analyzed. Once that occurs, a decision will be forthcoming from The Executive Committee.

As you will note from the advertisement, the Fraternity is still in search of an Editor. If you feel you can contribute your time and talent, please send a resume to The Central Office—ASAP!

All in all, I am pleased to report that the Fraternity appears to be sailing smoothly! The enthusiasm of the Committees, both standing and special, has been terrific! The financial support from our graduate brothers has exceeded expectations and I cannot say enough about the Collegiates who are continuing to follow the great tradition of our noble order!

That being said, be assured that your officers, the Executive Committee and The Central Office will continue to keep a vigilant eye lest this smooth sailing ship encounter an iceberg!

Looking forward to meeting with many of you in the months ahead, I remain

Fraternally yours,
Paul J. Hiller, R.Ph.
Grand Regent

(ed. note: Portions of this column were inadvertently omitted in the last issue. It is reprinted here in its entirety)

Greetings and a belated Happy New Year! I have two pieces of good news to report:

- 1) The New Year's Day Bowl Games are history and
- 2) The Super Bowl is right around the corner.

Being somewhat of a sports fan, I cannot help but notice some of the similarities between professional sports and professional fraternities: professional leagues are comprised of several franchises aligned in certain divisions or conferences. Each franchise has its own head coach, assistant coaches and general manager. Each franchise and each conference is an integral part of the league.

Kappa Psi is a professional fraternity comprised of several Chapters aligned in certain Provinces. Each Chapter has its Regent, Executive Committee and Grand Council Deputy, while each Province has its Satrap, Executive Committee and Province

Supervisor. Each Chapter and each Province is an integral part of the fraternity.

Another similarity between the two is the concept of teamwork. Without it, franchises fail, conferences are weak and the league is so-so. With teamwork, franchises thrive, conferences are strong and the league is “A #1.”

I like to think that Kappa Psi is “A #1.” Now in its 115th year, Kappa Psi has come a long way since its inception and its original three franchises. (Another expansion team to be added in the very near future.)

It did so with teamwork, with service over self and not with an “I, me, mine” mentality. There was no room for hot dogs then and there is not room now.

As we begin this New Year, let each of us evaluate or re-evaluate our role as a team player—as a Kappa Psi brother. Are we giving our all toward making our Chapter the best that it can be? Are we, as Chapters, actively contributing to the success of our Province? Are all of us, collegiate and graduate alike, doing our share to keep

Kappa Psi Pharmaceutical Fraternity, Inc. in a league of our own?

As you continue to read this edition of The MASK, pay close attention to the Chapter News which will tell you how our “franchises” and “conferences” are promoting teamwork and Brotherhood. If you like what you read and you want more information, call the author. Better yet, why not make a point of attending their next Province Assembly or of inviting them to yours. Not only is interconference play supported, it is encouraged!

Above all, please remember one thing—never get complacent—never rest on your laurels lest some other “League,” like a thief in the night, whisk you from the penthouse to the outhouse in one fell swoop! (Look at the '93 Mets!)

Looking forward to meeting with many of you throughout the year, I remain.

Fraternally,
Paul J. Hiller
Grand Regent

Graduate Development 101

Brothers welcome to Graduate Development 101, the objective of this course is to determine the needs and interest of our graduate brothers. This course is self taught, self paced, and self served. Upon completion of Graduate Development 101 you will be enrolled in Graduate Development 102 and thereafter Graduate Masters then ready for your Graduate PhD to be completed at the next Grand Council Convention in August 1995.

So let's begin Graduate Development 101. The Graduate Development Committee has members from each province in Kappa Psi.

Now send or mail us your top ten ideas, needs, or interest by July 1, 1994.

“Kicking Butts” with Delta Eta

During the American Cancer Society's 17th Annual Great American Smokeout, we were “Kickin’ Butts” in New Orleans.

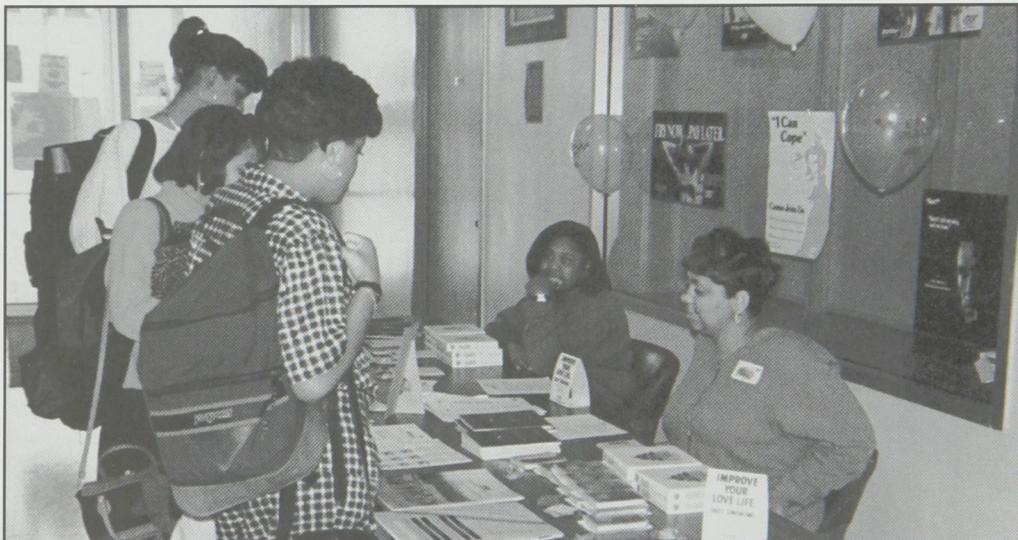

On campus, members of the Rho Chi Honor Society joined most of the brothers to educate and distribute pamphlets about tobacco awareness, videos on how to quit smoking and other kinds of anti-smoking paraphernalia to students, faculty and staff. Posters and flyers were also displayed throughout the College of Pharmacy. The information provided was donated from the Greater New Orleans Unit of the American Cancer Society (ACS), Marion Merrill-Dow and Ciba-Geigy Pharmaceuticals. It seems as though everyone who came by was gathering information to give to family members, friends or teachers (of course, none of them were Kappa Psi Brothers) who smoke. When lunch time came around, we knew our project was a smoking success, thanks to the cold turkey smoked sandwiches provided by Glaxo Pharmaceuticals.

Meanwhile across town, some of our brothers and Rho Chi Members participated in the city wide celebration of the Smokeout with the American Cancer Society, New Orleans style. The event took place on the grounds of a community center located in an area where the residents are predominantly African-Americans including some who are

socioeconomically disadvantaged. Despite the absence of other area medical and nursing students, the brothers and Rho Chi were on hand to distribute the same information given on campus to persons who really want to quit smoking. Following a brief ceremony and a formal acknowledgement from the ACS committee, we marched (in New Orleans, it's called the Second Line) behind the famous New Orleans Brass Band, lead by a huge pic-

torial banner on teenage smoking created by art students of a local high school. After the event was televised on the evening news, we were the talk of the campus the next day.

Special thanks to the Greater New Orleans Unit of the American Cancer Society, Marion Merrill-Dow, Ciba-Geigy and Glaxo Pharmaceuticals. A very special thanks to the members of Rho Chi for helping Delta Eta Kick Butts!!

Delta Eta Brothers Kenya Rollins and Trevlyn Leviege talk about tobacco awareness.

Alumni Retirement Committee

The ARC (Alumni Retirement Committee) needs:

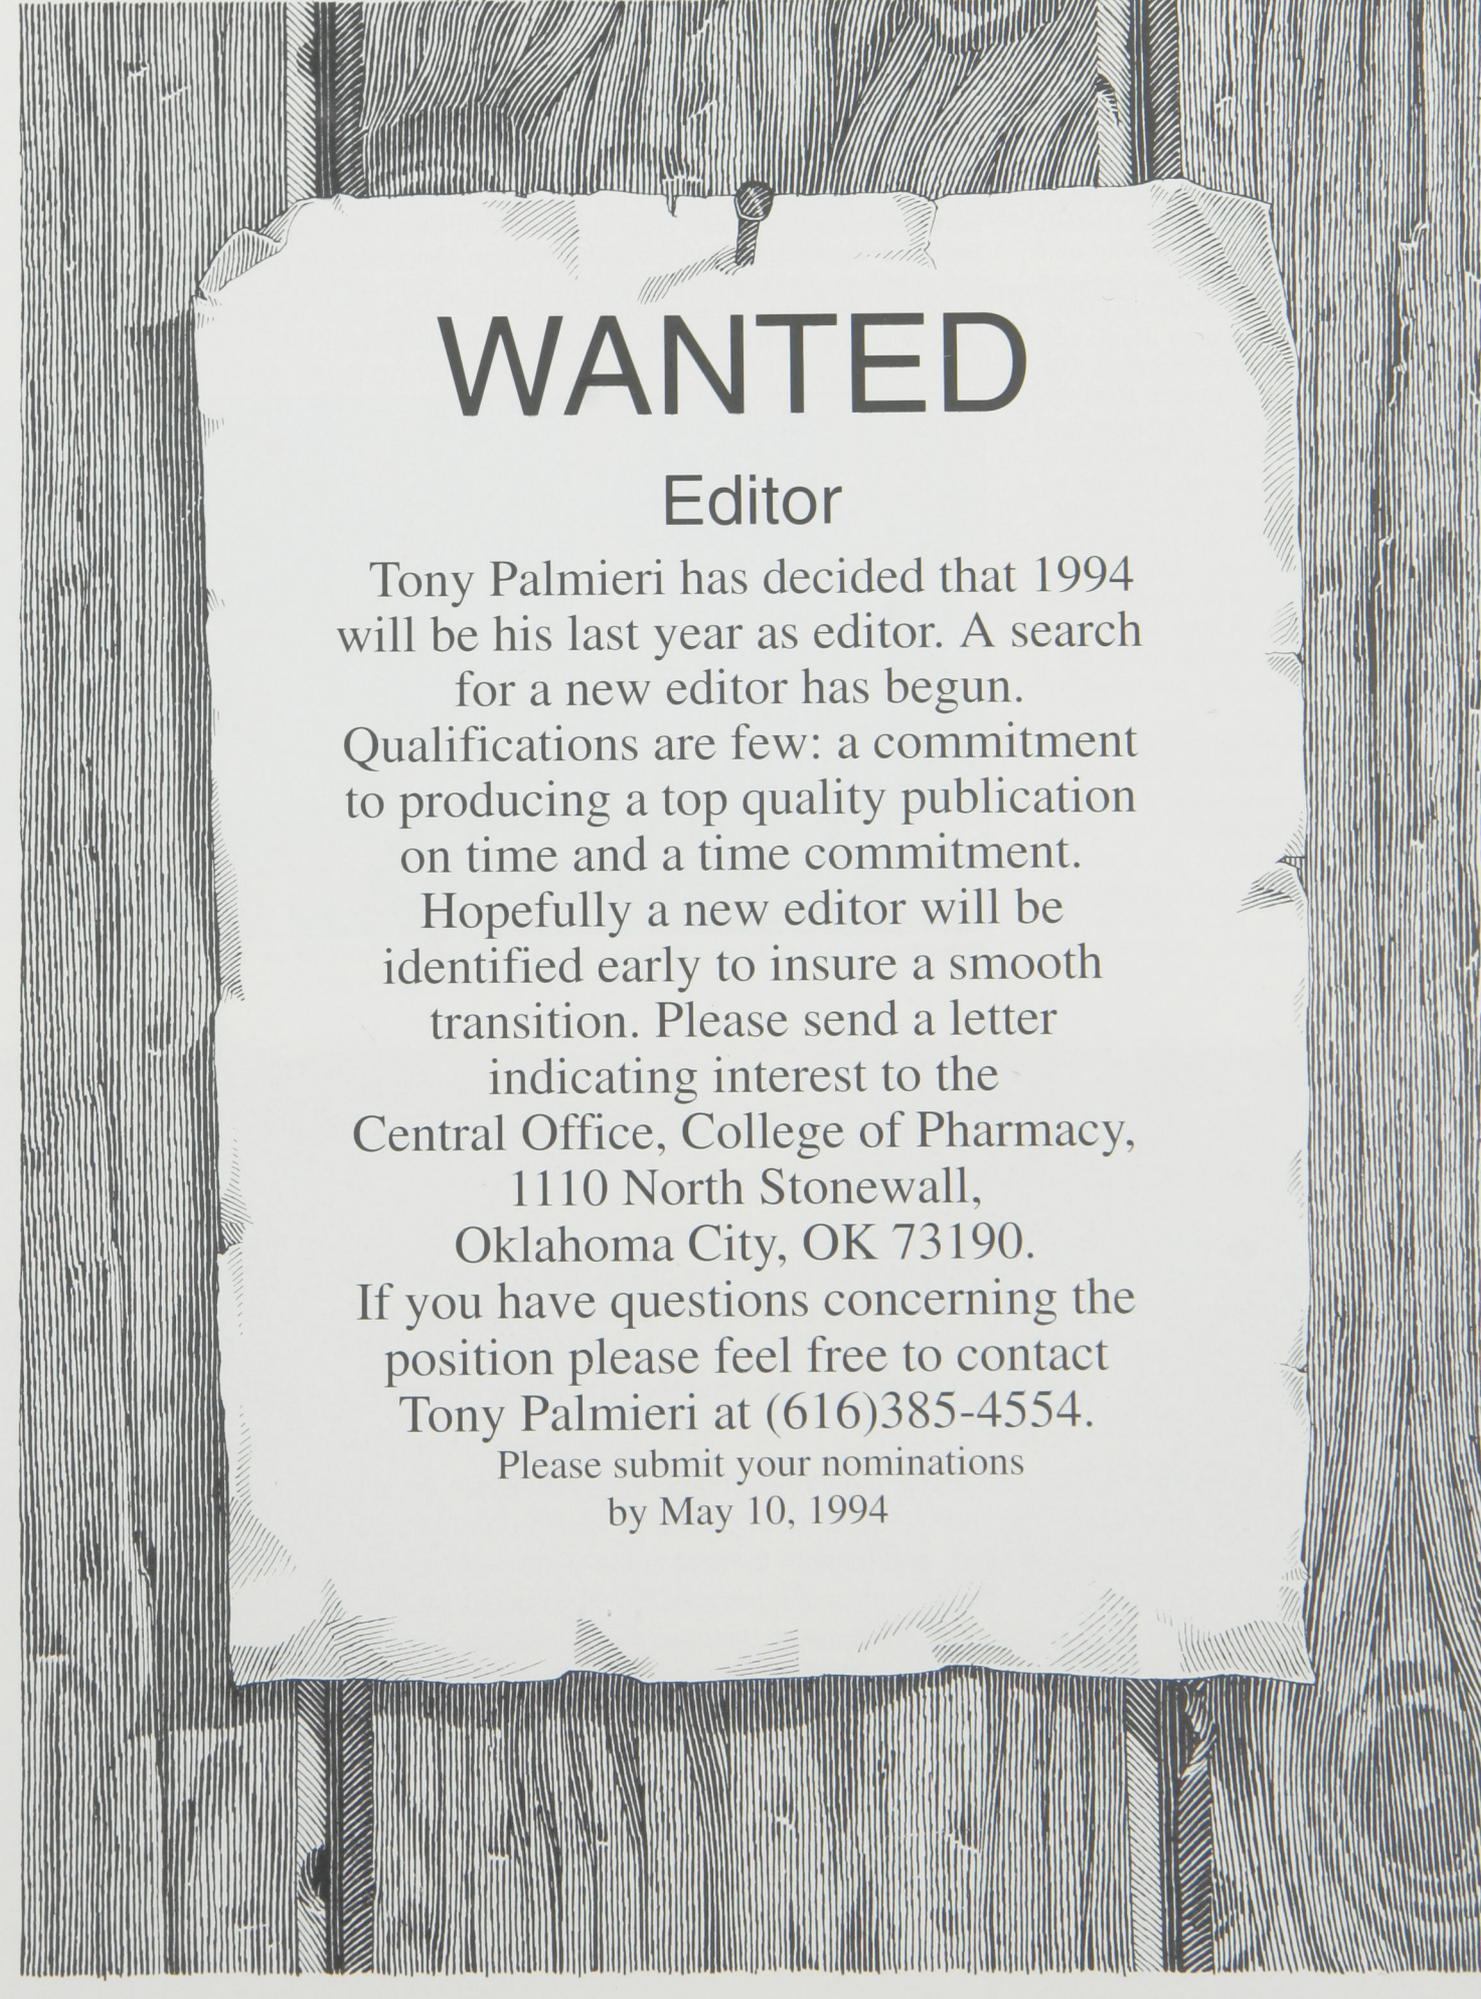

- 1) Names and addresses of retired, semi-retired, and about-to-be retired Kappa Psi members;
- 2) Information on the types of help retirees may need now or anticipate they will need in the future;
- 3) Names and addresses of Kappa Psi members eligible or soon-to-be eligible (within the next five years) for the Golden Mortar Certificate;
- 4) Reports from collegiate and graduate chapters on what they are doing to identify retired Kappa Psi members and to meet their needs.

The pre-baby boomers are beginning to retire; the baby boomers will soon begin to retire; and remembering that we are Kappa Psi until death, we now need to develop a comprehensive program to identify retired Kappa Psis, to determine what types of help they need, and to work to meet some of those needs for our Brothers.

Will you take just a moment to share your thoughts with the ARC? Will you discuss this topic within your Collegiate or Graduate Chapter and share your findings with the ARC? Will you help the ARC get on the right wave-length and write, call, or FAX The Central Office or contact me at 817 Mockingbird Lane, Norman, OK 73071, (405) 321-3317 with your suggestions and comments? ARC thanks you for your help.

Fraternally,

James D. Seymour, Chairman
Alumni Retirement Committee

WANTED

Editor

Tony Palmieri has decided that 1994 will be his last year as editor. A search for a new editor has begun.

Qualifications are few: a commitment to producing a top quality publication on time and a time commitment.

Hopefully a new editor will be identified early to insure a smooth transition. Please send a letter indicating interest to the Central Office, College of Pharmacy, 1110 North Stonewall, Oklahoma City, OK 73190.

If you have questions concerning the position please feel free to contact Tony Palmieri at (616)385-4554.

Please submit your nominations
by May 10, 1994

Chapter News

Psi Tennessee

The brothers of Psi Chapter have been busy this year. Christmas was the season for giving and our brothers gave their time, talents, and money! We sang Christmas carols at Oakville Nursing home in Memphis, Tennessee during the Christmas holidays.

Psi Chapter's newest Brothers.

Also, brothers collected new and used toys and other items to be donated to St. Jude Children's Research Hospital. In January, new brothers were initiated into Psi Chapter. Initiation took place at the historic Lowenstein-Long House, followed by a night on the town at the famous Peabody Hotel here in Memphis. We are proud to welcome these new initiates into our chapter!

Psi Chapter is on a house hunt! A house committee has been formed and we hope to find a suitable home for Psi Chapter by rush this fall. Spring social is coming up in April. We are looking forward to the annual Big Brother Roast where the Little Brothers will have a chance to poke fun at the third year brothers before they start rotations. We would like to wish the P-3's "good luck!" in your last year and to all the brothers that are graduating this June-Best wishes in the "real world," we'll miss you!

—Tara Pratt

PROVINCE X

Greetings from the brothers of Province X. We had our annual meeting March 4-5 in Sandpoint, Idaho. The weekend started off with a wine and cheese social where we all made new friends, and became reacquainted with old ones. Two of our four active Collegiate Chapters were represented at the meeting. Gamma Eta hosted the meeting and

brought a total of 25 members. Beta Pi of Washington State had four members attend. In addition, the meeting began with the initiation of several more pledges. Congratulations and welcome to our most recent Kappa Psi brothers:

Gamma Eta

Paul Mitchell

Beta Pi

Kim Fletcher

Andi Cox

Jim Lewis

David Redmond

Bronwen Stebbins

Andy Ballester

Craig Hudkins

Lani Goetsch

Beth Oldis

We were also honored to have in attendance our Province Supervisor and Past Grand Regent—**John Porter**, and Grand Regent—**Paul Hiller**, who braved a huge snowstorm to make it to the sunny, tropical Northwest.

Various topics were discussed at the meeting with emphasis on increasing interaction between our chapters which can be difficult due to separation by several hundreds of miles. We are also making plans to start a new graduate chapter on our Province which would be located in Washington or Montana. Each chapter gave an annual report of their activities which included Halloween and Christmas parties, blood drives, poison prevention week education, and reports from members who had attended the Grand Council Convention. **Craig Johnston**, Province Satrap, stimulated much interest in attending the 1995 GCC and we hope to have an even better attendance for it. Throughout the meeting there were other discussions concerning the meaning, tradition and importance of the Ritual, the role and responsibilities for the Grand Council Deputy, the possibility of a national T-shirt exchange, and the opportunities available from the scholarship committee.

Our meeting ended with elections for the 1994-95 Province Officers.

Satrap
Vice-Satrap
Sec./Treas.
Chaplain
Historian

Craig Johnston
Patrick O'Connor
Mike Harshberger

Lisa Williams

Congratulations to our new officers and thank you to everyone who attended the Province X meeting, it was a super weekend.

—Lisa Williams

Delta Lambda Campbell

As with each new Spring Semester, we change leadership in Delta Lambda, and congratulations goes to our new officers:

Regent
First Vice Regent
Second Vice Regent
Recording Secretary
Corresponding Secretary
Treasurer

Bob Phillips
Michael Adams
Dina Hall
Erin Huffman
Shannon Cook
Laura Bumgarner

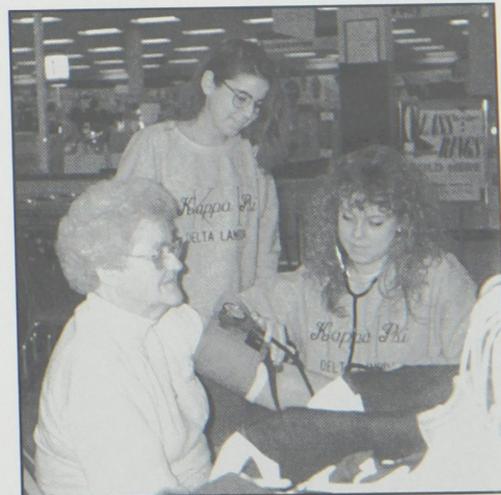

Assistant Treasurer
Historian
Ritualist
Chaplain
Sergeant-at-Arms
Pledge Master
Asst. Pledge Master
Asst. Pledge Master
Grand Council Deputy

Tanya Byrd
Kristen Thomas
Danny Seavers
Lynn Bass
Greg Poythress
Craig Barlow
Helen Giannopoulos
Ken Thompson
Dr. Todd King

This is the first semester Delta Lambda has not had any Spring pledges, and although we are all disappointed, it will give us a chance to focus on being active in our regular projects. The Fund-Raising Committee, led by **Julianna Fine**, has been busy with KΨ and Campbell Pharmacy Sweatshirt sales, bake sales, and our annual Spaghetti Supper. They have also planned our annual Car Wash for April.

The Service Committee, led by **Annette Graham**, has been coordinating our service projects which include our Adopt-A-Highway Trash Pick-up, a clothing drive for the Lexington Children's Home, a food drive for the Beacon Rescue Mission, and an Olympics Day with the Falcon Children's Home. Our Spring Blood Drive is planned for April, and we wish to thank the Brothers who have been spending their afternoons at the Buies Creek Elementary School tutoring children.

In February we sponsored a free blood pressure screening at a local department store in Dunn, which was put together by **Taffy**

Delta Lambda Brothers Helen Giannopoulos and Erin Huffman do a blood pressure check.

Delta Lambda Brothers at the spaghetti supper.

Klaassen and the Public Relations Committee. In addition to this, they have arranged for us to present the slide show "Drugs, Drug Abuse, and You" at Triton High School. Brother **Dina Hall**, Formal Committee Chair, has been hard at work planning our 5th annual Cadet Ball to take place in Myrtle Beach, SC, and we are all looking forward to getting out of "the Creek" for a weekend.

We hope everyone's Spring Semester ends well and that the summer is a good one.

—*Kristen E. Thomas*

Minnesota Graduate

Our last meeting was February 22nd, we invited all the soon to be graduates to this meeting in order to try to get them involved before they graduated. It was decided at this meeting that we would ask members to participate in hosting Brothers who may be looking for jobs or are moving to areas in which our Graduate Brothers live. This would include Brothers who have moved to other areas of the country. We were glad to hear that our dues paying membership is up for 1994. We would like to thank **Kirsten Rogne** for the note in the last newsletter that explained where our dues money goes. We believe that this note was the reason for the increase in dues.

The chapter has been trying to support Epsilon Chapter as much as possible. Some of our members were able to participate in Epsilon's formal initiation and the Fall and Winter Dinner Meetings. Graduate Brothers **Mike Pasquarella** and **Jeff Pykkonen** hosted a Collegiate/Graduate mixer at their apartment in January. Our members participated in the bowl-a-thon with Epsilon Chapter either by bowling or pledging. The money raised was pooled and given to JDF.

As a Chapter we would like to recognize those members who have contributed to the scholarship fund: **S. Bruce Benson, Henry Capiz, Roy Cummelin, Dwight Ferguson, Mark Halvorsen, Bernard Koenig, Rich Leone, Arnold Liebman, Donna Lockman, William Marquette, Jim Peck, Dane Rasmussen, Kirsten Rogne, Peter Ruenitz, Mark Sorenson, Sandy Soukup, Steve Soukup, Jim Stradtman, Richard Streit, Bill Tetrick, George Vedder, Larry Weaver, Rick Zabinski, and Corinne Zabinski.**

—*Cassandra Knoblauch Soukup*

Delta Eta

Xavier

On January 23, 1994 our chapter sponsored an informational seminar. More than 40 students were interested. The initiation process started on February 4, 1994. The new initiates are:

Sharell Cheatham	Carla Jordan
Jaime Cronin	Ardis Lemon

This was the largest line of new initiates in our chapter since 1979. They were very successful in their pledge activities and are eagerly awaiting to take an active role. With so much new blood, more activities are currently in the planning stage. Best of luck to the new initiates.

—*Shannon Brown, Adrian Goram*

Gamma Eta Montana

Since our last news letter update the Gamma Eta chapter has initiated twenty-six new pledges. The brightest and the best, our most recent members are active and full of energy. They have run for offices and head up committees. It makes us all proud that they are in our ranks. The new members include: **Susan Anderson, Crystal Bryner, Erik Chosa, Kevin Denesen, Frank Fahland, Brian Galbreth, Tim Hanson, Mike Harshberger, Renee Havener, Linda Kraft, John Lane, Marissa McKittrick, Lane Meeks, Paul Mitchell, Marta Morlan, Melanie Moses, Jamie Nagle, Sara Nelson, Bernie Patterson, Sherri Pedersen, Cliff Rossberg, John Santana, Chad Smith, Renee Staudacher, Kari Strietmatter, and Jason Swindler.**

As fund raisers for this Spring we sponsored flower sales to correspond with Valentine's Day. We also have become T-shirt peddlers to the School of Pharmacy faculty and staff. People want what we have to sell. The "top ten reasons to stay up late with a pharmacist" was back by request this year again and sales have been excellent. The proceeds from these two events will go towards helping defray the cost of the registration fees of the new members.

On Friday, March 3, nineteen members from our chapter travelled to the regional Kappa Psi meeting in Sand Point, ID. At that meeting **Craig Johnston** our Grand Council Deputy and Assistant Supervisor of Province 5 was re-elected Satrap. Craig was also awarded a special appreciation pin by **Johnny Porter** in recognition of all his efforts he puts into Kappa Psi. Craig has been the driving force in this chapter and all the members of Gamma Eta extend their thanks to him. Also at the Province 5 meeting, two of our members were elected to regional offices. **Mike Harshberger** was elected Secretary/Treasurer and **Carla Roth** was elected Chaplain. Those of us unable to go will have to be satisfied with pictures and a full report of all that went on there.

Our chapter is organizing a blood drawing challenge between the School of Pharmacy and the School of Physical Therapy here at the

University of Montana. It will be judged on the percentage of members from each programs who participate in the blood drawing. This competition is in response to the low blood reserve of the American Red Cross as of late. Recently they reported having only a one day supply on hand. That was all there was!

Gamma Eta extends warm welcome to the brothers and sisters of the newest chapter, Gamma Nu of the Midwestern School of Pharmacy in Chicago. We hope you will find the History of Kappa Psi useful in helping you know the roots and the spirit of this fraternal organization. Kappa Psi can be some of the best times.

—*John L. Lane*

Gamma Omega Arkansas

In the spring semester of 1993, we inducted 12 new members into the brotherhood. As of this spring, we have 11 potential new members who are going through the process of pledging. Both groups have been full of excitement and enthusiasm and are adding a lot of leadership to the fraternity.

Also during the last year, the university has added several new members to the teaching staff who happen to be Brothers of Kappa Psi. Their leadership and inspiration is an added asset that has helped our chapter to grow.

With the increase in membership, our involvement in community, school, and personal projects has increased greatly. As of

Gamma Omega Brothers

1993, our chapter has participated in the Highway Clean-Up program here in Arkansas. We are responsible for cleaning a one mile stretch of highway here in the Little Rock area. Also, Kappa Psi members have taken an active role in the schools effort to inform the public about the dangers of drugs as well as the need to follow a prescribed drug regimen.

All in all, over the last year, Gamma Omega Chapter has seen a lot of changes. We hope to continue growing and to get further involved on a regional and national level.

—*Chris R. Greathouse*

Beta Epsilon Rhode Island

After last semester's pledge period, we were proud to initiate 10 new brothers into the Agora, including: **Christopher Chin,**

Chapter News

Derek Dore, John Ferris, Andrew Gaspar, Leo Lariviere, Ben Michaud, Doug Reuter, Zac Schwartzbach, Derek Tenzar, and John Waklin. They were a great pledge class and worked like a true team as they learned the qualities of true brotherhood.

This semester's rush period also proved to be quite successful. Under Rush Chairman **Tony D'Ambrosio**, we had a total of nine new rushes, and now have nine pledges currently going through our pledge program, under Pledge Chairman **Chris White**. We all wish them the very best, and hope they develop the qualities of a good team and the principles of Brotherhood.

Beta Epsilon was also well represented at

Beta Epsilon Brothers and pledges at their spaghetti dinner.

the Province I Convention held in Boston in early February. Beta Epsilon took home the attendance award from the twelve brothers that attended the Convention. We congratulate Brother **Jonathan Boudreau**, who was elected as Vice Satrap for the Province.

Beta Epsilon is also getting ready for the Twenty-Fourth Annual Kappa Psi College of Pharmacy Drug Fair. This year's Drug Fair Chairman **Tom Putney** has been busy preparing for this big event to occur at the end of March, and it looks as though it will be quite successful, with so far twenty representatives from companies in the New England area planning on attending.

We also have been taking advantage of the record snowfall this year, and sponsored a Ski Trip to Loon Mountain in the White Mountains of New Hampshire with LKS. The day proved to be quite successful with a total of twenty-five participating.

We are also getting ready for the spring semester professional project. Brother **John Thomas** is planning the project, which will consist of reaching out to the elderly in the Southern Rhode Island area and counseling them about proper usage of their medications.

We are also proud to announce that three brothers have been initiated into Rho Chi, among those are: **Jonathan Boudreau**, **Jonathan Crisostomo**, and **David Miller**.

—Jonathan Crisostomo

Pi Purdue

A marathon election process in early December produced the following officers for '94:

Regent
Vice Regent
Secretary
Treasurer
Fund Raiser
Province

Mike Molby
Noel Hodges
Matt Beach
Joe Pignataro
Jason Young

Correspondent
Corresponding
Secretary

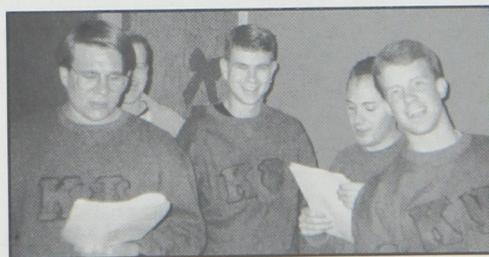

Eric Peak

Social Director
Professional Projects
Rush Chairman
Pledge Trainer
Historian
Athletic Director
Chaplain
Sergeant-at-Arms

Scott Skinner
Dan Hastings
Dale Sharp
Andy Hudson
Ryan Kraner
Joe Branham
Scott Leslie
Mark Liverett
Tony Acito,
John Spear

Also in December, a number of Brothers went carolling at a local Veteran's Home. Everyone had a good time, but we sure needed help with the words!

The Pi Brothers have been very active this semester. A reception was held on January 26 to install **Dr. Rod Carter** as the new GCD. Drs. Dane Kildsig and **Ashim Mitra** each received the Asklepios Key for serving as GCD's during the past six years. Despite a number of officer changes, the chapter continues to broaden its activities. Brother **Dale Sharp** and his committee have been expanding our professional projects. We held the first annual Kappa Psi Distinguished Speaker

Pi Brothers carolling at the Veteran's Home.

Series in early April. Mr. Rick Powis from Hook-SupeRx addressed a large audience on the impact of socialized medicine on retail pharmacy. In addition, the chapter is planning a community immunization program to be started next Spring. In the fall semester, Pi will be participating in the Adopt-a-Highway program for the first time.

On April 12, a well-attended Kappa Psi Brother Dinner was held. The Brothers had the opportunity to talk with the Faculty Brothers on a social level. They are actually human! Dr. Varro Tyler, a former Dean of the School, provided the "keynote" address.

Vice Regent Noel Hodges and Dr. Steven Scott at Pi's GCD reception.

Continuing on the social theme, a "boxers" theme party was held in mid-April for the entire Pharmacy School. What some people will buy!! Brother **Dan Hastings** did a great job planning the party.

A spring semester would not be complete without the Province Convention. Over 20 Pi Brothers attended the event at Beta Lambda in Toledo from March 25-27. A great time was had by all and the memories will last a lifetime!

—Scott Skinner

Beta Sigma North Dakota State

On January 22nd, the snow bunnies of Gamma Kappa and Beta Sigma met in Alexandria and had lots of fun on the slopes. Our Inter Fraternity Council held a snow sculpture contest on January 23rd, where we constructed a mortar and pestle. Although we did not win, we enjoyed building it and had lots of hot chocolate to keep ourselves warm.

During February, the five members of the North Dakota State Board of Pharmacy were guest speakers at one of our Formal Meals. They spoke of their role in the industry, as well as the importance of students in Colleges of Pharmacy.

When weather permitted, we played several games of snow football in our front yard, which proved to relieve stress from exams and schoolwork. During February and March, we participated in a Coed Volleyball League. We had a great turn out for Term 1994, our annual winter formal dance. Many students from the College of Pharmacy attended. Intramural softball is also just around the corner.

Besides all the fun we have had, we have also kept ourselves busy preparing for Spring Conclave 1994, April 15-17, 1994 which will be here in Fargo. We hope to see you there, Province VII!

Our community recycling program continues to be a great success with the help of the local pharmacies and recycling centers in the Fargo-Moorhead area.

April 30th is an exciting day as, we will find out who the recipients are for Most Representative of Kappa Psi, Most Outstanding Graduate and Most Outstanding

Beta Sigma with the North Dakota Board of Pharmacy.

Beta Sigma's entry in the ice sculpture contest.

Pledge at our Third Annual Parent's Day and Awards Banquet.

We would also like to congratulate our graduating Senior Brothers: **Chris Johnson, Shane Wendell, Don Brophy, Adam Bravold and Brent Kosel.**

—Jesse Robertson
Barry Kawamoto

Nu Connecticut

Greetings from Nu chapter to all the brothers. We hope everyone is having a relaxing and enjoyable summer. Nu chapter would like to thank all of the brothers in Province I for making this years Province convention a great success. We had a great time getting together with all of the brothers in Boston. It will not be long until the next Province convention which we will be hosting and hope to make it just as successful. Of course, we would like to see everyone again so consider this an open invitation for all chapters.

Another closing of the school year comes to an end brings the graduation of the class of 1994. Congratulations to our new alumnae, **Dan Carpenter, Ken Fischer, Jason Langlais, Joe Palomba, Ani Parmar, Rob Picone, Chris Virgilio, and Steve Willius.** The brothers would like to thank the graduates for their hard work and dedication they put into the chapter. We wish the best of luck in their future endeavors. An extra congratulation goes out to **Ken Fischer** for becoming a father to a little baby girl. Also deserving congratulations is **Dan Carpenter** for his

engagement to L.K.S. sister **Tracy Wanat.**

The following brothers were elected to office for the 1994\1995 year. They are:

Regent	Mark Cox
First Vice Regent	Dan Aja
Second Vice Regent	Todd Degroff
Secretary	Mike Rasinski
Historian	Quoc Bui
Treasurer	Keith Pinard
Pledge Master	Dan Palmquist
First Assistant	
Pledge Master	Sean Belouin
Second Assistant	
Pledge Master	Jay Wesinger
Chaplin	Dan Gleason

The new officers and brothers are very anxious and enthusiastic to get started. This Spring was a busy and exciting semester. We held our annual Drug Fair which gave students and faculty the opportunity to speak with drug representatives. We hope to continue increasing our sales on the top 10 reason T-shirts.

Beta Phi Cincinnati

We would like to congratulate and welcome our 18 new brothers: **Gina Albrecht, Joe Carter, Travis Hall, Allen Homan, Melissa Isaacs, Beth Libbert, Randy Lynn, Shelly Martini, Lisa Newnham, Alison Pabst, Scott Payne, Mary Piekarski, Lorinda Rasor, Chad Royer, Bobbie Shaver, Larry Voss, Sara Wilson, and Chad Worz.** This is the second year we've had such a large group of initiates. Cheers to Pledgemaster Jim Pennington for instilling in them a real sense of unity with each other and with the other actives. They were so unified that they actually beat the actives in the annual pledge-active football game—the first time this has happened in remembered history!

We also elected new officers in January. They are:

Regent	Angela Bruno
1st Vice Regent	Susan Simmons
2nd Vice Regent	Joe Carter
Recording Secretary	Michele Bunger
Corresponding Secretary	Lorinda Rasor
Treasurer	Sarah Yost

Beta Phi's new initiates.

Nu Chapter.

Historian	Melissa Norris
Pledgemaster	Chip Chapman
Rush Chairman	Beth Libbert
Sergeant-at-Arms	Lisa Mercer
Tribunal Representative	Lisa Newnham

In February we held a MAJOR cleanout of the basement of the Beta Phi house. We actually found the floor! We have another spring cleaning project planned for April when we'll tackle other projects, both inside and outside the house. Any brother who would like to visit Cincinnati and witness these profound changes (or who would like to help out!) is always welcome.

Our blood drive was held March 2, and was a great success. We have many brothers participating in Drug Awareness programs at local elementary schools with other pharmacy students. Beta Phi is working on getting more organized in the areas of professional projects and scholarship so that we can compete more actively for honors within Kappa Psi and to make us more visible at the University of Cincinnati. We would welcome any suggestions from other chapters in these areas.

Several brothers of Beta Phi attended the Province V assembly in Toledo in March. There was also a small delegation that will be in Chicago to witness the installation of our new chapter there on March 12. Finally, my own personal thanks to the brothers of Province I for being such great hosts at their assembly in January!

—Lisa Mercer

Chapter News

Gamma Chi

Ferris State

Greetings from Gamma Chi chapter! We are pleased to announce the addition of fourteen new members. Congrats to all! After Winter break we all returned refreshed and ready for the next semester. Our grades have gone up, and we are planning all sorts of professional projects. Recently we held a glucose screening, and plans are going well for our annual Easter Party. Enjoy the Summer!

—Todd Nelson

Beta Delta

Albany

First I would like to start off by recognizing our newest brothers:

Stephen Baratta	Mark Hills
Koth Cassavaugh	Tim Monette
Mark English	Shawn Parker
Tom French	Brett Sherwood
Mark Hunter	

Matt Clary and **Matt Piskun** did a great job with them, and also keeping the faculty off our back, which we all know is not an easy thing to do. Thanks to those brothers that were able to attend the province I convention in Boston and brought back the **Chapter of the Year Award**. **John Faragon** and **Matt Piskun** also brought back two offices. They did their share of wheeling and dealing to get Secretary and Treasurer respectively.

Professionalism rolls on amongst the brothers of Kappa Psi this semester. We already had a very successful canned food drive that was held during pledging. The food was delivered to a church in the area, and women there were very grateful for our help. We are currently preparing for the up coming Blood Drive organized by **Brendon P O'Hara**. We hope that more students will give this time after seeing how easy and important it was to donate the last time. We will also be taking part in the Red Cross phonathon, trying to raise money desperately needed to continue the service they provide in the Albany area. Beta Delta will also be selling Shamrocks for muscular dystrophy. We will also be sponsoring blood glucose testing at the school on March twenty-fourth.

The Prof DeNuzzo Brunch will be sometime next month where we will honor the KΨ brother of the year. This year there will also be a special recognition pin given to a special brother who has proven his worth both in and out of the chapter. Beta Delta brothers should start thinking about offices for next year as nominations and elections will be at the next general meeting.

In closing, Kappa Psi wishes everyone good luck this semester, and keep an eye out for more to come from Kappa Psi in the spring when the weather gets nice.

—Martin Kowalsky

Epsilon

Minnesota

We are very proud of our intramural broomball team as they made it to the second round of playoffs before being soundly beaten. Thanks to our fearless regent **Ron Simono**, the Epsilon chapter also enjoyed parts of winter by participating in KΨ sponsored activities. Ron planned a KΨ Rollerblade-at-the-MetroDome excursion and snow tubing in January. Our community projects have taken on a new perspective with the addition of volunteer opportunities at the local Ronald McDonald house.

We would like to extend hearty congratulations to brother **Becky Ottman** who won the U of M patient counseling competition in January and a trip to Seattle. Best of luck to her at the National Competition. Our other outstanding news is that brother **Amy Beiswenger** received an NPC internship with Merck, Sharpe and Dome; she will be spending her summer in Pennsylvania. Three Cheers!!!

Welcome new members!

Lori Frank	Jennifer Schaffhausen
Alissa Kinzel	Stephanie Shelley
Shawn MacKenzie	Jeffrey Tudla
Sara Jo Peterson	Jennifer Wheeler

—Mary Claire Wohletz

Beta Kappa

Attsburgh

Twenty brothers ventured up to Hidden Valley Ski Resort for a weekend of skiing and fun. It was a great way to relax before the start of another hectic semester. We also elected another set of officers for 1994. They are:

Regent	Anthony Mollica
Vice Regent	Shawn Toy
Secretary	Rosa Sciulli
Treasurer	Craig Hinden
Historian	Staci Blocher
Chaplain	Nicole Caracciolo
Sergeant-at-Arms	Brett Hall
ASP Representative	Deanne Gimiliano
IFC Representatives	Vicki Mazur
	Jill Wozniak

Grand Council
Deputies

Dr. Robert J. Ertel
David Maszkewicz

We're sure they'll do a great job leading our chapter! In addition to electing new officers, we also initiated 13 new brothers. Congratulations to **Chad Beere**, **Jamie Carulli**, **Kim Devenport**, **Leslie Hostetler**, **Melanie Kaszer**, **Chris Martynowski**, **Tracy Mascari**, **Vicki Mazur**, **Charles Nuhfer**, **Melissa Somma**, **Rana Storm**, **Krista Voytilla**, and **Jill Wozniak**.

With the start of a new semester is the beginning of a new rush period. We had two rush parties—a wing night and a pizza/ping

Several of the new Beta Kappa Brothers at their Christmas party.

pong party. Thanks goes out to Rush Chairman **Deanne Gimiliano** for her hard work in planning these parties. As a result we have five new pledges for the Spring term. They will be taught the values of Industry, Sobriety, Fellowship, and High ideals by this terms pledgemasters **Lonny Allis** and **Melissa Puposar**.

In January, Beta Kappa sponsored a booth at the school's annual pharmacy week. Thanks goes out to brothers **Athena Skezas**, **Evan Davis**, and **Kristen Kociban** for their hard work in constructing this booth. Also at the University's Health Fair Beta Kappa provided information on contact lens products. Free samples were also provided to students. These samples were secured through the efforts of brother **Paula Rhoads**. And as always, the brothers here continue to volunteer at a local Family House where families of transplant patients stay at a lower cost.

For Valentine's Day, we held our third annual Toga Party. Brothers from Delta Epsilon, Beta Eta, and also several grads helped celebrate the evening with us and make it a big success. Many events are being planned for the rest of the term including our Founder's Day Party to be held March 19. It will be a retro party featuring the music and dress of the 70's and 80's. Also Beta Kappa will be holding its annual formal April 9. This is always the highlight of the Spring term.

—Staci L. Blocher

Beta Rho

Mississippi

Greetings from the brothers of Beta Rho. The spring semester proved to be a busy and successful semester. Beta Rho welcomed 22 new brothers into the Fraternity on January 25, 1994. The new initiates were: **Gene Brown**, **Kenneth Crawford**, **Brian Credille**, **Jimmy Dykes**, **Ronald Edwards**, **Patrick Fairley**, **Jason Gray**, **Scott Hardee**, **Jeremy Holmes**, **Michael Jones**, **Bronson Kent**, **Tommy Patterson**, **Jason Payne**, **Morgan Poe**, **John Powell**, **Jeffrey Roux**, **Robbie Rushing**, **Craig Simms**, **Michael Sloan**, **James Taylor**, **Jason White**, and **Tim Williamson**.

The new initiates were successful in all pledge activities. Their contributions included participating in our Adopt-A-Highway Cleanup project and in a raffle. We welcome all of them to Kappa Psi and wish them best of luck in all their pharmacy endeavors.

In addition, the '93\94 season brought about new leadership for Beta Rho. The new officers are:

Regent	Shan Parker
Secretary	Richard Parish
Treasurer/Pledge	
Master	Brad Ishee
Sergeant at Arms	Chad Stewart
Chaplain	Rob Pickle
Little Sister Liaison	Sammy Warman
Intramural Director	Ryan Emfinger
Historian	Alan Anderson
Graduate Liaison	Scott Long
Grand Council Deputy	Dr. Dewey Garner

Beta Rho was involved in many extracurricular activities this past spring semester. Leading the list was the implementation of a Big Brother/Lil' Brother program (compliments to designer and Regent—**Shan Parker**). Under this program, each brother was assigned 2\3 underclassmen in Kappa Psi. The objectives were to establish close friendships and enduring loyalty to the Fraternity. Other activities included:

—First annual Big Brother/Lil' Brother Golf Scramble (compliments to designer and Secretary—**Richard Parish**);

—Our annual Kappa Psi/Kappa Epsilon Super Bowl Party (many thanks to Brothers Mark Lee and Brian Johnson for the use of their residence);

—Various Kappa Psi/Kappa Epsilon cook-out/socials which proved entertaining and relaxing (our gratitude to Brothers Brad Ishee and Kelly Boutwell for their enduring patience and use of their home); and

—Pharmacy School's Valentine Party (where everyone was certain to find a sweetheart).

Finally, many thanks to Lil' Sisters. Your time, efforts, and ideas made our Lil' Sister Program grow even stronger. We look forward to many activities in the fall with our Lil' Sisters.

The Brothers of Beta Rho were actively involved in service projects in '93\94 school year. As previously mentioned, we provided cleanup service in our Adopt-A-Highway Project. In addition, the brothers held "Career Day" at Oxford High School and Layette County School to increase awareness/interest of our esteemed profession. Other events included an Adopt-A-Friend program and participation in the Pharmacy School's Blood Pressure Drive. The Adopt-A-Friend Program allowed many brothers the opportunity to visit a local mental retardation center and visit with residents. Finally, Beta Rho made a cash donation to the American Heart

Association to support this worthy cause.

Financially, Beta Rho is pleased with the results from the selling of raffle tickets for a quilt (graciously provided by Brother **Steve Landrum**). Profits reached the sum of \$600.00 which will increase our general fund. In addition, the brothers graciously donated their time on January 24, 1994 to ASP's Spring Phon-A-Thon. The brothers obtained donations totalling \$3,970.000 for the School of Pharmacy.

The Brothers of Beta Rho would like to extend best wishes and gratitude to the Gamma Omicron Chapter for its hosting of the March 1994 Province VII Assembly. We had a tremendous time. Many thanks!! We hope to hear from some of the other Chapter members, especially those we met at the Province VII Assembly, other regional meetings, and the Grand Council convention this past year.

—Alan P. Anderson

Chi Chicago

I want to welcome 3 new brothers to our chapter. **Lopa Gohel, Dave Rhein** and **Walker Chin** were initiated on February 4. We're pleased to count you among our Kappa Psi brothers!

The House Committee (**Vinny Paul**, chair) organized a Superbowl Party for alumni which was held at committee member **Jeanette Chun's** apartment. Thanks go out to the alums who attended and contributed to our ever-growing house fund. It's just a matter of time until Chi has a house . . .

The Fundraising Committee (**Patricia Louie**, chair) organized what turned out to be a highly successful Valentine's Day raffle. Prizes included dinners at local restaurants, gift certificates for flowers and haircuts, and movie tickets, as well as the grand prize, an overnight stay for two at The Inn with brunch served the following morning. We raised over \$200. I would say we've found a new annual fundraising event!

The Social Committee (**Beata Saletnik**, chair) contacted Phi Delta Chi and co-organized a number of activities with their fraternity. We teamed up for some friendly competition in a volleyball game and spent an evening socializing at a joint fraternity party. Our hope is to develop good relations with members of other pharmacy fraternities here at UIC COP. The committee also stayed busy by planning fundraising events to raise money for Province (which about 30 Chi brothers attended—two of our newest brothers, **Kshama Dekhtawala** and **Manisha Patel**, were delegates) and planning for our annual formal dinner and dance held in mid-April. **Odin Naderer** and **Beata** organized a Spring Break skiing trip to Colorado. Six brothers (and one significant other) went and had a great time.

The Professional Committee (**Marc Cook**,

chair) has also been hard at work. Members spent an afternoon on the East Side campus of UIC conducting a free blood pressure screening for the students. In addition, we decorated the new display case which we were given by the College of Pharmacy. It is great to see our various awards and our Charter (preserved and framed by the Pledge Class of 1992) proudly displayed for all to see. We are also planning to participate in the annual March of Dimes WalkAmerica again this year on April 24.

Chi decided to show our appreciation to our Grand Council Deputy, **Dr. Donald Waller**, for his support and contributions to our chapter by purchasing a gift for him. We presented him with a framed picture during one of our regular meetings.

Finally, on January 25 Chi celebrated its 84th birthday, having been chartered on that day in 1910. Here's hoping we see 84 more!

—Nicole Bush

Gamma Kappa South Dakota State

To kick off the semester, we had a snow volleyball game and helped the local hospital call donors for their blood drive. We also completed a Market Measures audit which involved visiting local pharmacy and checking 200 prescriptions looking for the frequency of a certain drug being prescribed.

Congratulations to our brothers who made Dean's List last semester: **Terry Adams, Chris Esser, Mike Freking, Brian Lounsbury, Jason Otta, Troy Schneider, Chad Sherard, and Brad Tople**.

Along with hard work comes hard play. We celebrated Christmas with our little sisters by going caroling for our faculty members. In February, we had our annual Mexican party with our little sisters which was fueled by a donation from an alumni brother. Indeed it was imuy magnifico! We also had our annual get-together with Kappa Epsilon and went bowling for Valentine's Day.

Due to changing five year B.S. program to a six year Pharm D. program, we do not have any pledges this semester and consequently our little sister program was deactivated due to the dwindling numbers of brothers. However we are using this semester to reevaluate our pledging program for next semester.

Minnesota Graduate

We held a meeting on November 16th at Chi Chi's. There were 12 members present. We discussed ways in which to get people more involved with the Graduate Chapter. For our meeting on February 22, we invited all collegiate members, who will be graduating in the spring, to the meeting. This meeting was also held at Chi Chi's.

We have attended Epsilon Chapter's quarterly dinner meetings. Members were present

Chapter News

Gamma Kappa Brothers enjoy themselves after caroling.

at both the Fall and Winter meetings. We also participated in their initiation in January. It is our hope that our attendance will show our continued support of the collegiate chapter. We are also looking forward to participating, with Epsilon chapter, in the Beezy Point weekend get-away in May.

We would like to acknowledge and thank those Graduate members who have donated to the scholarship fund (as of November 1993): **S. Bruce Benson, Roy Cummelin, Dwight Ferguson, Mark Halvorsen, Bernard Koenig, Rich Leone, Arnold Liebman, Donna Lockman, William Marquette, Jim Peck, Dane Rasmussen, Chrisann Rauzi, Kirsten Rogne, Peter Ruenitz, Mark Sorenson, Steven Soukup, Jim Stradtman, Richard Streit, Bill Tetrick, George Vedder, Larry Weaver, Rick Zabinski and Corinne Zabinski.**

—Cassandra Knoblauch Soukup

Gamma Delta Ohio Northern

We are getting ready to start the spring quarter here in Ada. This means we will be hopefully awaiting a new pledge class. We held our spring smoker on Feb. 8 which was successful.

We held our annual Winter Formal in Toledo on January 29th. We elected our new sweetheart **Nikki Rehkopf**. At the formal, we handed out some awards for various brothers: **Dan Deem**—Raabe award; **Cameron VanDyke**—Brother of the Year; **Adam Gross**—Regents award; **Nimish DeSai**—Scholar of the Year; **Jim Levan**—Athlete of the Year; **Dr. Mike Milks**—Professor of the Year.

During the winter quarter, we initiated 7 new brothers. We all believe that these brothers will become actively involved with Kappa Psi, as most will be attending the upcoming Province

Convention. As a brotherhood, we are anxiously awaiting the convention, for this year we will about double last years attendance to about 25 brothers who will be attending.

I would like to congratulate Adam Gross for being the ONU's ASP chapter's patient counseling winner. He will be attending the National APhA meeting in Seattle.

We will be cleaning our highway this quarter for the Adopt-A-Highway Program. We still do weekly blood pressure screenings at brother **Jim Turner's** Drug Store, which the community deeply appreciates. The whole brotherhood will be participating in the Multiple Sclerosis Walk in Lima, Ohio, which we are in the process of collecting pledges in order to reach our set goal of \$5000. We are presently looking into helping out the local Habitat for Humanity, which they need all the help they can get.

In 1995, it will be a very busy year for us at Gamma Delta. We will be holding the Province V Convention as well as it being our 75th Anniversary. We can't wait till 1995 comes.

—Jason Rawlins

Gamma Sigma Florida

Each year our chapter grows stonger. Last year was no exception and '94 has great promise. With 9 new brothers and upperclassman guidance, Gamma Sigma chapter will continue to excell.

We have all kinds of events planned for Spring semester. In addition to two car washes, the annual golf tournament is our most lucrative fund raising event. The golf tournament earns enough money for the chapter and to support Children's Miracle Network. Most importantly, the tournament is loads of fun for the brothers and all other participants. Little sister pledging is going well and the brothers are anxious to initiate the ladies later

this Spring. In the partying category, Gamma Sigma chapter has the calendar booked. Every Thursday night, we meet at a local establishment to eat, drink, and be merry. We call these weekly gatherings "Lo Chi" and invite everyone from the College of Pharmacy. With support from student government, we are throwing a semi-formal dance/party in late March. Recently, we joined up with a dental and vet fraternity and threw a mega-woodser. This party was held on a beautiful North-Central Florida lake and attracted over 300 people. People are still talking about the Kappa Psi woodser.

Elections were recently held. Congratulations to the new officers:

Regent	Mike Williams
Vice Regent	Steve Tubbs
Treasurer	Jim Lewis
Chaplain	Mike Hall
Sergeant-at-Arms	Danny Chao
Student Govt. Rep.	Rob Young
Historian	Adam Clark
Recording Sec.	Bill Ratner
Corresponding Sec.	Adam Clark
Pledge Master	Jim Currin
Assistant Pledge Master	Anthony Pepe

Beta Xi North Carolina

The Beta Xi chapter would like to congratulate the newly elected officers:

Regent	Brian Haas
1st Vice Regent	Charles Ingram
2nd Vice Regent	Brian Grissom
Secretary	Tammy Tyndall
Treasurer	John Williamson
Chaplain	John T. Mims
Pledge Master	Eddie McDaniel
Sergeant-at-Arms	Kieth G. Baker
House Managers	Brian Marx
	Steve Watkins
	Dale Patterson
	Kris Watson
	Jin Woo Jun

The Beta Xi chapter had a very successful 1993 fall semester by supporting a needy family through Christmas by holding various fundraisers and through donations. We also inducted five new brothers: **John Brooks, Jeremy Hodge, Robert Malone, Andrew Rouse, Paul Starkey**. We are very proud of our new brothers and are excited about the new

The Gamma Sigma Brothers washing cars.

Gamma Sigma's car wash.

ideas they will contribute to our brotherhood.

The brothers of Kappa Psi at North Carolina have high expectations for the spring semester. We plan to start rush and get people interested through parties, late nights and professional nights. We hope to recruit a number of quality pledges as we have in the past.

Our Tunnel Party is in its fourteenth year and has become a tradition of the Beta Xi.

We hope to see many alumni and brothers from nearby chapters there.

—*Jim Woo Jun*

Beta Upsilon Butler

Our annual Disability Week was a great success. The aim of this project is to open the campus's eyes to what it is like to have a disability. This year's events included CPR classes, a speech by a handicapped student, and a campus wide relay race. Special thanks to the philanthropy committee for their hard work with planning!

As a fund raising activity our chapter sold the top 200 drug cards to the fourth year students. With the help of the fund-raising committee this event worked out very well.

We would also like to extend our congratulations to our new officers for the 1994\1995 school year. They are as follows:

Regent	Katie McCormick
Vice-Regent	Jenny White
Secretary	Jennifer Tiemens
Treasurer	Heather Bandera
Chaplain	Scott Barker
Sergeant-at-Arms	Melissa Gates
Historian	Michelle Putera
Pledge Trainers	John Lehner Amy Sutton

Gamma Nu Pacific

The Kappa Psi Gamma Nu chapter welcomes pledge class of 1994. Twenty four potential new brothers pledged Kappa Psi this year. Rush events including the casino night party, broom ball, and rush dinner encouraged the large turn out.

On casino night active brothers participated as dealers or hosts providing hors d'oeuvres. Guests tried their luck at black jack and poker as well as other games. The night turned out to be a big success with a large turnout.

Broom ball presented by Kappa Psi

Gamma Nu involved active participation of potential new pledges and actives on the ice. Which team won or lost did not really matter; everyone had a good time even if they had bruises on the bottom side. The active participation allowed brothers to get to know potential pledges.

The rush dinner was the last rush event for 1994 which was held at The Bistro in Stockton, CA. Evening activities included a formal sit down dinner, Kappa Psi speakers, and a slide show which concluded the evening. Alumnist **Joe Fischer** announced the different speakers. **Jim El-bissat** and **Dr. Mark Riggle** both spoke on why they joined Kappa Psi. **Dr. Peter Koo's** speech was motivational which highlighted what Kappa Psi had to offer, and the importance of active participation in Kappa Psi after joining. UOP faculty member, **Dr. Patrick Catania**, provided a very comical speech which left the audience in "stitches". The concluding slide show by brothers **Howard Saneto**, **Alan Espirito**, **Bruce Uch**, and **Aeneas Chance** reflected the spirit of Kappa Psi for the potential pledges.

The rush process resulted in twenty four new possible members. Induction night was scheduled for March 11, 1994.

Providence Graduate

The Providence Graduate Chapter has remained active throughout 1993 and into 1994. Beginning with Homecoming Festivities at the University of Rhode Island in October 1993, the collegiate members of Beta Epsilon provided food and beverages at a Kappa Psi tailgate. Many Kappa Psi alumnae attended after an earlier brunch. The brunch at "Breakfast Nook II" was an excellent time for the graduate members to reminisce and do some "catching up". This festive occasion featured such dignitaries as: **Marc Bernarducci**, **Robert Bryant**, **Mike Graubart**, **John Grossomanides**, **Mike Halliwell** (flew all the way from Overland Park, KS!), **Karl Kehrle**, **Jig Patel**, and **Robert Perez** (drove from Bedford, NY . . . any dents yet?)

November saw the changing of the guard for the Providence Graduate Chapter. A Chapter Meeting/C.E. Night was sponsored by Glaxo at the Johnson & Wales Airport Inn. After a seminar regarding the development of patient counseling and communication skills in a variety of practice settings, a gourmet dinner was enjoyed by all attendees and new officers were elected as follows:

Regent	Michael Graubart
Vice-Regent	Michael Muller
Secretary	Eric Arlia
Treasurer	John Grossomanides
Historian	Marc Bernarducci
Chaplain	Don McKaig

Michael Graubert says that he is eager to serve his team as the newly elected Regent of the PGC. He hopes to be able to enable brothers to participate in PGC activities who have found it too difficult in the past due to rigid work schedules. He claims he has ". . . a few new things planned . . .". He will have his hands full as he also will be serving as Province I's Satrap! The PGC also congratulates **Mike Muller** on his appointment to the National Graduate Development Committee. Others in attendance: **John Boudreau**, **Dr. Norman A. Campbell**, **John L. Capuano, Jr.**, **Jeff Coughlin**, **Ed Dyer**, **Chuck Haytaian**, **Francis P. Kayatta**, **Karl J. Kehrle**, **Brian Kozielski**, **Walt Krochmal**, **Henrique Pedro**, **William J. Rosa, Jr.**, **Michael Simeone**, and **John Thomas**.

The winter months can be a depressing time for many especially in Providence, RI where parking is particularly scarce! However, **Marc Bernarducci**, **John Grossomanides**, and **Don McKaig** have got a way to beat the "winter blues" . . . WALLEYBALL. Yes, that's right! Westerly Hospital of Westerly, RI has sponsored a walleyball team at the local YMCA. Presently, the coed team of 6 is in first place with a 40-2 record. Obviously, the PGC is well represented. We wish them continued success. Make Kappa Psi proud! Looking ahead, the Providence Graduate Chapter is contemplating a "Kappa Psi Cruise" for October 7\10, 1994 with Carnival Cruise's "Ecstasy". The 3-day excursion will depart Friday and return Monday (Columbus Day Weekend).

We should not forget that the Providence Graduate Chapter continues its involvement in local politics. Three graduate brothers were recently installed as Rhode Island Society of Hospital Pharmacists (RISHP) Board Members on January 22, 1994, at the Quiddnessett Country Club: **Mike Simeone** (President), **Henrique Pedro** (Board Member-at-Large), and **John Grossomanides** (President-Elect). GOOD LUCK! In addition, **Mike Simeone** received the "Board Member of the Year Award". We can't forget the ubiquitous **Chuck Haytaian** who is the current President of the Rhode Island Pharmacists Association (RIPA). In the community scene, the October 1993 Issue of "Drug Topics" recognized Pawtuxet Valley Prescriptions as a Category I Exceptional pharmacy for non pharmacy services! Brother **Leo Blais** is the proprietor and Brother **Don McKaig** is the staff pharmacist.

It has been a tradition that the collegiate members of Beta Epsilon attempt to defeat the PGC at any athletic contest. In the past, it has been strictly softball. However, this year will see a new sport added to the "Kappa Psi Challenge". It will be volleyball!

The PGC looks forward to further developing its relationships with the collegiate chapter

Chapter News

(Beta Epsilon) and the community in the coming months. We would also like to wish all our graduate chapter counterparts the best. Remember! We are KΨ for life! The benefits of the fraternal involvement extend far beyond our collegiate years. Keep the fire burning!!

—Marc P. Bernarducci, Historian

PROVINCE IX

As my reign as province IX historian comes to an end, and I sit here writing my last article, I think back on all the new friends and memories I've come into. It was a great year, and I hope my successor enjoys his or her reign as I have.

The next province IX meeting will be held in Tucson, Arizona from April eighth to the tenth. It seems to be very well organized and ready for us. We've been promised a time never to be forgotten. From a golf tournament, to a night out "Tucson style", it sure appears fun filled. Since the brothers of Gamma Nu will be on spring break, we've decided to make an extended trip that includes four days in Las Vegas. That should certainly prove to be an interesting side note to the province meeting.

Friday the twenty fifth of February, the brothers of Gamma Nu were invited to a party by the pledges of Beta Gamma in San Francisco, to raise money for the victims of the Los Angeles earthquake. Gamma Nu had twenty two brothers and sisters in San Francisco. We formed a convoy of five cars, and had dinner at an all you can eat sushi restaurant. It appeared that Beta Gamma was able to raise quite a bit of funds for the earthquake relief.

As part of the province meeting, I would appreciate each of the chapters of Province IX bringing slides to show at the meeting. I'd appreciate you giving them to me Friday night, so that I can have time to put them together in the projector.

—Jim El-Bissat, Province IX historian

Sigma Maryland

The Sigma Chapter is proud to have inducted sixteen new members this past fall semester: **Marcia Benjamin, Charles Bonapace, Kimberly Boykin, Jennie Change, Jean-Ah Choi, Barbara Chong, Rebecca DeCastro, Rhea-Marie del Rosario, Chris Hawk, Hyun Kiel, Nancy Ku, Jung Lee, Kristen Liebig, Aatif Sheikh, Don Smith, and Liza Takiya.** Congratulations to these new members and a special thanks to **Brother Toth** for his contributions as pledgemaster. In November, **Brothers Owens, Kang, G. Wright, and Choi** participated in a Cystic Fibrosis Bowlathon. In addition, **Brothers Denton, Owens, G. Wright, Sheikh, Smith, Hawk, and Kiel** traveled to Campbell University in North Carolina to help out our fellow brothers with their initiation. At the end of the

month, we "let loose" a little with a semi-formal at the La Fontaine Bleu. In December, we went Christmas caroling at a local nursing home and ended the semester with a Secret Santa Party.

More congratulations goes out to our newly elected officers for 1994:

Regent	Heather Owens
Vice Regent	Chris Hawk
Treasurer	Charles Bonapace
Secretary	Pattie Frigillana
Chaplain	Elizabeth Smith
Historian	Jean-Ah Choi
Sergeant-at-Arms	Mae Giang
Pledgemaster	Aatif Sheikh

Our new officers have already planned a full schedule of events for the spring semester. We intend to participate in another Cystic Fibrosis Bowlathon and the Adopt-a-Highway program. Other events include a wine hunt, white water rafting, and an Orioles' baseball game.

Our biggest event will be hosting this year's Province III meeting here in Baltimore on April 15\17. Events include various speakers, a banquet dinner, a volleyball tournament, a country-western party, and much more. We look forward to much participation and lots of fun!

—Jean-Ah Choi

Gamma Psi Mercer

Kappa Psi has started off 1994 with an explosion of activities.

Upon returning from Christmas break, we hosted the regional chapters of Kappa Psi for 'Province' the first weekend of the quarter. This was a weekend filled with fellowship, and an exchange of ideas as to what the other chapters were doing. The brothers who attended will remember this event for a long time.

The next weekend was our annual ski trip to Ski Beech, N.C. About sixty students took advantage of the long weekend to make the trip to North Carolina and hit the slopes. Days were filled with skiing and shopping or simply gathering around in one of the cabins we rented and avoiding the bitter cold (wind chill as near -32°F at the top of the mountain. This year, although the weather was much colder than usual, Ski Beech was not blowing snow and received eight inches of natural snow the day we arrived. So needless to say the skiing was great.

We also held our winter rush party the night before the Intra-Fraternal Council Formal. Entitled 'Hurricane Party', everyone came out and the brothers got a good chance to meet students going through rush. We have fifteen pledges and we are sure they will do fine through their pledgeship.

We have also been involved in the area's Adopt-A-Highway program, in which we have been keeping Mercer University Drive

clean. Coming up on March 3, we will be having our annual Bowl-a-Thon to benefit the Disabled Vets.

—Harold Willingham

Beta Nu Creighton

Spring 1994 has been a productive semester for the Brothers of Beta Nu. Our main project this semester is Poison Prevention. We are going to Omaha area kindergarten schools to teach the children the difference between medicines and poisons. Members go out to the schools, talk to the children, and show them a video. On these trips, we take along Pinky the Elephant, the mascot of Poison Prevention. Later in the semester, we will also be going out to local shopping malls. The picture was taken last semester at Crossroads Mall with Pinky and the Blue Jay, Creighton's mascot. We would like to thank **Stephanie Rice** and **Tiffany Wyant** for once again organizing the Poison Prevention project for Beta Nu. They've been doing a great job. **Graham Noble** has done a great job in setting up our aluminum can collection in the pharmacy building. The proceeds will go towards the Juvenile Diabetes Foundation. We will also be sponsoring our second annual charity golf tournament in April. Proceeds from the tournament will be benefiting the American Heart Association, the Juvenile Diabetes Foundation, and Poison Prevention. **Carlos De Leon** and **Jill Sekutera** are doing a great job organizing the tournament and getting corporate sponsors all lined up. We will be closing out the Spring semester with a banquet in April. Kathleen Werner is planning a memorable banquet.

We would also like to congratulate **Dr. Jack Fincham**, Creighton's Associate Dean on accepting a position as Dean at the

Beta Nu's poison prevention program included Pinky the Elephant and the Blue Jay, Creighton's mascot.

University of Kansas School of Pharmacy. Thank you for all you've done for Beta Nu. You will be missed. We would also like to congratulate **Jennifer Flynn** and **Stephanie Rice** for placing second and third respectively in Creighton's ASP Patient Counseling Competition. Way to go! We would also like to congratulate **Gus** and **Tina Moen** on the birth of their cute daughter, Shelby.

—*Carrie Matsumoto*

Beta Psi Wisconsin

Recapping our professional projects for the semester, we participated in our annual projects such as bowling to raise money for Big Brother's and Big Sister's, volunteering our time at the MS walk, and the usual drug audits at nearby pharmacies. We also started a new project this semester which entails a couple of us each week going to a nearby middle school to tutor the young adults there in mathematics. It has been a lot of fun and a great learning experience. Our spring co-ed volleyball team was very successful at having a lot of fun this semester, not always winning, but having fun none the less. In February, a carload of us traveled to Gamma Pi in St. Louis for their High Ideals night. Congratulations to the new actives there and thank you to our brothers there for making it an enjoyable night for us. In March, 21 of us traveled to Toledo, Ohio for the Province V convention. Details will be forthcoming in the next issue. Congratulations go to 17 of our members for completion of their studies and graduation into the real world in May.

Finally, we would like to make one last invitation to all of our brothers in Kappa Psi to our 75th Anniversary celebration of Beta Psi here in Madison the weekend of June 4th and 5th. Reservations or questions can be addressed to the Beta Psi house at 615 N. Lake St., Madison, WI 53703. (608) 257-4292. Hope to see everyone there!

Buffalo Graduate:

I thank all of the Brothers who came from around the country to come speak at our Kappa Psi sponsored C.E. program on February 19, 1994. It was a success because the turnout was good for these interesting topics. Terence Fullerton, Pharm.D., BCPS spoke on "New Issues in Anti-Coagulation and Anti-Platelet Therapy." Kevin M. Sowinski, Pharm.D, BCPS discussed "JNC5: New Guidelines for the Treatment of Hypertension." Thomas F. Goss, Pharm.D. and Brian T. Sweet, B.S. talked about "Assessing Patient Outcomes of Pharmacotherapy." Stephen C. Piscitelli, Pharm.D. presented "Update on Drugs for the Treatment of HIV Infection." Joseph Cordaro, Pharm.D. gave us insight with his program "Strategies for Overcoming Chemotherapy Resistant Tumors." Aaron H.

Burstein, Pharm.D. lectured on "Second Generation Anticonvulsants." **Aaron Burstein, Terrence Fullerton, Ann Fuoco, Maureen Evans**, and several others played significant roles to pull off this production. It was a job well done.

—*Karl R. Fruehauf, Historian*

PROVINCE V:

By the time you read this article, another Province V convention will be over. The next historian will report the facts of the convention in the next MASK. Brothers of Beta Lambda were the hosts.

I am proud to have served as the Province V historian. I hope I left a distinct mark on your psyche. Kappa Psi will always be in my heart, but it is time to let another author get his or her start.

—*Karl R. Fruehauf, Historian*

Pittsburgh Graduate

The winter months were filled with meetings coupled with bowling at Olympia Lanes, Harmarville, PA, at three week intervals. In March, the chapter helped Beta Kappā celebrate their Founders Day (March 19) and attended the Province II meeting hosted by Eta Chapter in Philadelphia, March 25-27.

A decision was made to publish the chapter newsletter, *The Pittsburgher*, on a schedule of February 1, May 1, August 1, and November 1. Editor Tom DePue will continue to produce the issues and requests all information for the newsletter at least two weeks before the release dates. These newsletters are proving to be important to members and, while informally published, contain information vital to the operation of Pittsburgh Graduate. Contents include the calls to meeting, current announcements, new addresses, dues notices and chapter clothing sales mail order information.

The chapter offers its congratulations to all graduating brothers and especially invites brothers who will reside in the western Pennsylvania region after graduation to contact Pittsburgh Graduate in order to maintain fraternal bonds with Kappa Psi. The contact for information is: Roger L. Wheat, Jr., R.D. 1, Box 268A, Kittanning, PA 16201.

—*Bruce D. Martin, Historian*

PROVINCE IV

Gamma Psi hosted this year's Province IV assembly in Atlanta, Georgia on January 7-9. The weekend passed smoothly, and a huge thanks goes out to Gamma Psi for doing such an excellent job with the arrangements. We are grateful for the presence of MASK editor and Province IV supervisor **Tony Palmieri**. Attendance by the Brothers of Gamma Zeta, Gamma Sigma, Gamma Phi, Delta Gamma, and Delta Iota was greatly appreciated and contributed to a fantastic weekend.

The Brothers were welcomed in Atlanta by the Gamma Psi Brothers at the Ramada Inn. Later that evening, the Brothers enjoyed the

Atlanta nightlife and Kappa Psi fellowship. After breakfast the following morning, the meetings began, and Tony Palmieri led a rather informal, interactive symposium concerning Province IV goals and position in Kappa Psi. Province IV officers were elected and include: Satrap—**Eric Macomson** (Gamma Phi), Vice-Satrap—**Baron Lowe** (Delta Gamma), Secretary/Treasurer—**Kyle Banks** (Gamma Phi), Chaplain—**Mike Hall** (Gamma Sigma), Historian—**John Smith** (Gamma Phi), and Parliamentarian—**Bill Ratner** (Gamma Sigma). Congratulations to those outstanding Brothers and good luck in the coming year!

Two awards were presented at dinner by newly-elected Satrap **Eric Macomson**. The Province Attendance Award went to Gamma Sigma, and Delta Gamma received the Chapter of the Year Award. Congratulations goes out to these outstanding Chapters!

As Province IV Historian, I am looking forward to hearing from all of the Chapters about their activities and accomplishments. Please send any correspondence to: John Smith, 107 Sena Drive, Athens, Georgia 30605.

—*John Smith*

Delta Epsilon Duquesne

This semester has been a challenge for Delta Epsilon. With the graduation of 23 brothers nearly upon us, we are learning to adjust without their leadership and involvement. Under the leadership of Regent **Dave Shubert**, we are meeting that challenge, as well as making great progress!

We are accomplishing more professional projects with each passing month. Thus far,

Delta Epsilon Brothers Kristin Peters, Lisa Emmonds, Tawnya Mitch, Susan Lenhart and Julie Suman raising money for the Children's Free Care Fund.

we helped raise money for the Children's Free Care Fund in association with Children's Hospital and KDKA broadcasting. Delta Epsilon participated in a volleyball tournament to benefit the Easter Seals. Although we didn't fare too well, we all had an enjoyable time playing for a good cause. We are also planning a skit on poison prevention to be performed for children at the local day care center. In addition, we will participate in Walk

Chapter News

America sponsored by the March of Dimes. And finally, we are working on preparing a slide show representing the profession of pharmacy, as well as the University.

After a very successful rush period, our pledges are doing quite well. This is a new semester for pledging since we have revamped our pledge period. We are focusing on establishing fellowship and unity between the brothers and the pledges. Several new activities are helping to accomplish this goal. They include game night, a midpledge party, and dinner with the brothers, faculty and pledges at the Spaghetti Warehouse.

Delta Epsilon was very honored recently to have the opportunity to spend time with Dr. Kenneth Kirk, Vice President for Academic Affairs NACDS. We would like to thank him for taking the time from his busy schedule to talk with us. His advice was much appreciated and it was quite enjoyable talking with him.

Congratulations are in order for brother **Brady Lecker**. He was awarded the Asklepious Key for last semester's hard work. Also, he was chosen "Mr. Pharmacy" here at Duquesne. "Mr. Pharmacy" is chosen by the entire school of pharmacy and he will represent the school for the rest of the year!

—Julie D. Suman

Gamma Omicron Oklahoma

THE NATIVES ARE RESTLESS! The Brothers of Gamma Omicron were restless, that is, as we hosted the 1994 Province VII Assembly here in Oklahoma City, Oklahoma. The 'native' theme was chosen to celebrate Oklahoma's proud heritage as Native America. Province VII converged on the University of Oklahoma College of Pharmacy on March 25–27 for three days of events. The program included some very interesting and motivational addresses from four of Kappa Psi's International Officers; **Brother Paul J. Hiller**, Grand Regent, **Brother John Grossomanides**, Grand Vice-Regent, **Brother Brian Reisetter**, Grand Ritualist, and **Brother Robert A. Magarian**, Executive Director. Also in attendance was **Brother Leonard L. Naeger**, Grand Historian. The first day concluded with the anxiously awaited BOOTBOXERBASH where everyone was able to have some fun & make an interesting fashion statement at the same time! The final night ended with the traditional banquet. The Brothers of Gamma Omicron wish to express their sincere thanks to all those who attended and also to our guest speakers for their words of inspiration.

Gamma Omicron and Gamma Pi Brothers.

Members of Gamma Omicron in St. Louis with Grand Historian, Dr. Leonard Naeger.

From Left: Troy Kelly, Robert Harkey, Adam Hignite, Tammy Kinucan, Corey Craig, Brian Welch, Brian Ticer, Dr. Naeger, and Wayne Hamm.

Gamma Omicron has much to be proud of. We have experienced a very busy year thus far and we have so much more in store. To begin, officers were elected in January and they are as follows:

Regent	Wayne Hamm
Regent-elect	Brian Welch
Vice-Regent	Tammy Kinucan
Recording Secretary	Lily Kwan
Corresponding Secretary	Melissa Washington

Treasurer	Troy Kelly
Chaplain	Jason Redwine
Historian	Marc Rafferty
Sergeants-at-Arms	Corey Craig Randy Stuckey

Other upcoming events include a faculty lock-up where we will raise money for the 'Make A Wish' Foundation by setting bail on Kappa Psi faculty members. Also, planning for the Eighth Annual Golf Benefit which raises money for the Muscular Dystrophy Association is already in the works. And finally, we continue to provide the 'You and Your Meds' community service program. I will keep you up-to-date on these fantastic events as they occur.

The Brothers of Gamma Omicron wish all of our seniors the best of luck as they graduate and take that exhilarating and long-awaited step out into the profession. These members will be greatly missed: **Pam Alexander, Julio Amarin, Gary Astley, Paige Ballard, Nareg Basmadjian, Debbie Beck, Scott Carlson, Karen Chase, Jeanne Coffey, Ashley Compton, Cynthia Cooper, Kimoanh Dinh, Kip Doss, Mary Duncan, Jeanne Forehand, Nga Ha, Uyen Ha, Kelly Hall, Kimberly Hendricks, Sonja Humphrey, Mary Joy, David Kendrick, Kate Lindemuth, Hewette Negusse, Hong Nguyen, Rosetta Nguyen, Frances Ong, Nga Phan, Shannon Smith, Laura Thomas, Thuy Tran, and Gina Vivian.**

Once more, Gamma Omicron was proud (and humbly so) to be bestowed with the honor of Outstanding Chapter in Province VII for 1994. We have all worked very hard to promote Kappa Psi and the Pharmacy profession and we are extremely happy that our

efforts have been recognized. With our new, enlarged membership we hope to accomplish even more in the upcoming year. Gamma Omicron is gearing up to reestablish the University of Oklahoma Graduate Chapter and has high hopes for its success.

On a sad and final note, Gamma Omicron will be losing its Grand Council Deputy of nearly eight years, **Dr. Charles Seifert**. While at the University of Oklahoma, Dr. Seifert has developed much of his time and energy to the role of GCD and our chapter has thrived in his guidance. When Dr. Seifert was elected into the position in 1986, Gamma Omicron chapter consisted of about 35 members. Due largely to his efforts, we now consist of a healthy 128 members. Dr. Seifert will become the Director of Clinical Pharmacy Services at Rapid City Regional Hospital in Rapid City, South Dakota. The Brothers of Gamma Omicron wish him tremendous success as his career progresses. We'll miss ya Chuck!

—Marc Rafferty

Gamma Zeta Samford

Gamma Zeta Chapter would like to congratulate the newly elected officers of the 1992–1993 year. They are:

Regent	Thomas Click
Vice President	Marvin Cook
Corresponding Secretary	Trina Curry
Recording Secretary	Jennifer Davis
Treasurer	Mary Susan Hodges
Chaplain	Anita Wallace
Sergeant-at-Arms	Heath Chittam
Historian	Bobby Kennedy
Social Chair	Dacia Mescher
	Lia Farris
Pledge Trainers	Julie Cook Mary Jo McNeese Susan Hartness

The Gamma Zeta Chapter has a full list of events taking place this semester. As the spring session got underway the brothers gathered for a bowling party. It was a great time for all those who attended. There were

Gamma Zeta officers: Back row, left to right: Anita Wallace, Jennifer Davis, Mary Susan Hodges, Thomas Click, Mary Jo McNeese, Trina Curry, Bobby Kennedy, Julie Cook. Front row, left to right: Heath Chittam, Dacia Mescher, Marvin Cook, Lia Farris, Susan Hartness.

Chapter News

no perfect games, only perfect gutters.

A Valentine's dance was held to help everyone unwind from the recent Holiday session and recharge for the coming semester.

On February 23, Kappa Psi day was held at Samford University School of Pharmacy where a booth was set up showing the History of Kappa Psi and the past events of Gamma Zeta Chapter of Kappa Psi.

In March a Cookout at a local park was held along with a visit at Southhaven Nursing home for their Bingo night. Each brother was teamed up with a Southhaven resident for a night's battle at the bingo board. At the end of March a Graffiti Party was planned, where shirts were sacrificed to one's penmanship.

Gamma Zeta held a Spring Formal on March 23. All faculty members and students at the Samford University School of Pharmacy were invited. The Brothers at the Gamma Zeta Chapter of Kappa Psi challenge all other Kappa Psi brothers to never stop learning and have a great spring semester.

—Bobby Kennedy

Beta Chi

Drake

Our first action was to elect the current officers for the 94-95 year. They are as follows:

Regent	Jeff Coleman
Vice-Regent	Amy Ciaramita
Treasurer	Anna Haffner
Secretary	Lori Seitzinger
Pledge Trainers	Jodie Fredrickson
	Carole Sass
Historian	Elaine Herrin
Sergeant-at-Arms	Mike Schmidt
Chaplain	Christi Smith

We also initiated 16 new members. They are **Cathy Clark, Dane Crist, Theo Darkow, Derek Duncan, Michelle Eron, Shannon Faanes, Adam Gregg, Sarah Henning, Judy Kennedy, Amy Leifeld, Stephanie McKibban, Wendy Mobley, Jodie Neunaber, Jennifer Perbera, Shauna Ryan, and Andrea Yenny.** Following the informal rush activity of bowling and the formal rush in Morehouse livingroom we have two new pledges for the Spring semester, **Jessica Jeffers** and **Tiffany Jones.**

We have spent a lot of time this semester training members, both new and old, to give

Beta Chi Brothers.

Beta Chi's Fall 1993 Pledge Class.

poison prevention talks to elementary students so that we are sure the young students understand the message of Mr. Yuck. Nurses from the Des Moines community visited to instruct the entire chapter on the proper way to conduct our hypertension screenings so we are sure to provide useful accurate readings as a part of our service project.

As a part of our fundraising efforts Beta Chi was frequently found in the Knapp Sports Center working concessions for the season's basketball games. We also participated in a bowling tournament to raise money for JDF. The fundraising committee is not only searching out new and creative ways to raise funds they have also completed many pharmacy surveys.

Beta Chi's first formal since 1991 was held at the Botanical Center on April 8. In conjunction with Drake Relays, April 29 and 30, we will be hosting an Alumni Reception. Not only will alumni and active members be able to meet and reminisce but those who have yet to tour the new pharmacy facilities will be able to do so. We also observed founder's day in the month of April by planting an Oak tree near the pharmacy and biology facilities and by coordinating actives for the Alumni during Relays weekend.

—Elaine Herrin

Rho Kansas

The Rho Chapter is proud to report the appointment of **Dr. Jack E. Fincham**, a Brother of Kappa Psi, as dean of the School of Pharmacy of the University of Kansas effective July 1, 1994.

Dr. Fincham has held academic pharmacy positions at the University of Georgia, University of Mississippi, Samford University and Creighton University. Dr. Fincham has been an active researcher, examining issues pertaining to the drug-use process. These issues include the therapeutic and economic outcomes of drug therapy, adverse drug reactions, patient compliance, drug use in the elderly, and smoking cessation therapies and counseling.

Dr. Fincham is the founding editor of the Journal of Pharmacoepidemiology and an associate editor of the Journal of Geriatric Drug Therapy. Dr. Fincham has authored a book, Pharmacy and the U.S. Health Care System, and more than 100 refereed and professional articles. He has made more than 200 presentations to U.S. pharmacy, public health, and medical groups. In addition, he has pre-

sented his research to audiences in Canada, the United Kingdom and Turkey.

It is with great anticipation that Rho Chapter and the School of Pharmacy of the University of Kansas welcome Dr. Fincham.

Rho Chapter members of the University of Kansas presented Dwight Nichols, Northeast Area Director of the American Heart Association, with a contribution from the 1993 annual Thomas Mikkelson Memorial golf tournament. Rho also plans to designate the American Heart Association as the beneficiary of their golf tournament scheduled for the Spring of 1994. The annual golf tournament is the major fund raiser for the Rho Chapter.

Other activities of Rho include an annual student-faculty Bar-B-Q, Kansas City Blades hockey game, Kansas City Royals baseball game, and a Rho Chapter banquet which honors senior brothers and also serves as a forum for installation of officers. Rho Chapter is starting a new community service project through the "Adopt a Highway Program" of the Kansas Department of Transportation. This program utilizes volunteer organizations to pick up trash along a designated section, usually 1 or 2 miles, of a Kansas highway. The volunteer organization's efforts are recognized by a sign placed on the highway right-of-way.

—Marc Carver

Gamma Pi St. Louis

On December 5 we had to say goodbye to our old officers as we make way for our new ones. To the officers of last year we would all like to say thank you, not only for leading our chapter to new heights, but also for their dedication to our fraternity.

Our new officers are as follows:

Regent	Rich O'Neal
Vice Regent Social	Lynn Potter
Vice Regent Professional	Sandi Kramer
Vice Regent Fundraising	Jeana Karch
Corresponding Secretary	Karen Wampler
Recording Secretary	Alison Palmer
Treasurer	Paula Peters
Chaplain	Eric Meyers
Graduate Liaison	Pete Phillips
Historian	Tony Druger
Sergeant-at-Arms	Matt Bradley
Pledge Master—male	Brian Allison
Pledge Master—female	Kris Frey
Grand Council Deputy	Dr. Leonard L. Naeger

Our pledging season has just ended as well, and on Feb. 19 the pledges were inducted as new members. Congratulations to the sixteen new members of Kappa Psi Gamma Pi! They are: Kevin Barron, Matt Burgin, Chris Coyne, Brent Feig, David Hawkins, Joe Holden,

Chapter News

From left to right: Marc Carver, Secretary; Brian Sullivan; Todd Meier, Historian; Dwight Nichols, Director, Kansas Affiliate of the American Heart Association; Neil Klutman, Kappa Psi Faculty Advisor; Greg Russell, Golf Tournament Chairman; Pat Feldman, Regent; Gene Hotchkiss, Assistant to the Dean; Craig Thompson; and John Barberi.

Luan Le, Danny Lobina, Chris Schmidt, Brian Seiz, Amy Steinwagner, Krissy Tuhill, Joy Venhous, Rhonda Weber, Sarah Weeks, and Bill Zayed.

Gamma Pi would like to thank all of the members of Gamma Omicron Pi, and Beta Psi for coming down and helping us on High Ideals Night. We had a blast! Thank you again Kris, Brian, and the rest of the pledging committee for keeping things under control and on schedule.

Everyone here in St. Louis is ecstatic about Province! We know that Gamma Omicron is

Gamma Pi's newest brothers show off their first KC sweatshirts at Induction Night.

going to show us a good time. We also know that we will return with a lot of stories and great ideas to help improve our chapter.

In the month of March and April we have a lot planned. Our Safe Sex Party is Mar. 31, Blues hockey is April 14, and the Spring Formal follows on April 15. We would like to make sure that everyone knows that they are welcome to any of our events and we'll keep you posted on the dates. One to keep in mind is the Pig Roast that will be on Aug. 21. It will be a blast so let us know if you want to come!

—Tony Druger

Beta Eta West Virginia

First, we congratulate, as well as introduce our new initiates. They are: Doug Balog, Troy Blum, Tommy Cruey, Tara Davis, Jason Francisco, Megan Murray, Monica Prochaska, Misty Sulak, Lee Ann Thayer, Jane Wells, and Mike Wilson. Our initiation ritual was held on January 27th, and was

immediately followed with our first social function of the year, an 80's theme party. It was a great way to introduce our new initiates into the fellowship that is Kappa Psi. While the rest of our brothers were getting started on another semester of classes, brother Shane Backus and myself joined some of the Delta Epsilon brothers at the Pittsburgh Civic Arena for an evening with the "piano man," Billy Joel. Next on the social calendar, was another trip to Pittsburgh for Andrew and I. This time, to the Beta Kappa house for a Valentine's toga party. Unfortunately, we weren't aware of the toga portion of the party, and left our sheets back in Morgantown. Although many of our brothers could not attend due to the freezing rain and snow, Andrew and I felt it was our duty as social chairpersons (who else) to represent our chapter at this function. Since our area had been experiencing so much snow, we decided to plan a ski trip to the Wisp resort in McHenry, MD. A good time was had by all, and no broken appendages were reported.

Looking ahead to our chapter's future plans, we find ourselves coming back from spring break and right into WVU's pharmacy week. This event is scheduled for March 21–26th. Our chapter is sponsoring a 70's party on the 24th, and then we head for Philadelphia on the 25th for our Province II spring meeting at Eta chapter. Also, future plans have been made with both Beta Kappa and Delta Epsilon to attend the home opener of the Pittsburgh Pirates. This gathering was started last year, and will hopefully continue for years to come.

Andrew and I would like to extend best wishes to our many brothers who have gradu-

ated this past semester, or will be graduating in May. Sadly, we too will be leaving the collegiate years behind us this May as well, but we hope to help our brothers reactivate the West Virginia graduate chapter and carry on the tradition that is, and can only be, Kappa Psi.

Gamma Gamma Texas

We would like to wish our best to our six fall graduates and to our twelve brothers who are on rotations currently. The spring semester brought with it many new activities and projects. These included our 1st Annual Golf Tournament at Lost Creek Country Club, retirement home patient counseling, and a reading for the blind project. All of our work was not without play as we had a great time at our annual Spring Formal with Kappa Epsilon.

This semester we have a pledge class of twelve young men who have begun the rigor-

Gamma Gamma Brothers

ous but rewarding transformation process into the brotherhood of Kappa Psi. This semester we would also like to congratulate three more of our brothers who were recently initiated into Rho Chi—**Matt Holman, John Koleng, and Jason Davis.**

Our new officers for 1994 are:

Regent	Steve Kovacs
Vice Regent	Jason Davis
Secretary	Thane Erwin
Treasurer	Bobby Martinez
Pledge Trainer	Matt Holman
Asst. Pledge Trainer	Ryan Davis
Parliamentarian	David Bretzke
Sergeant-at-Arms	Noe Tinajero
Historian	Keith Lowe
Chaplain	Derald Turner
Co-Chaplain	Royce Norris

The Final Word

John Grossomanides

The Final Word how to begin? Let me start by introducing myself, I am John Grossomanides and currently serve as your Grand Vice Regent. To give you some background on your Grand Vice Regent, I was initiated, April 19, 1982 into the Beta Epsilon Chapter (University of Rhode Island). I previously served on the Executive Committee of Kappa Psi as Grand Counselor, Graduate Member, and Collegiate Member.

There are many topics one might address in a forum of this nature: Hazing DON'T DO IT, PERIOD, Alcohol—DRINK IN

MODERATION, Dedication—participate in your chapter, Obligation—be financially responsible, and Involvement after graduation. I am not going to discuss any of these items. I would like to take a few minutes to discuss why we should be proud to be a member of the largest and most respected Pharmaceutical Fraternity in the world. Becoming a member in Kappa Psi is an HONOR, not everyone in pharmacy is Kappa Psi (though many would like to be). The traditions and rituals of our Fraternity are unique to us and should be kept Secret. We should not share any passwords, grips, or signs with anyone who is not a Brother in Kappa Psi.

The pride in Kappa Psi should be shown in small ways. Individuals should include Kappa Psi on resumes or curriculum vitae. Brothers should wear their Kappa Psi lapel pins every day. Undergraduates wear sweatshirts and T-shirts that display the crest or our letters and graduates can place our letters on class rings. There is much we can do and should do but it takes a little time and effort to show that we are proud to be Kappa Psi. Kappa Psi Brothers come from diverse backgrounds, some are in pharmacy some are not, but we all have one thing in common we are all in the same professional fraternity. This fraternity is what has brought us together and we should remember it in every possible opportunity. Let us all do our part to show: we are PROUD to be Kappa Psi Brothers!

Membership in Kappa Psi is a privilege

not a right. Some members are dismissed from the fraternity for conduct not becoming a Brother. A Brother should never do anything that may discredit themselves or the fraternity. We should be conscious of our actions to prevent any negative light toward our fraternity. By being proud of our membership in Kappa Psi, we should never do anything that would hurt its image.

Kappa Psi has a rich history of recognized members. Many Deans of Colleges of Pharmacy are Kappa Psi, Past Presidents of the American Society of Hospital Pharmacists, Past Chairmen of the Board of the American Pharmaceutical Association, Past Presidents of the National Association of Retail Druggists, as are many Boards of Pharmacy members, faculty members, and state and local pharmacy association presidents and members. These individuals rose through the ranks to become successful but they all start with their first step as Kappa Psi. Anyone can aspire to enormous professional heights but let's not forget our roots and be PROUD to be Kappa Psi.

Finally, we should all promote the Profession of Pharmacy (after all we are the number one most respected profession) and the Fraternity that has brought us where we are today. In closing, let me challenge all the Brothers to display their Kappa Psi Brotherhood in some way.

Remember, be PROUD to be Kappa Psi!

DUPLICATE THERAPY SCREENING

Before You Dispense Your Patient's Medication,

DO NOT FORGET SCREENING

Make Sure You Get A Second Opinion.

DRUG ALLERGY SCREENING

Over 87,000 prescription and over-the-counter drugs are available to patients. And in today's health care environment, you may be legally and professionally responsible for any interactions that occur when you dispense these products. To protect yourself and your patients, you need to rely on more than memory. You need to consult the DUR experts—Medi-Span.

Find out how you can quickly and accurately screen prescriptions for duplications, proper dosage, duration of therapy, contraindications, adverse reactions and drug interactions, and provide patient-oriented drug information in just a few keystrokes. Call Medi-Span at 1-800-428-4495 for a complete analysis of our comprehensive DUR package.
